Youth Aflame Manual For Discipleship:

Youth Aflame! Winkie Pratney, 2010-06 Winkie Pratney's most popular book ever The principals taught in this manual for discipleship have changed thousands of lives These principals are still as important to living a victorious Christian life and leading others to Christ in victory as they were when the book first appeared in 1967 Youth aflame! : a manual for discipleship Winkie Pratney, 1973 *Youth Aflame* , **Youth Aflame 2. 0 (Instructor's Edition)** Winkie Pratney, 2017-12-16 The INSTRUCTOR S EDITION maintains the same page layout and numbering as the regular print edition but the larger pages permit more side notes to be added Additionally if so desired the book could be debound and placed into a 3 ring binder to permit additional functionality by the user THE CAUSE WHY IS A MANUAL LIKE THIS NEEDED It is evident to the discerning Christian that an undercurrent of deep uneasiness is washing beneath the waters of Christendom today Confusion complacency and compromise mark the average congregation Evangelical churches are rocking from the challenges of rationalism the occult and mass media that has suddenly exposed the young to a global village of other faiths Never before has the Bride of Christ been faced with so much stress within and without It is with concern for an end time work of God that this manual has been formulated Why have we become so complacent What fresh emphasis does the church need to prepare for the vast upheavals she is beginning to face Early believers looked with joy to the return of the Master Today we know the time is even more close at hand They used this truth to generate a converting compassion driving out to reach the lost masses But we have often made it an excuse for complacency Persecution was the womb of the early church Born in the power of the Holy Spirit and the challenge of secularized religions co operating with the political powers of the day it thrived under bitter opposition In an environment of tension and danger the men and women God used to represent Christ to the world bore a faith that flamed Stand beside them in the record the Scriptures that set our pattern They pray because they must They give because they love They speak for they cannot be silent Whenever the Church has prospered materially the black angel of complacency has reaped a deadly harvest Invariably spiritual desolation has followed rampant materialism The flame of dedication has flickered and smouldered and into the vacuum of carnality and compromise the Enemy always floods Whenever the pleas of God for His church to return to first love have been shrugged off or rejected judgment has always struck It has been so in history It will be so again unless we do something NOW What are the needs of this hour Faced with the most momentous time in history blood bought believers must crystalize problems and provide an answer to this hour of our greatest challenge We need help that is Scriptural adaptable adequate and highly practical Above all we need it NOW We can learn much from what has gone before Vital revivals have often come from a re evaluation of the work and the Word of God Such show His purpose patterns and power Many were ignored criticized even violently opposed But they inject new life whenever dared into the veins of diminished dying orthodoxy YOUTH AFLAME 2 0 is written for a future need already becoming present It is directed to half the world still in search of a goal a leader and a cause to give their

lives to The global Youth of Century 21 It is intended to provide answers for reaching the unchurched and untouched It is geared for the confused and the complacent It is given with the prayer that God will use it to grip young people with a cause and a vision that will drive them out to shake their world for the Lord Jesus Christ A vision of YOUTH AFLAME **These Things: A Reference Manual for Discipleship** W.K.
