Winston Churchill and the Art of Leadership William Nester, 2020-09-30 Many indeed are the biographies of Winston Churchill one of the most influential figures of the twentieth century But what was that influence and how did he use it in the furtherance of his and his country's ambitions For the first time Professor William Nestor has delved into the life and actions of Churchill to examine just how skillfully he manipulated events to place him in positions of power His thirst for power stirred political controversy wherever he intruded Those who had to deal directly with him either loved or hated him His enemies condemned him for being an egoist publicity hound double dealer and Machiavellian accusations that his friends and even he himself could not deny He could only serve Britain as a statesman and a reformer because he was a wily politician who won sixteen of twenty one elections that he contested between 1899 and 1955 The House of Commons was Churchill's political temple where he exalted in the speeches and harangues on the floor and the backroom horse trading and camaraderie Most of his life he was a Cassandra warning against the threats of Communism Nazism and nuclear Armageddon With his ability to think beyond mental boxes and connect far flung dots he clearly foretold events to which virtually everyone else was oblivious Yet he was certainly not always right and was at times spectacularly wrong This is the first book that explores how Churchill understood and asserted the art of power mostly through hundreds of his own insights expressed through his speeches and writings

The Course of My Life Edward Heath, 2011-09-28 The Course of My Life is not only the autobiography of one of the most distinguished figures of modern times but a revealing panoply of twentieth century political international and social history Born in 1916 Edward Heath became a Conservative Member of Parliament in 1950 following a glittering Oxford and military career and was at the heart

of political life for a long time as Chief Whip notably during the Suez Crisis Minister of Labour Lord Privy Seal at the Foreign Office Leader of the Conservative Party from 1965 to 1975 and Prime Minister from 1970 to 1974 Since relinquishing the leadership in 1975 he has maintained a central role in world affairs as well as pursuing his wide musical and sailing interests Edward Heath writes his autobiography with complete and often very amusing candour offering us valuable and entertaining insights into the events of the past sixty years He describes the importance of a united Europe one of the driving influences in his life since he observed a Nuremberg Rally as an undergraduate and his continuing thoughts on the subject after he took us into the European Community in the 1970s He discusses the changes in the Conservative Party in his period as an MP and his modernisation of it as its leader and the major issues of domestic policy not least the economy the trade unions and the Troubles in Northern Ireland these are set against his range of activities on the international stage including his negotiations with China and Saddam Hussein shortly before the outbreak of the Gulf War in 1991 Both as a record of a momentous and unequalled career and as an important and frank document of personalities and events *The Course of My Life* is as entertaining as it is revealing *Back to Books* Karen K.
