With an Iron Pen Tal Nitzan, Rachel Tzvia Back, 2009-03-10 A groundbreaking collection of forty two Israeli poetic voices protesting the occupation of the West Bank **Narratives of Dissent** Rachel S. Harris, Ranen Omer-Sherman, 2012-12-17 Students and teachers of Israeli studies will appreciate Narratives of Dissent **Labour's Antisemitism Crisis** David Renton, 2021-08-16 Between 2015 and 2020 the Labour Party was riven by allegations that the party had tolerated antisemitism For the Labour right and some in the media the fact that such allegations could be made was proof of a moral collapse under Jeremy Corbyn's leadership Sections of the left meanwhile sought to resist the accusations by claiming that the numbers of people accused of racism were few that the allegations were an orchestrated attack and that those found guilty were excluded from the party This important book by one of Britain's leading historians of anti fascism gives a more detailed account than any yet published of what went wrong in Labour Renton rejects those on the right who sought to exploit the issue for factional advantage He also criticises those of his comrades on the left who were ignorant about what most British Jews think and demonstrated a willingness to antagonise them This book will appeal to anyone who cares about antisemitism or left wing politics This Will Be Remembered of Her Megan McKenna, 2010-07-15 Examines stories from Scripture of women around the world and of folk traditions for acts of hope courage imagination and compassion amid the challenges of daily life The Nation, 2009 *In the Illuminated Dark* Tuvia Ruebner, 2014 The poetry of Tuvia Ruebner offers us an exquisite and indispensable voice of the twentieth century Personal loss and the historical devastation of the Holocaust inform all of his work Rachel Tzvia Back's translations are beautifully attuned to the Hebrew originals This first ever bilingual edition gives readers in both Hebrew and English access to stunning poetry that insists on shared humanity across all borderlines and divides **Years I Walked at Your Side** Mordechai Geldman, 2018-10-01 The first book length collection in English of this major Israeli poet from At Your Side Years I walked at your side like our prophet Isaiah barefoot naked and bare I will put on no cover until you see me until you recognize an other one person at least and so know yourself as well Mordechai Geldman came of age as a poet in the seventies an auspicious and transformative time in the development of modern Hebrew literature as poets and writers rejected the flowery the hyperbolic and the sentimental and opted instead for a more direct and intimate speech While his early poems tended to rely on linguistic exploration his vision soon turned inward as he came to favor the simple the true the authentic Geldman's poems are direct and accessible touching on and revealing the divine and the sacred in the so called mundane One of the best poets writing in Hebrew today Geldman's poems are multifaceted and multidimensional a compelling intellectual challenge that blends existential sorrow with humorous charm Haaretz One of Geldman's poetic characteristics is the arc of his cultural associations and sensibilities an arc that extends from East to West and is quite rare in the Israeli literary landscape The sensual and cultural richness the fine musicality the originality of observation and the thematic singularity combine to make Geldman's work an important and

beautiful treasure in contemporary Hebrew poetry Rina Litvin Praise for the Hebrew Edition of Years I Walked at Your Side
Geldman's reach is perhaps not surprising for a psychoanalyst confronted professionally and temperamentally with the inner as well as outer manifestations of human experience Readers come away with an impression of the poet as uomo universale a genuinely Renaissance personality conversant with Greek mythology world and Jewish history Chinese culture the fine arts flora and fauna and the expanses of literary imagination Stanley F Chyet and Warren Bargad No Sign of Ceasefire An Anthology of Contemporary Israeli Poetry These are the poems of a wise man incessantly plagued by epistemological questions Yedioth Ahronoth Mordechai Geldman's Years I Walked at Your Side reveals a poet at the height of his creative powers and places him among the great poets of Hebrew poetry His poems are meditative sensual autobiographical and always the sudden splash of color surprising in its simplicity and affecting us deeply Maariv Geldman is one of the very few Hebrew poets who have so boldly embraced the sensual while dealing with the materialistic notions of self and universe TimeOut Linguistically and rhythmically reserved Geldman's poems achieve a fine balance between the emotional and experiencing self and the philosophical metaphysical meanings they invoke Moznaim Reading Geldman's Years I Walked at Your Side allows the reader to follow the great transformations in the work of one of our most important poets Israel Today Geldman creates a complete and coherent poetic universe a kind of laboratory where the self investigates itself its consciousness and its dialectical relationship with the world Geldman's poems are direct and uncompromising taking on the large themes that have been central to philosophy and art from time immemorial Davar Geldman possesses remarkable linguistic and creative abilities His poems exhibit beauty and depth investigating the private self as well as the universal while devoid of all prejudice or preconception The clarity and virtuosity of his language its musicality grant a classicist dimension to his natural nonconformism as he engages the darker corners of human existence Uzi Shavit **J'accuse** Aharon Shabtai, 2003 Explosive poems by an Israeli accusing his country of crimes against humanity
