Understanding Families A Global Introduction:

Understanding Families Linda McKie, 2012 Families are at the core of our society Our experience of them affects many aspects of our everyday lives shaping our expectations and future plans Written by field experts this clear engaging book adopts a global perspective to usefully examine how modern families can be explored and understood Packed with critical pedagogy including case studies think points key words and a glossary it guides students through topics such as relationships sexualities and paid and unpaid work The book also Applies key social theories from classical sociological theory and contemporary analysis Examines best practice for researching families and family life Explores the role of government policies and practices This comprehensive introduction to the study of families and relationships is a timely resource for students and lecturers working across the social sciences Publisher's website *Understanding Families* Bert N. Adams, 1995

Understanding Families Linda McKie, Samantha Callan, 2011-12-15 I don't know how often I've wished for an introductory text on family life which encompassed critical contemporary sociological thinking alongside the basic information students need and have only found fossilised thinking on a stodgy subject But now all that has changed McKie and Callan have achieved what I thought was almost impossible in *Understanding Families* a textbook which provides unrivalled foundations for a critical understanding of contemporary families and relationships Carol Smart The Morgan Centre University of Manchester This excellent innovative comprehensive and easy to read text should be essential reading for everyone keen to understand families across the globe It will make an outstanding contribution to family studies and is highly recommended Janet Walker Newcastle University Easy to read text which debates current thinking surrounding modern families Case studies and questions for the reader throughout the text help translate theory into practice Justine Gallagher Northumbria University Families are the core building blocks of society Our experience of them affects many aspects of our everyday lives shaping our expectations and future plans Written by experts in family studies and family policy this clear engaging book adopts a global perspective to usefully examine how modern families can be explored and understood in research policy and practice Packed with critical pedagogy including case studies think points key words and a glossary it guides students through topics such as relationships sexualities and paid and unpaid work continually returning to its central themes of process and structure The book also Applies key social theories to contemporary analysis Examines key studies on researching families and family life Explores the role of government policies and practices This comprehensive introduction to the study of families and relationships is a timely resource for students and lecturers working across the social sciences particularly students of family studies the sociology of the family family policy and social work and the family Linda McKie is Professor of Sociology Glasgow Caledonian University Samantha Callan is based at the Centre for Social Justice They are both affiliated to the Centre for Research on Families and Relationships at the University of Edinburgh

Families in a Global Context Charles B. Hennon, Stephan M. Wilson, 2011-02-14 Learn what trends and factors are

influencing families globally How are families the same or different around the world Families in a Global Context puts the similarities and differences into perspective presenting an in depth comparative analysis of family life in 17 countries around the world Contributors discuss different countries family life by using a standard framework to review major influences and patterns The framework allows readers to do comparative reflection across several countries on a variety of daily living elements including social and economic forces such as urbanization and modernization changes in gender courtship spousal patterns and war This book provides an informative illustration of current as well as future trends of family life worldwide Each chapter in Families in a Global Context describes customary types of family patterns within each country s social organization and culture Important social economic political and other trends are explored in detail and major ethnic religious or other subcultures are noted emphasizing marriage and family patterns that differ from the more typical ones The book is extensively referenced and includes tables to clearly present data Countries explored in Families in a Global Context include European countries of Wales Sweden Germany Romania and Italy African countries of Sierra Leone South Africa and Kenya Middle Eastern countries of Turkey and Iran Asian and Oceanian countries of India China the Philippines and Australia Latin American countries of Brazil Mexico and Cuba Topics discussed for each country in Families in a Global Context include demographics mate selection patterns with an emphasis on the dynamics of couple formation marital roles the place and role of children and parenting in families socialization for gender roles differences in education employment and other opportunities major stressors affecting families coping and adaptation aging and life expectancy issues and much more Families in a Global Context is an insightful resource for researchers educators and advanced undergraduate and graduate students investigating comparative family topics of family life around the world and in cultural context Research Handbook of Global Families Yvonne Kallane,Joanne Mutter,Heidi Collins,2023-10-06 With research into the lives of global families becoming an increasing focus worldwide this Research Handbook is a timely compendium of contemporary scholarship It aptly describes the work family interface delving into the unique dimensions of global family life **Families in Global and Multicultural Perspective** Bron B Ingoldsby,Suzanna D Smith,2006 Publisher description
