ships in the night or ghosts briefly haunting the ether space but soon to disappear without a trace It is the nature of the beast called social Internet chatting that you may find someone interesting and then they disappear never to be seen or heard of again with no by your leave refusing to reply to further communications leaving you saying Um it was definitely something I said I had an early impression from what Pen said that she was more experienced on Skype in comparison to me a relative newcomer But why did Pen and I come to seek out one another in the first place I was searching initially for company and solace as I was suffering in a loveless rather cruel relationship Despite my experiences I have always been an optimist eternally inquisitive and open minded a peoples person Setting aside early negative encounters on social sites I have been blessed with a strong belief in the goodness of human nature and a belief in destiny Whether I believed that destiny could be found in such a chance and brief encounter is a moot point I had just come through a long and difficult marriage which had ended de facto and although I had not made the break physically from my ex partner I had signalled my intention to leave and in mind and spirit I had disassociated myself from intimacy or any future plans with this failed relationship So yes in one sense although not consciously acknowledged by myself I was searching for a human being to fill the emotional chasm left by years of mild mental abuse born of being married to an aggressive and sometimes violent alcoholic I was seeking someone who might be sensitive caring supportive loving someone who could be my friend and confidant someone I could trust with my heart a lover that would be my love for always not just temporarily someone that would be my encourager and someone that would share my dreams and let me share hers and most importantly someone that would not betray my emotional trust a big shopping order you might say And in that respect I had already decided to cast my net wider beyond the shores of England and sought an international partner to be my friend I was already familiar with some of the attractive qualities that an Asian woman might bring to a relationship loyalty selflessness spirituality a caring loving and generous nature and rarely abusive of alcohol I was also physically attracted to the Asian look with their dark eyes sultry looks and long dark hair For Pen Skype perhaps offered amongst other things an opportunity to d
