Understanding The Contemporary Middle East:

Understanding the Contemporary Middle East Jillian Schwedler, 2020 The previous edition of Understanding the Contemporary Middle East was published soon after the Arab uprisings and the authors writing across disciplines captured those moments of possibility Now more than six years later the Middle East is substantially changed with three protracted civil wars several retrenched authoritarian regimes possibly one emerging democracy and social and economic conditions that have been profoundly affected by the new political environment This thoroughly revised and updated edition explores both the impact of recent events in shaping the region and the continuities with established patterns of political economic and social relations The Contemporary Middle East in an Age of Upheaval James L. Gelvin, 2021-05-18 The US invasion of Iraq in 2003 and the Arab uprisings of 2010 11 left indelible imprints on the Middle East Yet these events have not reshaped the region as pundits once predicted With this volume top experts on the region offer wide ranging considerations of the characteristics continuities and discontinuities of the contemporary Middle East addressing topics from international politics to political Islam hip hop to human security This book engages six themes to understand the contemporary Middle East the spread of sectarianism abandonment of principles of state sovereignty the lack of a regional hegemonic power increased Saudi Iranian competition decreased regional attention to the Israel Palestine conflict and fallout from the Arab uprisings as well as offers individual country studies With analysis from historians political scientists sociologists and anthropologists and up to date discussions of the Syrian Civil War impacts of the Trump presidency and the 2020 uprisings in Lebanon Algeria and Sudan this book will be an essential guide for anyone seeking to understand the current state of the region *The Contemporary Middle East* Benjamin Rivlin, Joseph S. Szyliowicz, 1965 *The Contemporary Middle East* Karl Yambert, 2006 This volume of provocative contributions by an impressive array of leading scholars journalists and policy advisors provides a brief and accessible introduction to selected topical issues of the Middle East Academic contributors include Arthur Goldschmidt Jr William Cleveland Colbert Held Shibley Telhami David Lesch David E Long Bernard Reich Samih Farsoun and Phebe Marr among notable others complemented by contributions from former State Department official David Phillips senior journalists Mark Huband and Thomas Lippman and Pulitzer Prize winning reporter Anthony Shadid With an integrative opening essay by honored scholar Arthur Goldschmidt Jr The Contemporary Middle East is an invaluable new core text for courses introducing students to the current Middle East Its strategic pairing of topics Israel and Palestine Iran and Iraq Saudi Arabia and Egypt enhances student comprehension of comparison and context and ensures that students repeatedly re encounter key issues from a variety of perspectives Concise summaries introduce each chapter A new concluding chapter by Shibley Telhami candidly addresses fundamental questions about the United States and the Middle East today in question and answer format Student resources include a Select Bibliography by William Cleveland a Glossary a Brief Biographical Register and a Chronology in addition to numerous maps **Understanding Contemporary Society**

Gary Browning, Abigail Halcli, Frank Webster, 2000-02-11 *Understanding Contemporary Society Theories of the Present* is a comprehensive textbook to guide students through the complexities of social theory today. Over 30 chapters written by an international team of contributors demonstrate clearly the practical applications of social theory in making sense of the modern world. Students are both introduced to the most significant theories and guided through the major social developments which shape our lives. Key features of the book are clearly structured and readable prose, bullet pointed summaries and annotated further reading for each topic, makes complex issues accessible to undergraduates, focuses on relevance and practicality, chapter layout which is ideal for teaching.

Government and Politics of the Contemporary Middle East Tareq Y. Ismael, Jacqueline S. Ismael, 2023-09-18 This exciting new edition of the successful textbook for students of Middle Eastern politics provides a highly relevant and comprehensive introduction to the complexities of a region in constant flux. Combining a thematic framework for examining patterns of politics with individual chapters dedicated to specific countries, the book places the very latest developments and long standing issues within an historical context. This third edition extends its analysis to post 2015 developments in the region as well as expanding the range of pedagogical features on offer. Presenting information in an accessible and inclusive format, the book offers coverage of the historical influence of colonialism and major world powers on the shaping of the modern Middle East. A detailed examination of the legacy of Islam. Analysis of the political and social aspects of Middle Eastern life including alienation between the state and society, poverty and social inequality and ideological crisis and renewal. Case studies on countries in the Fertile Crescent: Iraq, Syria and Lebanon and Israel, Palestine, the Northern Belt, Turkey and Iran and those West and East of the Red Sea, Egypt and the members of the Gulf Cooperation Council. A key introductory text for students of Middle Eastern politics and history at advanced undergraduate and postgraduate levels, this new edition has been extensively updated to also become a timely and significant reference for policy makers and any motivated reader.

Understanding Contemporary Strategy David J. Lonsdale, Thomas M. Kane, 2019-11-20 This textbook provides a comprehensive introduction to modern strategy covering the context, theory and practice of military strategy in all its different forms. Covering all the main issues in the field, the book explores the major themes through a combination of classical and modern strategic theory, history and current practice. It is split into three main sections. The first provides the context for contemporary strategy and includes discussions of the human, technological, intelligence, ethical and grand strategic dimensions. The second part explores the theory and practice of strategy in different geographical domains including land, sea, air, space and cyberspace. The final part engages with three of the most challenging forms of strategy in the contemporary era: nuclear weapons, terrorism and insurgency. This second edition brings the book up to date by including discussions of the rise and fall of the Islamic State of Iraq and Syria (ISIS), the emergence of robotics and artificial intelligence, major events in space and cyberspace and the growing profile of nuclear weapons. Each chapter presents the reader with a succinct summary of the topic, provides a challenging analysis of current

issues and finishes with key points questions for discussion and further reading This book will be essential reading for upper level students of strategic studies war studies military history and international security **Contemporary Middle East** Adel Abdel Ghafar,Brenton Clark,Jessie Moritz,2014-06-16 This lucid and timely volume sheds a sober and thought provoking light on the immense social and political changes that have taken place in the Middle East and North Africa over recent years A range of emerging scholars and established academics at the cutting edge of their fields provide interpretations challenging conventional assumptions relating to governance social placidity the use of social media state driven reform and the role of traditionally marginalised groups in these strategically vital regions This volume offers a strong response to the often misinformed and underdeveloped mainstream conceptions of revolutionary change and reform in the Middle East and North Africa Seeking to recast and re evaluate the paradigms used to interpret change in the Arab Persian and Turkish worlds the chapters in this volume will spark debate and provide much needed clarity to the current issues rocking the Middle East and North Africa Islamic Studies Series Volume 17 *Government and Politics of the Contemporary Middle East* Tareq Y.
