 change in your life circumstances In due season you will reap your harvest it's time to grow in GRACE you have been in
 kindergarten for too many years God has blessed you to care for children but yet you are still acting as a child when it comes
 to honoring GOD Grow up and honor GOD Give and it shall be given unto you good measure press down shaken together and
 running over Stop Stop looking at your pastor as getting your money it's a seed that you sow to honor GOD It didn't matter
 much where you sow your money when you didn't know any better You've tried everything and anything that came with a
 convincing line telling you to sow your money into this are that and you will win more The instruction didn't come with a defi-
 nite fact that you are going to win it guarantees a chance That's man traditional way of sowing and believing God's way for
 sowing is throughout the Bible GOD's promises are Trust in the Lord with all your heart and lean not on your understanding
 God will direct your path With a path like this any person seeking for new direction can't go wrong with trusting GOD Get the
 rope from around your neck during slavery days people didn't have a choice when the rope was placed around their neck They
 were tied down like cattle bound and sail to sea for some they hung from a tree Today you have a choice Farmer's believe in
 the process of a seed sown A farmer can have only one seed plant the seed and simultaneously have faith that the one seed
 will reproduce after its own kind We should have faith like a farmer If we can just believe that seeds reproduce after its own
 kind and believe as the farmer believes our circumstances will change while going through the process Are you planting

Wise Farmer Rose Anderson, 2020-02-28 This book is all about a Living God who is well aware of all the conditions and
 circumstances in your life He wants to bless you He did His part by going to that painful cross so that you may have life
 abundantly However He gave us a mandate an assignment as to our part of the covenant way back at the beginning of
 Creation It started back in the Garden when He created the heavens and the earth and US all of mankind We both man and
 woman were instructed to steward that is to manage or be a good farmer of the earth and everything in it That includes us
 the people We were made in the image of God Therefore we must learn to nourish and steward our own personal hearts The

heart is to the person as the soil is to the harvest They both need the seed of the Word of God planted and established to receive the wealth of blessings the harvest It seems to me that we as a society have lost our way There has been a disconnect between our land and our hearts It is time for a true revival with flames of pure true love to be ignited and established It starts with each one of us on a personal level My purpose in writing this book for you is to Write the vision that they may run with it that read it This book is a road map for you all written from country life or a farmer s perspective It is an interactive book which needs your participation If you take some time to answer questions at the end of each chapter it will help to stir up the gift and riches within you You may wish to have a notebook or journal close by to actually write out the answers to the questions It will encourage you to do some soul searching The more time you invest in it the more blessings you will receive from it I pray that you will have the courage to embark on this journey with me If so there is a treasure chest of wealth just waiting for you to discover Prepare to connect with your precious heart of hearts
