The Way Of Salvation The Role Of Christian Obedience In Justification:

The Way of Salvation Paul A. Rainbow, 2012-12-01 Martin Luther invented the Reformation slogan sola fide by faith alone which Philipp Melanchthon and John Calvin brandished and defended Most Protestants since their time have swallowed it whole But is evangelical obedience the good works that follow faith and are produced by grace excluded from the basis for justification or otherwise Asserting that there is no more serious question bearing upon the destiny of human beings than how sinners can be justified before a Holy God Paul Rainbow examines current and traditional treatments of faith works and justification marshals a biblical case majoring on the New Testament teaching of Paul and James and offers a series of systematic historical and pastoral reflections

Sinners, Works of Law, and Transgression in Gal 2:14b-21 Nicolai Techow, 2024-01-30 In this study of the flow of thought in Paul's speech to Cephas Gal 2 14b 21 Nicolai Techow explains the passage as a linear and unified argument centered on God's judgment of people in the cross of Christ as integral to justification He argues for a primarily moral religious meaning of sinfulness and works of law

[Back to Faith](#), **For Whom Did Christ Die?** Jarvis J Williams, 2014-07-08 A careful and exegetical reading and examination of the Pauline passages that suggests particular atonement together with a thorough engagement with contemporary scholars on the subject In *For Whom Did Christ Die* Williams argues that according to Paul Jesus died exclusively for the elect to achieve their salvation The book attempts to show that particular atonement is not simply an abstract theological doctrine imposed on the text by theologians and void of a biblical or exegetical foundation but that this doctrine is biblical is Pauline and that particular atonement can be detected in Pauline theology by means of a careful exegetical analysis of the relevant Pauline texts and of the relevant texts in the Old Testament and Second Temple Judaism

Endorsements There is no more important issue in theological study than the meaning of faith in the New Testament The perennial problem of the misunderstanding concerning the nature of faith has produced a variety of theological errors as well as pastoral problems for the church In a day of rampant theological confusion concerning justification by faith the nature of faith is paramount This book provides a penetrating examination through exegetical precision concerning the nature of faith For those who believe in faith alone in Christ alone this book will guide you into an understanding of what faith is and what it is not This is a book that needed to be written and a book that must be read Earl Radmacher ThD President Emeritus Western Seminary Most evangelical Protestants agree that salvation is by faith alone in Christ alone However what they cannot agree on is the meaning of faith Are there different kinds of faith in the Bible Is there saving faith and non saving faith Is faith a matter of the mind or the emotions or the mind emotions and will Is faith active or passive on the part of the believer Is it a gift of God or a work of man All these questions and many more are explored in depth by Chay and Correia They have done a commendable job of dealing with words studies grammatical nuances and debated passages Such a work is long overdue Dave Anderson PhD President and professor of Theology Grace School of Theology President Free Grace Alliance About the Contributor s Fred Chay Th M Ph D is Professor of Theology and Director of the Doctor of Ministry Program at Phoenix Seminary He is the founder and President of Grace Line Ministry John Correia M Div is a Senior Pastor and Adjunct Professor in Phoenix

PINK, 2015-11-30

There was a time not so long ago when the blessed truth of Justification was one of the best known doctrines of the Christian faith when it was regularly expounded by the preachers and when the rank and file of churchgoers were familiar with its leading aspects But now alas a generation has arisen which is well nigh totally ignorant of this precious theme for with very rare exceptions it is no longer given a place in the pulpit nor is scarcely anything written thereon in the religious magazines of our day and in consequence comparatively few understand what the term itself connotes still less are they clear as to the ground on which God justifies the ungodly **The Works of Jonathan Edwards, A.M.** Jonathan Edwards, 1840
