Two Gentlemen Of Lebowski A Most Excellent Comedie And Tragical Romance:

Two Gentlemen of Lebowski Adam Bertocci, 2010-10-26 Dive into the humor and excitement of The Big Lebowski but with the tradition of Shakespeare in this rewrite of the cult classic into five acts of iambic pentameter featuring illustrations annotations and historical engravings What if William Shakespeare had written The Big Lebowski The Dude has met the Bard and he doth abide Join The Knave and Sir Walter on a wild tale of mistaken identity kidnapping bowling and a rug that in faith really tied the room together in a sidesplitting Shakespearean comedy of errors and ninepins told in five glorious acts of iambic pentameter and impeccable period prose Already a theatrical hit and a worldwide viral phenomenon Two Gentlemen of Lebowski comes alive anew in this definitive and lavishly illustrated edition featuring recently discovered historical engravings scholarly annotations and a revelatory afterword from the author Adaptation in the Age of Media

Convergence Johannes Fehrle, Werner Schäfke-Zell, 2025-10-01 This collection considers new phenomena emerging in a convergence environment from the perspective of adaptation studies The contributions take the most prominent methods within the field to offer reconsiderations of theoretical concepts and practices in participatory culture transmedia franchises and new media adaptations The authors discuss phenomena ranging from mash ups of novels and YouTube cover songs to negotiations of authorial control and interpretative authority between media producers and fan communities to perspectives on the fictional and legal framework of brands and franchises In this fashion the collection expands the horizons of both adaptation and transmedia studies and provides reassessments of frequently discussed BBC's Sherlock or the LEGO franchise and previously largely ignored phenomena self censorship in transnational franchises mash up novels or YouTube cover videos **Shakespeare and Millennial Fiction** Andrew James Hartley, 2018 This book analyses the ways

contemporary fiction writers draw on Shakespeare the man his work and his cultural legacy Shakespeare's Fans Johnathan H. Pope, 2019-12-05 This book examines Shakespearean adaptations through the critical lens of fan studies and asks what it means to be a fan of Shakespeare in the context of contemporary media fandom Although Shakespeare studies and fan studies have remained largely separate from one another for the past thirty years this book establishes a sustained dialogue between the two fields In the process it reveals and seeks to overcome the problematic assumptions about the history of fan cultures Shakespeare's place in that history and how fan works are defined While fandom is normally perceived as a recent phenomenon focused primarily on science fiction and fantasy this book traces fans practices back to the eighteenth century particularly David Garrick's Shakespeare Jubilee in 1769 Shakespeare's Fans connects historical and scholarly debates over who owns Shakespeare and what constitutes an appropriate adaptation of his work to online fan fiction and commercially available fan works **Adaptation, Awards Culture, and the Value of Prestige** Colleen

Kennedy-Karpat, Eric Sandberg, 2017-09-07 This book explores the intersection between adaptation studies and what James F English has called the economy of prestige which includes formal prize culture as well as less tangible expressions such as

canon formation fandom authorship and performance The chapters explore how prestige can affect many facets of the adaptation process including selection approach and reception The first section of this volume deals directly with cycles of influence involving prizes such as the Pulitzer the Man Booker and other major awards The second section focuses on the juncture where adaptation the canon and awards culture meet while the third considers alternative modes of locating and expressing prestige through adapted and adaptive intertexts This book will be of interest to students and scholars of adaptation cultural sociology film and literature

Parasocial Politics Jason Zenor, 2014-10-21 The popularity of cable news satire documentaries and political blogs suggest that people are often absorbing and dissecting direct political messages from informational media But entertainment media also discusses the important political issues of our time though not as overtly Nonetheless consumers still learn debate and form opinions on important political issues through their relationship with entertainment media While many scholarly books examine these political messages found in popular culture very few examine how actual audiences read these messages Parasocial Politics explores how consumers form complex relationships with media texts and characters and how these readings exist in the nexus between real and fictional worlds This collection of empirical studies uses various methodologies including surveys experiments focus groups and mixed methods to analyze how actual consumers interpret the texts and the overt and covert political messages encoded in popular culture

Unnatural Narrative Jan Alber, 2016-03 A talking body part a character that is simultaneously alive and dead a shape changing setting or time travel although impossible in the real world such narrative elements do appear in the storyworlds of novels short stories and plays Impossibilities of narrator character time and space are not only common in today's world of postmodernist literature but can also be found throughout the history of literature Examples include the beast fable the heroic epic the romance the eighteenth century circulation novel the Gothic novel the ghost play the fantasy narrative and the science fiction novel among others Unnatural Narrative looks at the startling and persistent presence of the impossible or the unnatural throughout British and American literary history Layering the lenses of cognitive narratology frame theory and possible worlds theory Unnatural Narrative offers a rigorous and engaging new characterization of the unnatural and what it yields for individual readers as well as literary culture Jan Alber demonstrates compelling interpretations of the unnatural in literature and shows the ways in which such unnatural phenomena become conventional in readers' minds altogether expanding our sense of the imaginable and informing new structures and genres of narrative engagement

The Anachronistic Turn Stephanie Russo, 2023-12-01 The Anachronistic Turn Historical Fiction Drama Film and Television is the first study to investigate the ways in which the creative use of anachronism in historical fictions can allow us to rethink the relationship between past and present Through an examination of literary cinematic and popular texts and practices this book investigates how twenty-first century historical fictions use creative anachronisms as a way of understanding modern issues and anxieties Drawing together a wide range of texts across all forms of historical fiction

novels dramas musicals films and television this book re frames anachronism not as an error but as a deliberate strategy that emphasises the fictionalising tendencies of all forms of historical writing The book achieves this by exploring three core themes the developing trends in the twenty first century for creators of historical fiction to include deliberate anachronisms such as contemporary references music and language the ways in which the deliberate use of anachronism in historical fiction can allow us to rethink the relationship between past and present and the way that contemporary historical fiction uses anachronism to better understand modern issues and anxieties This book will appeal to students and scholars of historical fiction contemporary historical film and television studies and historical theatre studies **How We Stopped the**

Destroyers Andrew Bugenis,2022-11-01 The Destroyers used to be the stuff of legends of myths of bedtime stories told to alien children to scare them into living well They used to be The galaxy is still reeling from the recent incursion of the Destroyers an all too real enemy that more than lives up to their name With another strike looming on the horizon humanity leads the charge to uncover the secrets of subspace a technology in widespread use across the galaxy but truly understood by no one The race is on for the scientific breakthrough that will save the Milky Way Oh and there s also some pirates having an adventure But one thing at a time **Erzählen** Matías Martínez,2017-12-05 Das Erz hlen ist in allen Bereichen der

Gesellschaft unentbehrlich um etwas mitzuteilen um auf andere einzuwirken um Wirklichkeit zu erfassen Seit dem vielberufenen narrative turn werden die faszinierenden Leistungen des Erz hlens intensiv erforscht Das Handbuch enth lt rund f nfzig Beitr ge von Experten aus mehr als zwanzig verschiedenen wissenschaftlichen Disziplinen und bietet erstmals in deutscher Sprache einen breiten berblick ber Medien Funktionen soziale Felder und psychologische Voraussetzungen des Erz hlens von der Malerei bis zu Social Media vom Tradieren bis zum Ratgeben vom Journalismus bis zur Rechtsprechung von der Entwicklung von Erz hlkompetenz bis zu kognitionspsychologischen Aspekten **Nuovo cinema Mancuso**
