Secret Life David M. Jacobs,1993-04-16 Revealing and unsettling interviews with over sixty real life individuals who

claim they were abducted by aliens from the author of *The UFO Controversy in America* In *Secret Life* retired professor David M Jacobs takes us into the private world of those abducted by aliens letting them describe in their own words what it is like to be abducted Based on interviews with sixty individuals and more than 300 independently corroborated accounts *Secret Life* presents the most complete and accurate picture of alien abductions ever compiled Dr Jacobs takes the reader on a minute by minute journey through a typical abduction experience and describes in detail the bizarre physical mental and reproductive procedures that abductees claim have been administered by small alien beings Jacobs draws from these interviews a profoundly unsettling reason behind the abductions aliens are conducting a complex reproductive experiment involving the conception gestation or incubation of human and alien hybrid beings [Science Meets the UFO Enigma](#)

Desmond Bragg, Paul Joslin, 2000 Thousands of well documented reports of strange and baffling events without known causes grouped under the amorphous heading UFOs are sufficient in the authors view to suggest that they merit serious scientific study It is their opinion that a scientific study seriously undertaken would reveal cause effect relationship for some possibly all of the phenomena that constitute the UFO enigma The accumulated evidence for the UFO enigma consists of reports from many parts of the world These reports contain at least nineteen categories of human experiences ranging from simple observations of strange lights to accounts of abductions by strange unknown beings Most reports are from ordinary persons unable to identify a natural cause for what they have observed or experienced Many of these are sufficiently well documented to form the basis for scientific studies The core of the UFO enigma is found in the thousands of challenging reports from highly intelligent knowledgeable persons with sufficient scientific expertise and experience to enable them to make clear distinctions between events with and without known causes These latter reports form the basis of this book s assertion that the UFO enigma can and should be studied scientifically This book is the authors attempt to provide an overview of the UFO enigma as a scientific problem and to suggest sources of information and methods for attempting to solve it **The**
