The Need for Rapid Deployment Is Now James R. Davis,2022-01-24 One of the most misquoted scriptures in the Bible that have given rise to the need for rapid deployment is now is Deuteronomy 32 30 This text has been changed to reflect a momentary burst of enthusiasm motivation and boldness However this text is not a declarative but an interrogative statement It asks a question How can one chase a thousand and two put ten thousand to flight unless their rock had sold them and the Lord had given them up This is a

question that needs an answer I believe Leviticus 26 7 8 will speak to this need of our collective effort working together toward a single goal to enlarge the kingdom of God And you will chase your enemies and they will fall before by the sword Five of you will chase a hundred and a hundred of you will put ten thousand to flight your enemies will fall before you by the sword The need for rapid deployment is now [CSB Tony Evans Study Bible](#) Tony Evans,2019-11-01 The CSB Tony Evans Study Bible includes extensive study notes and other ancillary resources carefully crafted and curated by Dr Tony Evans as General Editor and adapted from his sermons teachings and writings These features are strategically placed alongside the biblical text to explain God s Word in a fresh way Applying these truths will empower readers to have transformed lives that then transfer the values of the kingdom of God to others *Winning the Worry Battle* Barb Roose,2018-04-17 Have you ever tried to fight worry with faith and felt you were losing the battle Have comments like God s got this or Just pray about it only left you feeling more burdened We know we shouldn t worry but the reality is that we all do at times Whether it s personal worries about loved ones and daily circumstances or broader concerns about what s happening in the world we long for something more than platitudes that will help us put real feet to our faith and win the worry battle Many Christians do not have a full understanding of what it means to fight the good fight of faith They try to live by faith but in the face of everyday trials and failures they find themselves disillusioned and discouraged wondering if they have done something wrong or if living by faith only works for others The problem for most is simply a lack of understanding regarding what faith is and how it works This book inspired by the Book of Joshua reviews three steps a person can take to Fight In Faith 1 embrace God s promises 2 steep your heart in courage and 3 act in obedience to God s commands Just as God gave His people victory over their enemies when they fought in faith He promises to do the same for us Following the footprints of bold courageous faith that God gave His people we ll be equipped with tools to bravely fight in faith and overcome both our daily struggles and the bigger battles we all face Through examples of how God gave the Israelites victory over their enemies and generously blessed them too we ll be victorious in our fight of faith so that we not only radically transform our own lives but unequivocally impact society A companion six week Bible study Joshua Winning the Worry Battle is also available for those who would like to dig deeper into the book s topic Study components each available separately include a Participant Workbook with five days of lessons per week Leader Guide and DVD with six 20 25 minute sessions with closed captioning

The Life That Wins Charles G. Trumbull,2003-01-01 Part of the Vital Series Charles Trumbull illustrates through personal experience how a life with Jesus Christ is a life that wins *The Christian Science Journal* ,1916 **The Christian Advocate** ,1906 **The Christian Union** Henry Ward Beecher,1883 **Serving God with Style** Ronald C. Williams,2002-05-01 Every church is driven by its faith in God and seeks to grow that faith by guiding its members toward fruitful ministry But in the face of accelerating change congregations often find themselves spinning their wheels exerting great amounts of energy to little effect the faith is willing but faced with uncertainties the results are weak How can faith be

transformed into productive ministry Ron Williams a recognized expert in ministry organization and development has observed that as individuals better understand their own behavioral tendencies when dealing with uncertainties and exercising their faith styles the more intentional and thus more productive they will be To that end Williams has created the Servant Resource Faith Style Inventory that congregations can use as a tool in training ministry volunteers developing ministry teams educating ministry leaders developing Christ centered work ethic training empowering Christians in the secular workplace and other ministry development interventions Deeply informed by evangelical faith yet useful in a broad variety of ministry settings and traditions the Inventory provides a useful instrument for congregations which have found that other self evaluation tools borrowed from secular sources do not meet the particular needs of Christian churches Dynamic and personal in tone and faith based in the deepest sense Serving God with Style will help every congregation enhance ministry effectiveness for the glory of God
