Notes of a Twenty-Five Years' Service in the Hudson's Bay Territory Volume I. John McLean, 2005 , **The Hudson Bay Road (1498-1915)** Auguste Henri de Trémaudan, 1915 **The Company** Stephen Bown, 2021-10-26 NATIONAL BESTSELLER A thrilling new telling of the story of modern Canada's

origins The story of the Hudson's Bay Company dramatic and adventurous and complex is the story of modern Canada's creation And yet it hasn't been told in a book for over thirty years and never in such depth and vivid detail as in Stephen R Bown's exciting new telling The Company started out small in 1670 trading practical manufactured goods for furs with the Indigenous inhabitants of inland subarctic Canada Controlled by a handful of English aristocrats it expanded into a powerful political force that ruled the lives of many thousands of people from the lowlands south and west of Hudson Bay to the tundra the great plains the Rocky Mountains and the Pacific northwest It transformed the culture and economy of many Indigenous groups and ended up as the most important political and economic force in northern and western North America When the Company was faced with competition from French traders in the 1780s the result was a bloody corporate battle the coming of Governor George Simpson one of the greatest villains in Canadian history and the Company assuming political control and ruthless dominance By the time its monopoly was rescinded after two hundred years the Hudson's Bay Company had reworked the entire northern North American world Stephen R Bown has a scholar's profound knowledge and understanding of the Company's history but wears his learning lightly in a narrative as compelling and rich in well drawn characters as a page turning novel *The Bookseller and the Stationery Trades' Journal*, 1887 Official organ of the book trade of the United Kingdom
