Diversity and Inclusion in Organizations Dianna L. Stone, James H. Dulebohn, Kimberly M. Lukaszewski, 2020-03-01
It is evident that organizations are becoming increasingly diverse because of the growing numbers of ethnic minorities in the U S and the rise in immigration around the world U S Bureau of Census 2019 Some estimates indicate that by 2060 ethnic minorities in the U S will actually make up the majority of the population U S Bureau of Census 2019 and national minority group members will constitute over 14% of the 770 million people in the European Union Worldwide Population Estimates 2017 Thus organizations around the world are faced with numerous challenges associated with attracting motivating and retaining employees who are culturally diverse and we need a better understanding of how to increase the inclusion of diverse group members in organizations This edited book includes twelve cutting edge articles written by subject matter experts on an array of topics including a the influence of multiculturalism on HR practices b factors affecting the success of

corporate women c stereotypes of racial minorities d effect sizes in diversity research e true identities of stigmatized persons f diversity training g LGBTQ issues h age I strategies for creating inclusive climates j the development of measure of reactions to perceived discrimination k racial harassment and l unfair discrimination against immigrants This timely book provides a critical resource for undergraduate and graduate classes in diversity and inclusion in organizations human resource management organizational behavior organizational sociology and industrial and organizational psychology Apart from theories and research on diversity and inclusion the book also considers implications for designing HR policies and processes in organizations Therefore the book is especially relevant for practitioners and human resource professionals because it provides guidance on HR practices that can help organizations attract and retain these new organizational members

Higher Education in the United States James J. F. Forest, Kevin Kinser, 2002-06-21 Surveys the changing landscape of American higher education from academic freedom to virtual universities from campus crime to Pell Grants from the Student Privacy Act to student diversity In the years following World War II college and university enrollment doubled students revolted faculty unionized and community colleges evolved Tuition and technology soared as did the number of first generation minority and women students These changes radically transformed the American system of postsecondary education Today that system is in trouble Its aging professoriate prepares for retirement but low academic salaries can no longer attract the best minds to replace them A flood of corporate dollars funds commercial research but money for basic research the seedbed of American scientific preeminence has dried up Colleges and universities also face heated competition with for profit education providers for students faculty and external financial support along with the costs of providing remedial education to growing numbers of students who are unprepared for postsecondary education Higher Education in the United States provides a comprehensive analysis of these issues and others that scholars and practitioners of higher education study discuss and grapple with on a daily basis

Latino/Hispanic Liaisons and Visions for Human Behavior in the Social Environment Felix G Rivera, 2014-01-02 Add to your knowledge of Latino Hispanic diversity attitudes behaviors and experiences to provide more effective services Latino Hispanic Liaisons and Visions for Human Behavior in the Social Environment dispels pervasive historical and contemporary misconceptions and inaccuracies and highlights the diversity of Latino Hispanic experiences to help you provide more effective services to those clients As editors Torres and Rivera point out Literature on Latinos Hispanics reflects a dysfunctional and myopic cultural view in which they are often depicted in stereotypic characteristics and as a homogenous population In Latino Hispanic Liaisons and Visions for Human Behavior in the Social Environment you ll find chapters examining the social ecology of Mexican American child development caregiver well being among Cuban and Puerto Rican mothers of mentally retarded adults the adjustment process among Cuban refugee families one Southwestern community s efforts to create a multiethnic neighborhood coalition against substance abuse a study of changes related to migration family and work in Caribbean women s lives and much more
