Finney, James O'Rourke, 2010-11-03 150 powerful bite size techniques for handling virtually every day to day management challenge from motivation and team building to job design Three full books of practical techniques for handling virtually every day to day management challenge Discover how to build winning teams and design high productivity jobs motivate people when you can't pay them more sell your decisions even when they're unpopular use non verbal communication techniques more effectively and much more From world renowned leaders and experts including Stephen P. Robbins Martha I. Finney and James O. Rourke **Emerging Indian Scenario Harnessing the Opportunities** Sai Vidya Institute of Technology, Training in Interpersonal Skills Stephen P. Robbins, Phillip L. Hunsaker, 2003 Artist and screen writer Brian Godawa used to revel in his ability to argue the truth of the gospel often crushing his opponents in the process In time however he began to realize that winning an argument about the logic of Christianity did not equal persuading people to follow Jesus What was missing Through prayer and searching the Scriptures Godawa realized that while God cares deeply for rationality propositional truths were not the only or even the primary tools he used to reach people with his Truth In fact Godawa discovered that story metaphor and imagery were central to God's communication style because they could go places reason could never go into the heart In his refreshing and challenging book Godawa helps you break free from the spiritual suffocation of heady faith Without negating the importance of reason and doctrine Godawa challenges you to move from understanding the Bible literally to literarily by exploring the poetry parables and metaphors found in God's Word Weaving historical insight pop culture and personal narrative throughout Godawa reveals the importance God places on imagination and creativity in the Scriptures and provides a biblical foundation for Christians to pursue image beauty wonder and mystery in their faith For any Christian who wants to learn how to communicate and defend the Gospel in a postmodern context this book will help you find a path between the two extremes of intellectualized faith and anti intellectual faith by recovering a biblical balance between intellect and imagination **Organization Behaviour for Leisure Services** Darren Lee-Ross, Conrad Lashley, 2012-06-14 Organization Behaviour for Leisure Services provides the reader with the conceptual tools necessary for analysing organizational behaviour in the context of hospitality leisure and tourism provision and understanding events in order to take appropriate management action Taking the view that leisure services involve an array of industry sectors they are related for instance to work time spent eating drinking and staying away from home as well as the more obvious recreational pursuits the text uses examples and case studies from a wide range of international businesses such as hotels restaurants museums shopping malls and sports stadia Specific examples used are from Marriotts McDonald's Trafford Centre and many more With a user friendly structure and style the text is an ideal introduction to the fundamental issues involved perfect for students and managers alike This book discusses and questions a number of key elements

including The individual and the organization Groups in the organization Organizational structures and behaviour Management within the organization Commercial hospitality leisure and tourism in a service context There is a Tutor Resource pack available to lecturers who adopt this text Accredited lecturers can request access to download this material by going to <http://books.elsevier.com/academic/defaultmanuals.asp> to request access
