The Universes of God 3: The Chronicles of the Antichrist: The Second Coming of Jesus Christ Tve Stephens, 2015-12-06 The Universes of God 3 The Chronicles of the Antichrist continues the sprawling epic of the Word of God from beginning to end in the vein of Paradise Lost Learn what the future really brings and get a PhD on the Tares their history of scalding evil where they came from and why God hates them so much Who are the Tares that the Lord said are not his children that will not even see Judgment Day that were permanently cursed from umbilical cord to umbilical cord by the Lord in the Garden of Eden Can you identify them or understand how they ve shaped the world for the evil called the One World Order They re the hidden fifth race of mankind Jesus himself warned the world to beware of and of that fact the Christian world remains willful silent Immerse yourself in the horrific war between good and evil that culminates in the second coming of Christ See how the whole world surges deceived as the Elect fight against the forces of darkness as the False Prophet leads the greatest revival the world will ever see You are there with the Angels the good and bad in Heaven and in Hades and throughout the great expanse that s called

the Spirit World This third novel of the quadrilogy will take you from Titus 70 A D to the third Adam deep into the history of the Synagogue of Satan from before the Garden everything in between to their reorganization of evil into a global force to the real Anti Christ to Jesus triumphant return Learn why Jesus said that all the pervasive evil in the world from the death of righteous Abel to the death of Zacharias and untold hundreds of million deaths stem from them for their rock is not our rock Sabbath after Sabbath year after year decade after decade you sit in the pews until you die never learning anything more than after the first year of being in the system listening to the same recycles sermons you know you ve heard before If you ve known there was much more to the bible and God s history than the milk that s constantly offered then this knowledge is for you You will finally understand the Tares God has always hated who blinded the entire world to their existence and the history of deception in which the church was overthrown into a willing collaborator You ll finally understand where all the pervasive evil in this world stems from the real antiquity of mankind the root of the esoteric policies and secret societies that control and mold all populations into financial upheaval and the mad rush to the bottom to be ready now for their father s return the Antichrist And more importantly you ll find you re more than you ve ever thought older than the stars and more precious individually than all the living things of the earth combined And more importantly there s still a powerful someone out there that still loves you endlessly Jesus Christ and His Revelation the Centerpiece of God S Universe Ronald A.
