

my vanishing act

when I got sick of the bar
and I sometimes did
I had a place to go:
it was a tall field of grass
an abandoned
graveyard.

I didn't consider this to be a
morbid pastime.

it just seemed to be the best
place to be.

it offered a generous cure to
the vicious hangover.

through the grass I could see
the stones,

many were tilted
at strange angles

against gravity
as though they must
fall

but I never saw one
fall

although there were many of those
in the yard.

it was cool and dark
with a breeze

and I often slept
there.

I was never
bothered.

All the Lost Voices Anthony Morelli, 2004-03-09 *All the Lost Voices* is a first person narrative that vacillates between the narrator's present condition in a Mexico City brothel and his past experiences growing up fast and frightened in the unforgiving landscape of his hometown Paterson New Jersey The parallel story lines are artfully interwoven creating a sometimes furious sometimes apologetic exposition that encompasses not only a glimpse into the current psychosis of the protagonist Tony De Felice but a rearward view of the process that has brought this madness to surface Alcoholism violence thieving murder exile the imprisonment of his father the loss of a fragile youth all are addressed in drunken rants and gentle often philosophical appeals to the reader a tempestuous marriage of form and content offset by unexpectedly funny bits of wisdom and hilarious scenes of youthful indiscretion The novel advances in several directions at once from Nuevo Laredo to Mexico City to Tuxpan in the present tense and from Paterson to Florida to Oregon to any and all points of the American map in the past tense via car train plane and bus Yet in spite of this motion the narrator remains emotionally frozen bound to his past and locked within the parameters of his mind feverishly writing his way towards an elusive understanding of himself
