Satlow, 2014-04-15 Drawing on historical and archaeological research traces the history of the writings of the Bible and how they gradually gained authority until they were considered the sacred word of God *The Books of the Old Testament in Your Palm* Ayuba Mshelia, 2022-11-30 The book is about introductions to the books of the Old Testament of the Bible which is a compendium of God's divine Message to mankind that is uniquely written by forty divinely select people as His spokesmen How many of these forty select men wrote the Tanakh or the Old Testament This synopsis is a guide to the types of questions asked in writing this book Who for example is the author of the Torah or the Pentateuch Are all the books written by one person Or are there others What are the themes and purposes of each book Does the difference in the arrangement and number of books between the original Hebrew Tanakh and our Old Testament make any difference to its being canon or faith What are the books of the kingdoms Why don't you see such titles in the Old Testament What are the themes of some of the poetical books For instance why do good and righteous people suffer and the ungodly prosper Does God care How was the first ancient attempt of a holocaust foiled by Hadassah also known as Esther a beautiful Jewish orphan who became the queen of King Ahasuerus of Persia What happened to the culprit Why was the four hundred year period of the judges the most ungodly and apostate in Israel's history Why was the Davidic covenant threatened by Bathsheba's marriage and Absalom's insurrection What is your take on Daniel's seventy weeks prophecy Dan 9:24 What does the phrase seven weeks and threescores and two weeks mean to you as used in Daniel's prophecy What about A time times and a half Dan 12:7 appearing in Daniel's prophecy What does Ezekiel's vision about the valley of the dry bones coming to life mean to Israel and to you as a believer The Old Testament begins with the story of creation and life but ends in Malachi 4:6 with a divine threat of a curse Are you free from that curse as an individual or still under it These are the many compelling and poignant questions laboriously dealt with in the book **NIV, Storyline Bible** Zondervan, 2019-04-09 A Study Bible that Weaves God's Story Together for an Unraveling World Journey through the interwoven story of the gospel from Genesis to Revelation The NIV Storyline Bible features over 380 articles paired with book introductions that illuminate the interconnected nature of God's inspired Word The content adapted from BibleMesh.com explores major events key characters and the theology of the Bible over seven historical eras Creation Patriarchs Moses Israel After Exile Jesus The Church Book introductions provide a Storyline perspective on how each book relates to the rest of the Bible Over 200 major articles about theological principles characters of the Bible the political and cultural influences on the people of Israel and the Bible's major events Over 180 smaller articles address the same topics as the major articles using an applicational perspective Topical feature indexes Full text of the accurate readable and clear NIV translation Beautiful full color page design Over 200 full color photos graphs and charts Exclusive Zondervan NIV Comfort Print typeface *Ezra & the Law in History and Tradition* Lisbeth S. Fried, 2014-04-23 Discover the real Ezra in this in depth study of the Biblical figure that separates historical facts from

cultural legends The historical Ezra was sent to Jerusalem as an emissary of the Persian monarch What was his task According to the Bible the Persian king sent Ezra to bring the Torah the five books of the Laws of Moses to the Jews Modern scholars have claimed not only that Ezra brought the Torah to Jerusalem but also that he actually wrote it and in so doing Ezra created Judaism Without Ezra they say Judaism would not exist In *Ezra and the Law in History and Tradition* Lisbeth S Fried separates historical fact from biblical legend Drawing on inscriptions from the Achaemenid Empire she presents the historical Ezra in the context of authentic Persian administrative practices and concludes that Ezra the Persian official neither wrote nor edited the Torah nor would he even have known it The origin of Judaism so often associated with Ezra by modern scholars must be sought elsewhere After discussing the historical Ezra Fried examines ancient medieval and modern views of him explaining how each originated and why She relates the stories told about Ezra by medieval Christians to explain why their Greek Old Testament differs from the Hebrew Bible as well as the explanations offered by medieval Samaritans concerning how their Samaritan Bible varies from the one the Jews use Church Fathers as well as medieval Samaritan writers explained the differences by claiming that Ezra falsified the Bible when he rewrote it so that in effect it is not the book that Moses wrote but something else Moslem scholars also maintain that Ezra falsified the Old Testament since Mohammed the last judgment and Heaven and Hell are revealed in it In contrast Jewish Talmudic writers viewed Ezra both as a second Moses and as the prophet Malachi In the process of describing ancient medieval and modern views of Ezra Fried brings out various understandings of God God's law and God's plan for our salvation A responsible yet memorable journey into the life and afterlife of Ezra as a key personality in the history literature and reflection of religious and scholarly communities over the past 2 500 years A worthwhile and informative read Mark J Boda professor of Old Testament McMaster Divinity College professor of theology McMaster University

