The Warren Buffett Way Workbook:

The Warren Buffett Way Robert G. Hagstrom, 2013-09-30 Warren Buffett is the most famous investor of all time and one of today's most admired business leaders. He became a billionaire and investment sage by looking at companies as businesses rather than prices on a stock screen. The first two editions of *The Warren Buffett Way* gave investors their first in-depth look at the innovative investment and business strategies behind Buffett's spectacular success. The new edition updates readers on the latest investments by Buffett. And more importantly, it draws on the new field of behavioral finance to explain how investors can overcome the common obstacles that prevent them from investing like Buffett. New material includes: How to think like a long-term investor just like Buffett. Why loss aversion, the tendency of most investors to overweight the pain of losing money, is one of the biggest obstacles that investors must overcome. Why behaving rationally in the face of the ups and downs of the market has been the key to Buffett's investing success. Analysis of Buffett's recent acquisition of H.J. Heinz and his investment in IBM stock. The greatest challenge to emulating Buffett is not in the selection of the right stocks, Hagstrom writes, but in having the fortitude to stick with sound investments in the face of economic and market uncertainty. The new edition explains the psychological foundations of Buffett's approach, thus giving readers the best roadmap yet for mastering both the principles and behaviors that have made Buffett the greatest investor of our generation. *The Warren Buffett Way Workbook* Robert G. Hagstrom, Russell Rhoads, 2013-09-30 The *Warren Buffett Way Workbook* consists of over 500 questions and answers to help readers of *The Warren Buffett Way* reinforce and cement their knowledge of Buffett's hugely successful investment approach. The Workbook follows *The Warren Buffett Way 3e*, providing a combination of multiple-choice and essay questions for each chapter in the core book. Given the depth and range of questions, a reader who masters the material in the Workbook will be equipped with the knowledge to begin to apply Buffett's methods to his/her own investment portfolio. All answers are provided in the Workbook, including answers to the essay questions. The perfect accompaniment to *The Warren Buffett Way 3e* and *The Warren Buffett Way Video Course*, the Workbook will provide readers with a sure path to begin investing just like Warren Buffett.
