Seyda, 2024-03-26 The Apostle John tells his readers he has an important message to tell them It is about a person who was already there before the beginning of the world We heard him speak We've seen Him with our own eyes We watched Him and we touched Him He is the Word that gives us life with God This is the message God is completely good and pure He is like light There is nothing dark about Him Amazingly John tells us that one of the things Jesus wanted us to understand is that by loving others we love God Yes we do make mistakes and so do other believers but we are not to hold that against them because just as we were given forgiveness by God's mercy and grace since we are in union with His Son so can they What we are not to do is claim access to this privilege but then live like those in the world Our goal is not just life but eternal life After all we are God's children and no child of God keeps on sinning after they are born again through Jesus the Anointed One Our Father, Our Teacher Christopher J. Reeves, 2022-09-16 From the beginning God created men and women in his own image as the objects of his love His intention has been to father mankind raising us as his children While the intimacy of this relationship was broken through the fall our Father has never stopped loving us His faithful lovingkindness is unchanged And through Jesus we not only see the intimate relationship of Father and Son as the divine pattern but we find ourselves restored as children in his household Through Jesus we can experientially live in relationship with our Father and through the working of the Holy Spirit within affectionately call him our Abba The greatest opportunity is now afforded to us to walk in loving intimacy with our Father as he raises us teaches us his ways and matures within us his divine nature of other centered love Our Father Our Teacher is a biblical exploration of how God is drawing men and women to himself in an experiential relationship of love and learning **Joshua 13-24, Volume 7B** Trent C. Vessels of Wrath, Volume 2 Richard M. Blaylock, 2023-08-24 Hardening hearts Blinding eyes Sending deceitful spirits Crafting vessels of wrath Few will deny that certain biblical passages make claims about God that are difficult to accept But perhaps the most troubling are the verses that describe God as influencing individuals or groups towards wicked behavior for the purpose of condemning them What are readers to do with these texts In *Vessels of Wrath* Richard M. Blaylock tackles the thorny subject of divine reprobating activity DRA Through an exhaustive biblical theological study of the Christian canon's witness Blaylock argues that the Bible does not present DRA as an insignificant or monolithic concept instead the biblical authors showcase both the significance and the complexity of DRA in a variety of ways The book aims to help readers of the Bible to wrestle with the Scriptures so that they might come to better understand its testimony to this mysterious and awesome divine activity
