The Wisdom of Ben-Sira (Ecclesiasticus) (Classic Reprint) W. O. E. Oesterley, 2015-07-09 Excerpt from The Wisdom of Ben Sira Ecclesiasticus The object of this series of translations is primarily to furnish students with short cheap and handy text books which it is hoped will facilitate the study of the particular texts in class under competent teachers But it is also hoped that the volumes will be acceptable to the general reader who may be interested in the subjects with which they deal It has been thought advisable as a general rule to restrict the notes and comments to a small compass more especially as in most cases excellent works of a more elaborate character are available Indeed it is much to be desired that these translations may have the effect of inducing readers to study the larger works Our principal aim in a word is to make some difficult texts important for the study of Christian origins more generally accessible in faithful and scholarly translations In most cases these texts are not available in a cheap and handy form In one or two cases texts have been included of books which are available in the official Apocrypha but in every such case reasons exist for putting forth these texts in a new translation with an Introduction in this series About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Schechter, 2015-07-21 Excerpt from The Wisdom of Ben Sira Portions of the Book Ecclesiasticus From Hebrew Manuscripts in the Cairo Genizah Collection Presented to the University of Cambridge by the Editors By a surprising series of discoveries in recent years much of the Hebrew of Ecclesiasticus a book which had been known to the modern world only through Versions and some Rabbinic Quotations has now again been
