Two Feet In Two Worlds An Unofficial Minecraft Adventure

Mark Mulle

Two Feet In Two Worlds An Unofficial Minecraft Adventure:

Monsters in the Mist Mark Cheverton, 2017-05-09 Gameknight999 is hot on the trail of Entity303 who has kidnapped Weaver. He follows the mysterious villain into the strange mod world of Mystcraft with green skies, trees with blue leaves, floating islands, and a blood red moon. Entity303 makes his way to a tower made of sparkling blue crystals where he steals a linked book from the User that is not a user, disappearing into one of Mystcraft's many ages. Without the linked book, Gameknight has no way of ever leaving Mystcraft and returning to the Overworld. And besides, he can't leave with rescuing Weaver and sending him back to the past, which would repair Minecraft's timeline, making things right in the game once again. The User that is not a user has no choice but to visit each age in hopes of finding the right one. But in the process, he'll discover an unsettling truth about Entity303 and the deadly monsters the villain has left in wait for him. Sky Pony Press, with our Good Books, Racehorse, and Arcade imprints, is proud to publish a broad range of books for young readers: picture books for small children, chapter books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play, Minecraft stories told with LEGO bricks, books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

The Withers Awaken Mark Cheverton, 2018-07-03 Krael the Wither King has been trapped deep underground, ending his reign of terror, and all the NPCs of the Far Lands have all put away their swords in peace, except Watcher, the young archer, still suspects Krael has bigger plans. He's right. In the darkness of the Cave of Slumber, Krael awakens the imprisoned wither horde, and with the help of creepers and endermen, the wither army is released from their rocky jail. They spread across the Far Lands, searching for the ancient Vault of Weapons, which will make the army of withers indestructible. But one man alone holds the secret to the Vault's whereabouts: the Far Land's last living NPC wizard, Watcher, and his friends must race to find the wizard before Krael and his army of monsters. But if they fail, a wave of destruction led by the King of the Withers will sweep across the landscape, destroying everything and everyone they know.

[Terrors of the Forest](#) Mark Cheverton, 2017-03-14 New York Times Bestselling Author The world of Minecraft comes to life in this thrilling original adventure. Gameknight999 reenters Minecraft to find it completely changed. There are new monsters that he's never seen before: giants, skeleton druids, and pinch beetles, and king spiders, and mistwolves. Villages are larger than ever and more heavily fortified. Minecraft had become much more dangerous. Even the very trees had changed, with some of them reaching up taller than the User that is not a user ever thought was imaginable. There's a diamond block portal outside of Crafter's village, and rumors are spreading that a strange user was seen coming out of the portal with a young boy before they disappeared into another portal, leaving behind a square hole, one block deep, with a ring of flowers around it. Gameknight recognizes it as the portal to reach the Twilight Forest mod. But how can there be mods here in the vanilla Minecraft? The

User that is not a user follows the trail and finds odd mentions of 303 and White Castle But what do the clues mean Just how dangerous is this new user to Minecraft and where is he taking the young NPC Only Gameknight999 will be able to find out

Two Worlds Louise Guy,2016 Finding a real life portal provides Crafters Club members JJ Jamie Charli and Annie a doorway into the world of their favorite video game Minecraft Propelled by the portal into a Minecraft map a thrilling heart racing adventure unfolds Survival is their utmost priority as they learn to craft supplies stay safe from mobs and exist in a foreign land Will teamwork friendship and courage be enough to ultimately guide them home Back cover Two Worlds
