Sulak, 2021-12-04 Spiritual Pioneers Sexual Revolutionaries This is the stranger than fiction story of two soulmates who rejected the status quo and embraced higher ideals and had a whole lot of fun while they were at it Reclaiming Pagan as a spiritual identity and living in an open marriage for over four decades Oberon and Morning Glory Zell truly embody the freedom to think to love and to live Telling the story of their singular lives in this unique oral history Oberon and Morning Glory together with a colorful tribe of friends lovers musicians homesteader researchers and ritualists reveal how they established the Church of All Worlds revitalized Goddess worship discovered the Gaea Thesis raised real Unicorns connected a worldwide community through Green Egg magazine searched for mermaids in the South Pacific and founded the influential Grey School of Wizardry Join Morning Glory and Oberon as they share the highs and lows of their extraordinary lives and explore the role they played in shaping the community of Witches and Pagans that thrives in the world today Now in an expanded two volume Special Edition John C Sulak conducted and edited hundreds of hours of interviews in addition to writing the narration for this oral history John is the co author of Modern Pagans RE Search Publications He lives in San Francisco True Iconoclasts of the Counterculture In the 60s there were flower children there were hippies and then there were Oberon Zell and his soulmate Morning Glory The first people to reclaim the word Pagan to define the profound spiritual identity they helped create Oberon and Morning Glory were true pioneers whose indelible influence on modern society has only been understood by those closest to them until now In *The Wizard and the Witch* the Zell s close friend and associate John Sulak shares the amazing stories of two people along with their far reaching community of friends and lovers who managed to evolve their spirits and their lives in ways never before imagined Without ever compromising their radical ideals Oberon and Morning Glory pushed the boundaries of free speech free religion and freedom of sexual choice The way this book is written and the way each individual that participated in this expresses themselves is beyond beautiful The big aspect

for me in this book was their openness about their sexuality and the unique connections that they form with those they share their lives with I feel that this book expresses Love Sex Body Image and Connection in a great way It s not bastardized by a negative religious view but embraced by this positive inclusive view DeviantWitch Fiction, Invention and Hyper-reality Carole M. *Wizards* P. G. Maxwell-Stuart,2004 From Simon Magus to Merlin Faust to Cornelius Agrippa the Comte de Saint Germain to Aleister Crowley the magician has been both f ted and feared An awesome figure in real life and in literature he has retained his hold on the Western imagination in the teeth of scientific advance P G Maxwell Stuart s history of the wizard from ancient times to the present shows just how extraordinary a character the wizard has proved to be not merely a conjuring trickster or malicious egotist in league with Satan though

there have been plenty of both but also a deeply religious person intent on using magic the better to understand the mind of God     *The Meaning of Witchcraft* Gerald B. Gardner, 2022 Essential for understanding the living history of modern day witchcraft this ground breaking work opened the door for the modern revival of Wicca and neo paganism as the first sympathetic book written from the point of view of a practicing witch According to the author The meaning of witchcraft is to be found not in strange religious theories about God and Satan but in the deepest levels of the human mind the collective unconscious and the earliest developments of human society     **Witches and Wizards** Michael PENFOLD, This remarkable book contains the testimonies of five former witches and wizards Decades of involvement in witchcraft and magick are compressed into this powerful work making it an important not to be missed book With the world wide resurgence of Wicca and the fascination of youth with witchcraft and the occult in general promoted heavily in the media and Hollywood this is an ideal resource to warn against involvement and present a clear gospel message to the reader     *Witchcraft Today* Gerald Brosseau Gardner, 2004 Commemorating its 50th anniversary is an expanded edition of the first Wicca book by the father of the Pagan renaissance     *Magic and Witchery in the Modern West* Shai Feraro, Ethan Doyle White, 2019-08-30 This book marks twenty years since the publication of Professor Ronald Hutton s *The Triumph of the Moon* a major contribution to the historical study of Wicca Building on and celebrating Hutton s pioneering work the chapters in this volume explore a range of modern magical occult and Pagan groups active in Western nations Each contributor is a specialist in the study of modern Paganism and occultism although differ in their embrace of historical anthropological and psychological perspectives Chapters examine not only the history of Wicca the largest and best known form of modern Paganism but also modern Pagan environmentalist and anti nuclear activism the Pagan interpretation of fairy folklore and the contemporary Traditional Witchcraft phenomenon     **The Rebirth of Witchcraft** Doreen Valiente, 2018-01-31 This classic work is now available for the first time in paperback Since 1951 when the last of the Witchcraft Acts was repealed many books have been written about the reappearance of witchcraft and the development of a pagan theology Churchmen have denounced it Sociologists have wondered at it Journalists have penned sensational stories about it But until the publication of this book no one had told the real story of it from the inside as frankly as it is told here Doreen Valiente one of witchcraft s most widely known figures was a close friend of the late Gerald Gardner generally regarded as the founder of present day witchcraft Initiated by him and for a time High Priestess of his coven Doreen Valiente helped him rewrite his seminal *Book of Shadows* She records the break with Gardner that split his coven the controversy surrounding Alex Sanders King of the Witches and memories of many other witches whom she has known including the lady called Dafo Robert Cochrane Leslie Roberts and Sybil Leek Doreen Valiente took part in many witchcraft rituals and had strange psychic experiences as a result Described here are the clairvoyant communications she received purporting to come from John Brakespeare an eighteenth century witch The *Rebirth of Witchcraft* traces the lineage of the present day witchcraft from its forerunners through to modern feminist neo
