Teaching Evidence-Based Writing: Fiction Leslie Blauman, 2016-09-19 One in a million Yes that's how rare it is to have so many write about reading strategies so beautifully put to use Each year Leslie Blauman guides her students to become highly skilled at supporting their thinking about texts and in Evidence Based Writing Fiction she shares her win win process Leslie combed the ELA standards and all her favorite books and built a lesson structure you can use in two ways with an entire text or with just the excerpts she's included in the book Addressing Evidence Character Theme Point of View Visuals Words and Structure each section includes Lessons you can use as teacher demonstrations or for guided practice with Best the Test tips on how to authentically teach the skills that show up on exams with the texts you teach Prompt Pages serve as handy references giving students the key questions to ask themselves as they read any text and consider how an author's meaning and structure combine Excerpts to Write About Pages feature carefully selected passages from novels short stories and picture books you already know and love and questions that require students to discover a text's literal and deeper meanings Write About Reading Templates scaffold students to think about a text efficiently by focusing on its critical literary elements or text structure demands and help them rehearse for more extensive responses Writing Tasks invite students to transform their notes into a more developed paragraph or essay with sufficiently challenging tasks geared for grades 6-8 And best of all your students gain a confidence in responding to complex texts and ideas that will serve them well in school on tests and in any situation when they are asked What are you basing that on Show me how you know Powerful Understanding Adrienne Gear, 2018-02-08 Powerful Understanding explores effective ways to build social emotional skills and help students make connections question what they read and reflect on their learning as they develop into stronger readers and learners Lessons based in both strategic and critical thinking revolve around core anchor books that help integrate inquiry into everything you teach from social responsibility to immigration to life cycles This highly readable book includes a wealth of classroom examples and extensive hands on activities designed to help students to think more deeply learn more widely and develop a more powerful understanding of what it means to be a responsible and compassionate person **Teaching Tough Topics** Larry Swartz, 2020-01-15 Teaching Tough Topics shows teachers how to lead students to become caring citizens as they read and respond to quality children's literature It focuses on topics that can be challenging or sensitive yet are significant in order to build understanding of social justice diversity and equity Racism Homophobia Bullying Religious Intolerance Poverty and Physical and Mental Challenges are just some of the themes explored The book is rooted in the belief that by using picture books novels poetry and nonfiction teachers can enrich learning with compassion and empathy as students make connections to texts to others and to the world **A Moral Case for Play in K-12 Schools** Judd Kruger Levingston, 2023-07-21 In A Moral Case for Play The Urgency of Advancing Moral Ecologies of Play in K-12 Schools Levingston argues that schools must make room for character building play because of its essential role in moral

development He utilizes field based research including interviews and observations from hallways classrooms playgrounds and lunchrooms at Catholic Jewish Progressive Quaker single gender and other non sectarian schools Levingston s timely new insights and explanations of the moral ecologies of play build on and intersect with the work of anthropologists fellow educators and education researchers folklorists medical researchers psychologists and STEAM educators This book demonstrates that beyond physical and social play at recess students need to engage in role playing along with language number kinesthetic and imaginative play Offering a new definition of play Levingston s research shows how schools can create unique ecologies that promote moral growth creativity and a sense of community in any academic program
