

YOUTH GANGS

Youth Gangs Youth Gangs

Irving A. Spergel

Youth Gangs Youth Gangs:

Youth Gangs and Community Intervention Robert Chaskin, 2010-03-11 Although a range of program and policy responses to youth gangs exist most are largely based on suppression implemented by the police or other criminal justice agencies Less attention and fewer resources have been directed to prevention and intervention strategies that draw on the participation of community organizations schools and social service agencies in the neighborhoods in which gangs operate Also underemphasized is the importance of integrating such approaches at the local level In this volume leading researchers discuss effective intervention among youth gangs focusing on the ideas behind approaches to and evidence about the effectiveness of community based youth gang interventions Treating community as a crucial unit of analysis and action these essays reorient our understanding of gangs and the measures undertaken to defeat them They emphasize the importance of community both as a context that shapes opportunity and as a resource that promotes positive youth engagement Covering key themes and debates this book explores the role of social capital and collective efficacy in informing youth gang intervention and evaluation the importance of focusing on youth development within the context of community opportunities and pressures and the possibilities of better linking research policy and practice when responding to youth gangs among other critical issues

Studying Youth Gangs James F. Short Jr., Lorine A. Hughes, 2006-05-04 In this absorbing new collection Short and Hughes and their distinguished coauthors investigate why and how we study youth gangs Over the last half century of research by criminologists sociologists and gang experts investigations of gang behavior have become increasingly specialized and isolated from studies of delinquency and deviance The authors challenge popular and inaccurate definitions of gangs vs non gang youth groups and show how the amazing diversity of gangs_both domestic and international_demands more rigorous study This book stimulates thinking about valid methods of defining and interpreting gang behavior in order to better understand delinquent and criminal behaviors and their control It is an ideal text for criminal justice sociology and social work courses and a resource for law enforcement probation and parole practitioners and public defenders

Gangs Scott Cummings, Daniel J. Monti, 1993-03-03 This book is an examination of contemporary gangs in American cities Gangs

have proliferated over the past ten years and pose a new set of challenges to public officials law enforcement agencies and urban educators Most major cities are now confronted with serious problems derived from gang violence drug traffic and disruption of the public educational system In the face of deindustrialization and deepening recession many minority youngsters view gangs as attractive alternatives to a futile search for employment in a deteriorating urban economy Perhaps most significant gangs are now beginning to emerge in small and medium sized cities Some of the nation s leading scientists and scholars have been brought together in this book to examine the contemporary contours of America s gang problem including Daniel J Monti Joan Moore Scott Cummings Howard Pinderhughes Diego Vigil Ray Hutchison Felix Padilla Jerome H Skolnick Pat Jackson and Robert A Destro New material dealing with wilding gangs migration and drug trafficking and public educational disruption appear in this volume Other topics covered include how gangs are organized what social function they serve their relation to conventional society and the social and psychological factors that contribute to their rise The relationship of the contemporary gang problem to past research is explored and a rich variety of case histories and comparative analysis is presented The book also includes a section on public policy

The Youth Gang Problem Irving A. Spergel, 1995 This systematic analysis of the youth gang problem in the USA focuses on current patterns of gang behaviour with reference to historical and cross cultural dimensions The author integrates his own theory and practices with material on research programmes set up to address the problem

YOUTH GANGS Robert J. Franzese, Herbert C. Covey, Scott Menard, 2016-04-11 In the quarter century since the first edition of this book scholarship on gangs in general and especially youth gangs has grown exponentially This massive expansion of the literature on youth gangs especially in the past decade warranted this expanded and updated fourth edition The first chapter has an expanded discussion of definitional issues plus recent data from the National Youth Gang Survey material on the evolving economic nature of gangs and gang use of internet and social media The second chapter continues by examining gang violence and drug involvement and the extent to which they are intercorrelated with new material on victimization of gang members and gang involvement in drug use and sales Chapter 3 focuses on racial and ethnic decadences in gangs and the important role of race and ethnicity on gang membership and gang behavior in the U S The fourth chapter examines female gangs and gang membership and the changes that have taken place in the nature and extent of female gang membership over time The fifth and sixth chapters place contemporary American gangs in the historical and international perspective Chapter 5 includes a new section on youth gangs in the new millennium and Chapter 6 has been reorganized particularly to reflect the burgeoning research on European and other international gangs since the turn of the millennium Chapter 7 has been expanded to include recent developments in the actual and potential application of biosocial psychological and life course developmental theories to gangs Chapter 8 provides a comprehensive multilevel theory of gangs with updates including new propositions and new evidence for both the new and old propositions based on more recent work in theory development and theory testing for

