Embryos, Ethics, and Women's Rights Elaine Baruch, Amadeo F D'Adamo, Joni Seager, 2014-04-23 Will procreation become just another commodity in the marketplace with designer sperm ova and embryos offered for sale Will the attention and monies focused on the new reproductive technologies take away resources from infertility prevention prenatal care and adoption If states move to regulate such practices will this encourage widespread governmental interference in reproductive choice How will society look at the biologically unique children who are the products of genetic manipulation and more importantly how will these children view themselves This controversial book explores the answers to these questions that are frequently being asked as the battles over reproductive technologies and freedoms become more heated and touch more people's lives *Embryos Ethics and Women's Rights* examines both the clinical and personal perspectives of reproductive technologies Experts explain and debate the growing number of procreative possibilities in vitro fertilization genetic manipulation of embryos embryo transfer surrogacy prenatal screening and the fetus as patient Some of the leading authorities in the field including John Robertson Ruth Hubbard and Gena Corea address the ethical legal religious social and psychological concerns that are inherent in the issues Essential reading for every person concerned with control over basic issues of human destiny *Embryos Ethics and Women's Rights* provides unique and comprehensive coverage on the subject of technologically controlled childbearing and particularly its effects on mothers and their unborn children

Suffer the Innocent Children Marian Olivia Heath Griffin, 2021-02-24 There are millions of innocent children of the world who deserve love respect concern and loyalty Jesus said many times Suffer the little children to come to me and do not bother them Innocent children are untrained undisciplined and lacking in

capacity or experience Many children suffer today like never before They need helping navigating their way through the system of life while protecting and respecting themselves Real life does not teach great lessons in times of ease and prosperity joy and comfort Children s greatest character building and faith strengthening lessons mostly come during times of difficulties and suffering From the time we are born until our death God doesn t waste anything not even our heartaches and trials Many innocent children are blessed with the empowerment of faith education and experience of joy they deserve This is god sent and shows God s love of human life He said I will show you a most excellent way LOVE What we do for others defines who we are

Reading Adoption Marianne Novy,2005 A literary scholar who is an adult adoptee delves into one of the enduring themes of literature the child raised by other parents Imagining Adoption Marianne Novy,2011-05-06 Imagining Adoption looks at representations of adoption in an array of literary genres by diverse authors including George Eliot Edward Albee and Barbara Kingsolver as well as ordinary adoptive mothers and adoptee activists exploring what these writings share and what they debate Marianne Novy is Professor of English and Women s Studies University of Pittsburgh

Lives beyond Borders Ina C. Seethaler,2021-11-01 A cross cultural comparative study of contemporary life writing by women who migrated to the United States from Mexico Ghana South Korea and Iran Lives beyond Borders broadens and deepens critical work on immigrant life writing Ina C Seethaler investigates how these autobiographical texts through genre mixing motifs of doubling and other techniques challenge stereotypes social hierarchies and the supposed fixity of identity and lend literary support to grassroots social justice efforts Seethaler s approach to literary analysis is both interdisciplinary and accessible While Lives beyond Borders draws on feminist theory critical race theory and disability and migration studies it also uses stories to engage and interest readers in issues related to migration and social change In so doing the book reevaluates the purpose form and audience of immigrant life writing

Handbook of Adoption Rafael A. Javier,2007 Handbook of Adoption addresses topics in adoption that reflect the many dimensions of theory research development race adjustment and clinical practice which can affect adoption triad members Handbook on Adoption Herbert

Wieder,2001-09-17 Calling on his Long Experience as a psychoanalyst and student of adoption Dr Wieder has written a handbook for adoptive families derived from his clinical studies This book explores the special problems of the adoption world from a point equidistant from birth parents adoptive parents and adoptees Steeped in Blood Frances J.

Latchford,2019-08-15 What personal truths reside in biological ties that are absent in adoptive ties And why do we think adoptive and biological ties are essentially different when it comes to understanding who we are At a time when interest in DNA and ancestry is exploding Frances Latchford questions the idea that knowing one s bio genealogy is integral to personal identity or a sense of family and belonging Upending our established values and beliefs about what makes a family Steeped in Blood examines the social and political devaluation of adoptive ties It takes readers on an intellectual journey through accepted wisdom about adoption twins kinship and incest and challenges our naturalistic and individualistic assumptions

about identity and the biological ties that bind us sometimes violently to our families Latchford exposes how our desire for bio genealogical knowledge understood as it is by family and adoption experts pathologizes adoptees by posing the biological tie as a necessary condition for normal identity formation Rejecting the idea that a love of the self same is fundamental to family bonds her book is a reaction to the wounds families suffer whenever they dare to revel in their difference A rejoinder to rhetoric that defines adoptees adoptive kin and their family intimacies as inferior and inauthentic *Steeped in Blood* s view through the lens of critical adoption studies decentres our cultural obsession with the biological family imaginary and makes real the possibility of being family in the absence of blood

American Baby Gabrielle Glaser, 2022-01-25 A New York Times Notable Book The shocking truth about postwar adoption in America told through the bittersweet story of one teenager the son she was forced to relinquish and their search to find each other T his book about the past might foreshadow a coming shift in the future I don t think any legislators in those states who are anti abortion are actually thinking Oh great these single women are gonna raise more children No their hope is that those children will be placed for adoption But is that the reality I doubt it says Glaser Mother Jones During the Baby Boom in 1960s America women were encouraged to stay home and raise large families but sex and childbirth were taboo subjects Premarital sex was common but birth control was hard to get and abortion was illegal In 1961 sixteen year old Margaret Erle fell in love and became pregnant Her enraged family sent her to a maternity home where social workers threatened her with jail until she signed away her parental rights Her son vanished his whereabouts and new identity known only to an adoption agency that would never share the slightest detail about his fate The adoption business was founded on secrecy and lies *American Baby* lays out how a lucrative and exploitative industry removed children from their birth mothers and placed them with hopeful families fabricating stories about infants origins and destinations then closing the door firmly between the parties forever Adoption agencies and other organizations that purported to help pregnant women struck unethical deals with doctors and researchers for pseudoscientific assessments and shamed millions of women into surrendering their children The identities of many who were adopted or who surrendered a child in the postwar decades are still locked in sealed files Gabrielle Glaser dramatically illustrates in Margaret and David s tale one they share with millions of Americans a story of loss love and the search for identity

Making Sense of Motherhood Beth M. Stovell, 2016-02-02 Motherhood provides a crucial place for exploring human life and its meaning Within motherhood lies a deep tension between the pain crisis and association with death in motherhood and the joy transformation and life in motherhood Few metaphors in Scripture or in life stand so firmly between life and death love and loss and joy and deep pain After all motherhood s meaning in part comes again and again at these crucial crossroads Thus motherhood has powerful implications for our biblical and theological understanding Bringing together Jewish and ecumenical Christian scholars from North America Oceania and South America this edited volume provides biblical and theological perspectives on understanding motherhood The authors reflect upon a selection of biblical

texts systematic theologians and Christian spiritual traditions to dialogue with the experience of maternity in its diverse manifestations The purpose of the book is to provide essays that through these biblical and theological lenses engage the question of motherhood today from the experience of pregnancy and birth to raising children to losing children and coping with grief In this way this volume helps to make sense of the complexity of motherhood
