The Vow Powered Life A Simple Method For Living With Purpose:

The Vow-Powered Life Jan Chozen Bays, 2016-01-19 A vow is like a GPS system for your life When taken on mindfully it can be a source of surprising wisdom and powerful energy enabling you to accomplish things you never dreamed possible It can have profound effects even beyond the original intention and it can even live on after you're gone A vow can be as small as the aspiration to smile at someone at least once every day or it can be as big as marriage it can be as personal as deciding to be mindful whenever you pick up the phone or it can be as universal as a commitment to save all sentient beings But whatever its inspiration when it's done with conscious intention a vow becomes a conduit for the energy of your life In this guide to the vow directed life Jan Chozen Bays provides a wealth of practical exercises to use for formulating and implementing vows of your own and for using them to navigate your life with honesty and compassion *Mindful Eating on the Go* Jan Chozen Bays, 2018-12-24 A compact carry along collection of meditative eating practices to use wherever you happen to be Eating should be a source of joy not a cause of angst stress or calorie counting Jan Chozen Bays's 2009 edition of *Mindful Eating* demonstrated the timeliness of that message in a world where our relationship with food is often negatively charged to the point where eating disorders are epidemic Her approach ties together the latest science with Buddhist mindfulness techniques she's an MD as well as a Zen teacher in a way that's brought amazing results to folks who had no idea eating could be such a fulfilling and fun activity With this little book Jan now makes mindful eating even more accessible providing simple exercises you can use anywhere in a small format you can keep in your pocket or purse to pull out for inspiration wherever you might be any time you want to find a way to reconnect with eating as one of life's great joys

Readings of the Gateless Barrier Jimmy Yu, 2025-01-07 The Gateless Barrier is one of the most cherished yet also one of the most enigmatic Chan or Zen texts of East Asian Buddhism Compiled by the Chinese Chan master Wumen Huikai in 1228 it contains forty eight Zen stories of spiritual awakening called public cases or gong'ans known as k'ans in Japanese and kongans in Korean This book presents a new English translation with close readings and creative analyses of the Gateless Barrier from both scholarly and practitioner perspectives allowing a range of readers to venture into the rich world of Chan and Zen Specialist contributors offer insights on historical context literary structure philosophical implications and gendered dimensions as well as the embodied practice and contemporary experience of the stories in the Gateless Barrier By bringing together academic expertise with experiential insight from Zen teachers this book provides a grounded and nuanced account of how the Gateless Barrier has been and continues to be practiced and lived in China Korea Japan and the West An innovative and sophisticated study this book is ideal for university classroom use and it also makes the Gateless Barrier accessible to other first time readers Buddhist practitioners and scholars *Mindful Eating* Jan Chozen Bays, 2017-11-21 Turn food from foe to friend with this bestselling guide to developing healthy eating habits through mindfulness practices from a beloved Zen teacher Food It should be one of life's great pleasures yet many of us have such a conflicted relationship

with it that we miss out on that most basic of satisfactions But it is possible and not really all that difficult to reclaim the joy of eating according to Dr Jan Bays Mindfulness is the key Her approach involves bringing one s full attention to the process of eating to all the tastes smells thoughts and feelings that arise during a meal She shows you how to Tune into your body s own wisdom about what when and how much to eat Eat less while feeling fully satisfied Identify your habits and patterns with food Develop a more compassionate attitude toward your struggles with eating Discover what you re really hungry for Whether you are overweight suffer from an eating disorder or just want to get more out of life this book offers a simple tool that can transform your relationship with food into one of ease and delight This new edition updated throughout contains a new chapter on how to provide children with a foundation in mindful eating that will serve them well all the rest of their lives It also includes a link to a 75 minute on line audio program of mindful eating exercises led by the author
