Decoding the Antichrist and the End Times Mark Biltz, 2019 Will the real Antichrist please stand up For the last two thousand years people have been anxiously trying to analyze who the Antichrist might be and when he might be revealed Many people have made preposterous claims and of course they have been wrong If you're not careful you can get caught up in the debate and spend so much time arguing with other Christians over the details that you don't accomplish anything for the kingdom To make matters worse we now live in an era when for the first time we have the possibility of an artificial intelligence Antichrist a human computer hybrid that will demand to be worshipped Have you ever wondered if it's OK to have Alexa Siri and other forms of artificial intelligence in your home We know that the Bible says great deception is coming so what is a concerned believer to do Author and minister Mark Biltz wants you to understand the methods of the Antichrist so you won't be deceived This book will help you know the big picture of what has happened historically what is unfolding this very moment and what the future holds concerning the Antichrist based on the unfolding purposes of God

Snapshots of Judy-ism or You Have a Right to Remain Jewish Judith Solomon Franco, 2016-12-22 Give it up already states a concerned friend about my fret over the decreasing Jewish numbers I cannot considering the longest running hatred toward the Jewlet alone the general challenges of poverty weather and family and national associations or even when the Jew is doing well We Jews need to take a deep breath to see what we have and what we stand to lose There is no alternative After all as Detective Riback of Las Vegas says so affectionately You have the right to remain Jewish Thus my eponymous Snapshots of Judy ism an encapsulation of Jewish historical and recent affairs through personal anecdotes compresses characters and polemics for the non Jew who may be curious about a few Jewish subjects the Jew about to jump into another religious system the intermarried Jew or the Jew considering intermarrying **Three Perspectives: Jewish, Christian, and Muslim** Steven H. Propp, 2009-12-30 You're Jewish aren't you This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days Raised by secular Jewish parents Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage The two young men vigorously argue with each other over the interpretation of the Hebrew Bible particularly its reputed predictions of a Messiah Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth The rigorous process of self examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same for Dov The two ultimately become fast friends but as they progress from an academic environment to the professional world they are challenged by racist statements made by prominent national figures anti Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel and also purported

scholars who deny the reality of the Holocaust itself Circumstances in life connect them with a young Iranian migr named Jahangir Khatami whose Muslim beliefs conflict strongly with their own Yet when a violent incident brings the three of them together they are forced to reexamine not just their differences but their similarities While they clash over the ideals of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11 2001 Join a diverse cast of characters some of whom appeared in the authors earlier book Beyond Heaven and Earth in a probing exploration that may help you reconsider just what it means to be Jewish Christian or Muslim in the modern world House of Faith House of Cards Eric N.
