Wished for you

The Blogger Diaries Book One

A man and a woman are shown in a close, intimate pose on a pool table. The man, on the left, is wearing a dark blue tank top and has a tattoo on his right arm. He is leaning over the woman, who is on the right, wearing a black top. They are both looking at each other with a slight smile. The background is dark, and the pool table's green felt is visible at the bottom.

Time, Space, and Gender in the Nineteenth-Century British Diary R. Steinitz,2011-10-24 Through close examinations of diaries diary publication and diaries in fiction this book explores how the diary s construction of time and space made it an invaluable and effective vehicle for the dominant discourses of the period it also explains how the genre evolved into the feminine emotive private form we continue to privilege today **White House Burning** Simon Johnson,2013-02-12 From the authors of the national bestseller 13 Bankers a chilling account of America s unprecedented debt crisis how it came to pass why it threatens to topple the nation as a superpower and what needs to be done about it With bracing clarity White House Burning explains why the national debt matters to your everyday life Simon Johnson and James Kwak describe how the government has been able to pay off its debt in the past even after the massive deficits incurred as a result of World War II and analyze why this is near impossible today They closely examine among other factors macroeconomic shifts of the 1970s Reaganism and the rise of conservatism and demographic changes that led to the growth of major and extremely popular social insurance programs What is unquestionably clear is how recent financial turmoil exacerbated the debt crisis while creating a political climate in which it is even more difficult to solve **Imagining Mission with John V. Taylor** Jonny Baker,Cathy Ross,2020-08-30 The impact that John V Taylor had on our contemporary understanding of mission is vast his determination that mission should mean engagement across cultural boundaries has deep resonance today In Imagining Mission with John V Taylor leading missional thinkers Jonny Baker and Cathy Ross invite us into a vision of church mission and society which takes John Taylor s ideas seriously seeking to imagine what Taylor s insights might mean for these three areas in our contemporary context The result is a clarion call to the church to take bigger risks and dream bigger dreams
