Unfinished Journey Yehudi Menuhin, 1978 The autobiography of a renowned violinist who was a child prodigy at the age of seven In a refreshing display of honesty and frankness Menuhin not only tells the story of his own musical development but also voices his opinions of other great musicians and describes his wide range of interests from yoga to the environment

The Power of Practice Kristin Wendland, 2024-01-01 The Power of Practice showcases the pioneering achievements of renowned violinist Yehudi Menuhin 1916-99 and how both disciplines transformed his life and practice Menuhin's contributions as a performer teacher and humanitarian are celebrated around the world Less well known however is Menuhin's devotion to the practice of yoga and his close friendship with the renowned yogi B K S Iyengar 1918-2014 whose guidance profoundly influenced Menuhin as both a musician and a philanthropist Menuhin applied his understanding of Iyengar's teachings to his philosophy of musical practice creating new ways to approach the teaching of violin technique He also took broader lessons from yoga to inform his approach to interacting with the larger world as a cultural ambassador and influential artist Through the lens of the life and work of the celebrated violinist and devoted yogi this book uncovers deep connections between music and yoga It shows how the practice of both disciplines can profoundly transform our world into a better place
