Words That Describe God In Alphabetical Order:

Praise God First Kimberlee Hutcherson, 2020-06-22 When do you praise God When He has done something grand How about when He s done something you don t understand or agree with Are you praising God for being a Giver and a Taker It is important to recognize God s attributes that please us as well as the ones that don t then offer up praise to Him for all things and in all circumstances Often praise is completely left out of our prayers to God If we follow the example Jesus gave in Matthew 6 9 13 then praise should come first yet finding the words to do this can be challenging This book contains over five hundred praise words to help facilitate a more intimate knowledge of God broadening our ability to praise Him specifically for His attributes This book is a powerful transforming tool to be used in a daily walk with the Father Son and Holy Spirit Choose a word then offer up a first fruit sacrifice of praise to God If it is heartfelt and sincere God will be pleased You will be blessed because of the intimacy this creates When we are praising we are not controlling we are releasing Praise prayer is different because it removes the tendency to give orders to God that sounds something like please fix this change that don t do this give me that Sometimes a defeated tone is present in our prayers sounding like God this is what I want but your will be done which is probably not my will so I m not sure how to pray Praising God first can take away the need to control and the feeling of defeat by releasing it to God focusing entirely on Him and His sovereignty in all circumstances Praise God first That s what we can do God has got the rest Through Him then let us continually offer up a sacrifice of praise to God that is the fruit of lips that give thanks to His name Heb 13 15 *A Categorical, Alphabetical Bible Study Vol. 2* Dr. Terry L. teachers of our time takes readers on a historical and spiritual journey through Judaism *Napkin Theology* Tyler Hansen, Emily Lund, 2023-03-17 Many Christians know that something mysterious and powerful happens on the cross and that it has something to do with salvation They know that God created out of nothing They know that Jesus was both human and divine But what do those various doctrines and concepts have to do with one another This is what Napkin Theology is all about It is an accessible rich introduction to Christian theology illustrated with simple memorable drawings that describe the classic concepts of Christian belief In reading Napkin Theology you can peer into the depths of two thousand years of theology in the length of a CliffsNotes guide This is not Theology for Dummies this is not watered down We explain terms like creatio ex nihilo and eschatology because they contain truths that all Christians and not just seminarians should know Theology is for everyone so let s start drawing God's Triple Threat Greg Carlson, 2010-12 God is destroying the kingdom of darkness God equips and deploys us his saints in this magnificent campaign But the Almighty does not arm us from just a single arsenal of gifts as is commonly supposed Instead he draws from three distinct arsenals abilities leaders and the charismatic gifts The triune God gives triune gifts What are these gifts what are they like and how do they work These three arsenals differ profoundly from one another But the church has not truly discerned this and so a fog of confusion has enveloped the whole subject Confusion brings futility and frustration clarity brings effectiveness and fulfillment Who gives the gifts and to whom When are they given Are the gifts natural supernatural or both Can any Christian operate in any gift Where do the gifts live Can you use them at any time Can you operate in God s gifts at will The answers may surprise you God s Triple Threat An Inquiry into the Spiritual Gifts works carefully step by step to bring clarity to this often confusing subject with exuberant illustrations for application Author Greg Carlson prays that the vision in this book will become a reality in his lifetime So the clock is ticking for you and your church to more fully experience the dynamic of God s threefold gifts **Father-Son God's Word Are One** David Lee Keller, 2024-09-10 And further my son be admonished by these Of making many books there is no end and much study is wearisome to the flesh Let us hear the conclusion of the whole matter Fear God and keep His commandments For this is man s all For God will bring every work into judgment Including every secret thing Whether good or evil Ecclesiastes 12 12 14 To fear God you must first believe there is a God To keep God s commandments you must first have a love to know God s heart and His will for all people Only then with love for God and love for your neighbor will you have a heart to keep God s commandments Place your faith and your trust in the spoken words of the Father Son Many Christians seem to be focused on what they see as a faith requirement for salvation and go no further They don t see a need to love God nor to walk in His ways no need to imitate Christ The Father and Son yearn for a relationship through this life and the next Don t worry about salvation after death pursue a walk with God in the present and do your best to imitate Christ in this life Peace joy and happiness is in the walk with the Creator today In that walk with the Father Son trials will continue to come but now you will have a strong hand at your side And that strong hand will carry you

through this life and the next May you have a love and a joy to please the Creator and the provider of salvation through His Son May you have a faithfulness that comes from the heart