gangs The ninth and tenth chapters revisions focus on legislative and justice system efforts to deter gang crime and membership Chapter 10 also focuses on intervention and assistance programs outside the justice system including discussion of the Gang Resistance Education and Training program The final chapter concludes by considering the future of youth gangs in the U S and elsewhere in light of historical and cross national evidence theory and experience with gang interventions and programs considering more recent developments in those areas and whether they justify any change and for what would be expected of the future of youth gangs

Violence by Youth Gangs and Youth Groups as a Crime Problem in Major American Cities Walter Benson Miller,1976

Street Gangs Catherine H. Conly,1994 Summarizes research and professional criminal justice perspectives on gangs describes some current gang prevention intervention and suppression strategies and presents recommendations for dealing with street gangs at the community level Extensive bibliography

Youth Gangs Irving A. Spergel,1991

The Youth Gangs, Drugs, and Violence Connection James C. Howell,1999

Gangs in America's Communities James C. Howell,Elizabeth Griffiths,2015-03-04

Gangs in America s Communities offers a comprehensive up to date and theoretically grounded approach to gangs and associated youth violence Authors Dr James C Howell and Dr Elizabeth Griffiths introduce readers to the foundations of gang studies through the origins of gangs definitions and categories of youth street gangs transnational as well as prison gangs and the distinctions between these arguably different types national trends in gang presence and gang related violence across American cities distinguishing attributes of serious street gangs and myths and realities Students and instructors will benefit from the Second Edition s comprehensive treatment of the state of the literature on individual level causes and consequences of gang membership Going beyond the traditional topics covered in most texts in the market this book uniquely describes specific gang patterns trends and cultures within a group based structure while illuminating the most promising avenues for reducing the presence and seriousness of gangs in American communities

Youth Gangs in International Perspective Finn-Aage Esbensen,Cheryl L. Maxson,2011-12-14

As a steady source of juvenile delinquents and an incubator for future adult offenders the youth gang has long been a focus of attention from their origins and prevalence to intervention and prevention strategies But while delinquent youth form gangs worldwide youth gang research has generally focused on the U S Youth Gangs in International Perspective provides a needed corrective by offering significant studies from across Europe as well as Trinidad Tobago and Israel The book spans the diversity of the field in the cultural and scholarly traditions represented and methods used analyzing not only the social processes under which gangs operate and cohere but also the evolution of the research base starting with the Eurogang Program s definition of the term youth gang Cross national and gender issues are discussed as are measurement concerns and the possibility that the American conception of the youth gang is impeding European understanding of these groups Among the topics covered Gang dynamics through the lens of social identity theory Defining gangs in youth correctional settings Gang gender composition and youth delinquency From Stockholm a holistic approach to

gang intervention Gang membership as a turning point in the life course The impact of globalization immigration and social process on neo Nazi youth gangs Filling a critical gap in the literature Youth Gangs in International Perspective will find a wide audience among criminologists policymakers specializing in youth crime and researchers and graduate students in criminology political science and youth studies **Gangs in America III** C. Ronald Huff,2001-11-06 As communities face ever growing gang related problems Gangs in America III provides the most up to date information on the diverse perspectives and complex issues that arise in our efforts to understand prevent and control gang violence and crime

Youth Gangs in Schools James C. Howell,2000 **American Youth Gangs at the Millennium** Finn-Aage Esbensen,2004 For generations scholars law enforcement personnel politicians and the media have tried to understand and explain youth gangs and violence This insightful collection contains the work of leading scholars integrating previously published articles with new material to provide the most comprehensive information about the status of American youth gangs The topics are grouped in four sections The first section explores the issues and ramifications of current terminology and survey information In the second section nontraditional gangs such as female gangs and hybrid gangs are discussed The third section attempts to examine gang activities objectively and place them in a proper perspective The final section looks at historical and current response techniques to youth gangs such as suppression prevention and legal injunctions **Violence by Youth Gangs and Youth Groups as a Crime Problem in Major American Cities** Walter Benson Miller,1977

