Until Christ Is Formed in You Steven L. Porter, 2018-05-01 Because Transformation Is Possible At a popular level Dallas Willard wrote with remarkable clarity about spiritual formation But his writings also addressed academic concerns such as shifts in modern moral philosophy the nature of education and the psychology of the human self *Until Christ Is Formed in You* brings together ten authors who knew Willard well to introduce his wide ranging vision and consider again the overall significance of this one of a kind teacher This collection explores topics including the Beatitudes the relationship of body and soul the kingdom of God discipleship to Jesus the nature of formation and Ignatian spirituality The book begins with a comprehensive overview of Willard s understanding of formation and it concludes with practical applications of this understanding to the disciplines of psychology and counseling *Pastoral Theology in the Baptist Tradition* R. Robert Creech, 2021-10-26 A veteran Baptist pastor and ministry professor offers a distinctive free church vision for pastoral leadership attending to voices from the past four centuries as they speak about the practice of ministry The book contains theological reflection on current ministry issues among Baptists based on biblical and historical foundations and reflects a diversity of Baptist life across time and around the world including many different voices Each chapter contains reflection questions to help readers consider the implications of Baptist thinking *Resisting Jesus* Mateus F. De Campos, 2021-08-04 Very likely the first of the four Gospels to be written Mark presents an intriguing and puzzling portrayal of the disciples with predominantly negative overtones In *Resisting Jesus* Mateus de Campos proposes that the evangelist s characterization should be understood under the rubric of resistance a willful disposition against Jesus self revelatory program and his discipleship prescriptions Utilizing a combination of narrative and intertextual analyses de Campos demonstrates that Mark s portrayal of resistance to Jesus follows a specific plot dynamic that finds its fundamental framework in the Scriptural depiction of YHWH s relationship with Israel The study provides fresh insights into how the evangelist s negative characterization of the disciples fosters a Scripturally informed reflection and admonition concerning the nature of discipleship *Who's who in America* , 2003 **Subject Guide to Books in Print** , 1993
