The Cancer Devotional for Women Dr Kate Adams, 2022-11-15 FINDING GOD IN THE MIDST OF CANCER Are you looking for devotionals to encourage women battling with cancer If you or a loved one is facing cancer you might feel scared anxious and overwhelmed Somehow we forget that life really is fragile and that radical destabilizing news is only a phone call away Like the call from your doctor telling you that the tests don t look good How unsettling to hear that without you knowing about it down deep inside cells have been massing themselves against your body and that if not checked life as you ve known it may be a thing of the past During these times it s important to remember that God hasn t forgotten you This is why we ve collected some powerful Bible verses for cancer patients and their friends and family From Isaiah to the Psalms Scripture is filled with words of encouragement and comfort for every step of the way Fear not for I am with you be not dismayed for I am your God I will strengthen you I will help you I will uphold you with my victorious right hand Isaiah 41 10 Where do you go for peace and comfort in the midst of the turmoil that that kind of news brings to your soul If you have cultivated a growing relationship with God great solace is found in His presence love mercy and grace How good to know that this is the short often nasty world and that because of Jesus the better world is still ahead But even with those thoughts tucked deeply in our hearts we often need to feel that we are not alone that others have gone through these waters before that in their stories we can find hope and confidence to face our own journey with strength For I am sure that neither death nor life nor angels nor principalities nor things present nor things to come nor powers nor height nor depth nor anything else in all creation will be able to separate us from the love of God in Christ Jesus our Lord Romans 8 38 39 This is where we all start but having walked this path I can encourage you You have an opportunity to know the Lord far more intimately than ever before You have a chance to experience His grace beyond measure From now on when you think of the Big C word think CHRIST Christ alone First tell your family Next call a friend You need someone on the outside to walk with you Your family is scared too Get the word out to all your family and friends that you are going to need their prayerful support Ask them to pray that you can find healing peace and comfort You are probably used to being the one whom others depend on Today that has changed One of your first lessons is learning to lean on others The power of the saints praying for you will empower you When you lean on others you are leaning on the Body of Christ You will now see Christ in the flesh of your fellow believers He gives power to