Comparing the Criminal Behavior of Youth Gangs and At-risk Youths C. Ronald Huff,1998 Youth Gangs John G. Cooper,2009 Gang activity and related violence threaten public order in a diverse range of communities in the United States today Congress has long recognised that this problem affects a number of issues of federal concern and federal legislation has been introduced in the 110th Congress to address some aspects of the issue Youth gangs have been an endemic feature of American urban life They are well attested as early as the 18th century and have been a recurrent subject of concern since then Contemporary views of the problem have been formed against the background of a significant adverse secular trend in gang activity during the last four decades In particular the rapid growth of gang membership geographical dispersion and criminal involvement during the violent crime epidemic associated with the emergence of the crack cocaine market during the mid 1980s to the early 1990s have intensified current concerns The experience of those years continues to mark both patterns of gang activity and public policy responses toward them Policy development and implementation in this area are bedevilled by discrepant uses of the term gang and the absence of uniform standards of statistical reporting There are reasons for special care in the use of data on gangs and their activity Without a standardised definition of what is meant by gang such as the age group or activities engaged in by its members or standardised reporting among the state local tribal and federal levels of government it is difficult to target anti gang initiatives and evaluate their effectiveness According to a national gang survey the most recent estimate indicates that there were about 760 000 gang members in 24 000 gangs in the United States

in 2004 This book provides background information on the issue of youth gangs including data on gangs and gang crime It reviews existing anti gang initiatives at the federal state and local levels and describes some of the legislation proposed during the 110th Congress to address the gang problem as well as some of the issues raised by those bills *The Palgrave Handbook of Youth Gangs in the UK* Paul Andell, John Pitts, 2023-02-17 This handbook brings together cutting edge research from key contributors on the rapidly expanding and fast changing field of UK youth gangs It examines the contours of the academic debates describes and explains the origins and evolution of violent street gangs in the UK against a backdrop of globalization and discusses the factors surrounding the emergence of these gangs in each of the four UK nations and some English regions It also examines the relationship between gangs and wider issues relating to gender ethnicity drug distribution and organised crime It critically assesses the potential and limitations of Public Health approaches to gang violence reduction and the government s policy responses to violent street gangs in the UK Providing a broad examination of the latest UK gangs research with international comparisons it is essential reading for undergraduate and post graduate students in criminology sociology social policy and law policy makers at local and central government level and practitioners in the fields of law policing youth work social work housing and workers in dedicated voluntary sector organizations

Youth Gangs James C. Howell, 1998

Enjoying the Melody of Term: An Psychological Symphony within **Youth Gangs Youth Gangs**

In some sort of consumed by monitors and the ceaseless chatter of instantaneous conversation, the melodic splendor and mental symphony produced by the published word usually fade into the background, eclipsed by the persistent sound and disruptions that permeate our lives. But, situated within the pages of **Youth Gangs Youth Gangs** a marvelous literary prize filled with natural thoughts, lies an immersive symphony waiting to be embraced. Crafted by a wonderful musician of language, that captivating masterpiece conducts viewers on a psychological trip, well unraveling the concealed tunes and profound influence resonating within each cautiously crafted phrase. Within the depths of this emotional assessment, we can explore the book is main harmonies, analyze their enthralling publishing style, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

Free-eBooks Youth Gangs Youth Gangs Offers a diverse range of free eBooks across various genres. Youth Gangs Youth Gangs Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Youth Gangs Youth Gangs Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Youth Gangs Youth Gangs, especially related to Youth Gangs Youth Gangs, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Youth Gangs Youth Gangs, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Youth Gangs Youth Gangs books or magazines might include. Look for these in online stores or libraries. Remember that while Youth Gangs Youth Gangs, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Youth Gangs Youth Gangs eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short

stories for free on their websites. While this might not be the Youth Gangs Youth Gangs full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Youth Gangs Youth Gangs eBooks, including some popular titles.

FAQs About Youth Gangs Youth Gangs Books

What is a Youth Gangs Youth Gangs PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Youth Gangs Youth Gangs PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Youth Gangs Youth Gangs PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Youth Gangs Youth Gangs PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Youth Gangs Youth Gangs PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