When the Son of Man Didn't Come Christopher M. Hays, 2016-06-01 The delay of the Parousia the second coming of Christ has vexed Christians since the final decades of the first century This volume offers a critical constructive and interdisciplinary solution to that dilemma The argument is grounded in Christian tradition while remaining fully engaged with the critical insights and methodological approaches of twenty first century scholars The authors argue that the deferral of Christ's prophesied return follows logically from the conditional nature of ancient predictive prophecy Jesus has not come again because God's people have not yet responded sufficiently to Christ's call for holy and godly action God in patient mercy remains committed to cooperating with humans to bring about the consummation of history with Jesus return Collaboratively written by an interdisciplinary and ecumenical team of scholars the argument draws on expertise in biblical studies systematics and historical theology to fuse critical biblical exegesis with a powerful theological paradigm that generates an apophatic and constructive Christian eschatology The authors however have done more than tackle a daunting theological problem as the group traverses issues from higher criticism through doctrine and into liturgy and ethics they present an innovative approach for how to do Christian theology in

Hebrews in Contexts Gabriella Gelardini,Harold Attridge,2016-05-09 Scholars of Hebrews have repeatedly echoed the almost proverbial saying that the book appears to its reader as a Melchizedekian being without genealogy For such scholars the aphorism identified prominent traits of Hebrews its enigma its otherness its marginality Although Franz Overbeck might unintentionally have stimulated such correlations they do not represent what his dictum originally meant Writing during the high noon of historicism in 1880 Overbeck lamented a lack of historical context one that he had deduced on the basis of flawed presuppositions of the ideological frameworks prevalent of his time His assertion made an impact and consequently Hebrews was not only othered within New Testament scholarship its context was neglected and by some even judged as irrelevant altogether Understandably the neglect created a deficit keenly felt by more recent scholarship which has developed a particular interest in Hebrews contexts Hebrews in Contexts edited by Gabriella Gelardini and Harold W Attridge is an expression of this interest It gathers authors who explore extensively on Hebrews relations to other early traditions and texts Jewish Hellenistic and Roman in order to map Hebrews historical cultural and religious identity in greater and perhaps surprising detail *The Dynamics of Biblical Preaching* Jonathan Lamb,2016-09-30 The purpose of our lives is to know the God of the universe who made us and loves us It is this purpose that biblical preaching meets through explaining God s word Biblical preaching centres around proclaiming God s Word and preachers are to be mouthpieces for God as we encounter the living Christ through Scripture Jonathan Lamb illustrates the power of God s Word by focusing our attention on the heart task and purpose of preaching by leading us through Nehemiah 8 1 12 Reworked to benefit from the authors years of experience working alongside indigenous preaching movements around the world this book includes excellent resources for group studies preaching preparation and running a preachers group **The Sabbath as Rest and Hope for the People of God** Guy Prentiss Waters,2022-09-27 A Short Study of the Sabbath from Creation to Consummation When it comes to the Sabbath Christians have different ideas on what it means and how to observe it For many people it is a day to go to church and have fellowship with other believers What they often miss though is that the Sabbath is intricately tied to rest and worship both of which ultimately point to the Lord as our creator and redeemer In this addition to the Short Studies in Biblical Theology series Guy Prentiss Waters offers an introductory study of the Sabbath from the creation of the

world to the consummation of all things when Jesus returns He shows how the Sabbath is observed through the major themes and genres of the Bible creation law prophets Jesus and the apostles and how that applies to our lives today Waters teaches us about the Sabbath s full restoration in the new heavens and the new earth and its continual reminder of the covenant that God has made with his people Written for New Believers and Seasoned Saints Alike Perfect for laypersons pastors college and seminary students and academics Practical Examines how the Sabbath is relevant to the church now as well as how it will be restored in the new heavens and the new earth Short Studies in Biblical Theology Part of a series designed to give readers accessible volumes on God s word **The Art of Preaching Old Testament Narrative** Steven D.

Mathewson,2021-06-15 A veteran pastor with thirty years of experience guides readers through a ten step process to preaching Old Testament narratives from text selection to delivery The first edition received a Christianity Today award of merit and a Preaching magazine Book of the Year award This edition now updated and revised throughout for a new generation includes a new chapter on how to preach Christ from the Old Testament and an exemplary sample sermon from Mathewson Foreword by Haddon W Robinson **Rebuilding a Post-exilic Community** Chingboi Guite Phaipi,2019-09-19 The book of Ezra is generally known for its negative and exclusivist attitude towards the other Others are the cause of dread in one part of the book and in another part they are adversarial Furthermore Ezra commands that foreign wives and their children be sent away Yet the book of Ezra also features an exceptional account of welcome In Rebuilding a Post exilic Community Chingboi Guite Phaipi examines what drives negative attitudes toward the other and argues that beneath the presence of different attitudes toward the other within the book of Ezra lies a coherent foundation That is negative attitudes toward others make sense in light of the community s strong self perception in the book of Ezra
