Too Tempting To Resist Lords Of Midnight:

Too Tempting to Resist Cara Elliott, 2012-04-24 In the Wolf's Lair Determined to stop her wayward brother from squandering their dwindling fortune Lady Eliza Brentford decides to follow him to his favorite den of depravity There among the candlelight and raucous revelry she encounters her brother's role model in debauchery the notorious Marquess of Haddan Gryffin Dwight Staring into his smoldering green eyes Eliza can't help but find the rakehell nobleman seductively charming and sinfully attractive In a Lover's Paradise When Gryffin appears on Eliza's estate as a guest of her brother a stolen kiss among the garden's blooms leads to a night of unbridled passion Suddenly the lovely widow feels herself opening up like the petals of a rose Could this master of seduction possibly feel true emotion for Eliza Or is he leading her down the garden path to an Eden of delights no woman can resist and a fall no woman can escape Too Tempting to Resist Erica Ridley, 2019-11-13 A second chances witty feel good romance from a New York Times bestselling author When the new heir inherits a castle poor relation Miss Rebecca Bond must wed immediately or be out on her ear The only man she ever loved is summoned to hear the will but their past ended so badly that they haven't spoken in years Yet who better than a heartless rake to teach her how to snare a gentleman who appreciates her charms Daniel Godwin Lord Stonebury regrets nothing more than losing the one woman who treated him like a man not a title Fate has given him the perfect pretext to win her trust even if it means watching her wed someone else But now that she's back in his life he'll do anything to convince her to choose him instead A prior edition was published as *Romancing the Rogue* Passionately Yours Cara Elliott, 2013-01-29 Proper young ladies of the ton especially ones who have very small dowries are not encouraged to have an interest in intellectual pursuits Indeed the only things they are encouraged to pursue are eligible bachelors So the headstrong Sloane sisters must keep their passions a secret Ah but secret passions are wont to lead a lady into trouble *Passionately Yours* With her older sisters both happily married Caro Sloane yearns for a romantic adventure of her own Unfortunately the muddy sulfur scented waters of Bath seem the least likely setting for love or excitement But the aspiring young poet soon finds inspiration when she runs into a familiar and achingly handsome Scottish laird Visiting Bath with his sickly sister Alec McClellan is shocked to be reunited with Caro Sloane He hasn't been able to forget the English beauty since their brief but exhilarating first meeting But Bath is not nearly as serene as it appears and soon Alec must protect Caro from a danger that threatens to extinguish the sparks flying between them Little does he know that a bit of danger is exactly what Caro is looking for **Scandalously Yours** Cara Elliott, 2014-01-07 Proper young ladies of the ton especially ones who have very small dowries are not encouraged to have an interest in intellectual pursuits Indeed the only thing they are encouraged to pursue is an eligible bachelor So the headstrong Sloane sisters must keep their passions a secret Ah but secret passions are wont to lead a lady into trouble The eldest of the three Sloane sisters Olivia is unafraid to question the boundaries of Society even if it does frequently land her in trouble Disdaining the glittery world of balls and courtship Olivia prefers to spend her

time writing fiery political essays under a pseudonym for London's leading newspaper But when her columns attract the attention of the oh so proper Earl of Wrexham Olivia suddenly finds herself dancing on the razor's edge of scandal With the help of her sisters she tries to stay one step ahead of trouble However after a series of madcap misadventures Wrexham a former military hero who is fighting for social reform in Parliament discovers Olivia's secret To her surprise he proposes a temporary alliance to help win passage of his bill Passion flares between them but when a political enemy kidnaps the earl's young son they must make some dangerous decisions and trust that love will conquer all Sinfully Yours Cara

Elliott,2014-02-04 Proper young ladies of the ton especially ones who have very small dowries are not encouraged to have an interest in intellectual pursuits Indeed the only things they are encouraged to pursue are eligible bachelors So the headstrong Sloane sisters must keep their passions a secret Ah but secret passions are wont to lead a lady into trouble After an eventful Season Anna Sloane longs for some peace and quiet to pursue her writing Though her plots might be full of harrowing adventure and heated passion she'd much prefer to leave such exploits on the page rather than experience them in real life Or so she thinks until she encounters the darkly dissolute and gorgeously charming Marquess of Davenport Davenport has a reputation as a notorious rake whose only forte is wanton seduction However the real reason he's a guest at the same remote Scottish castle has nothing to do with Anna until a series of mysterious threats leave him no choice but to turn to her for help in stopping a dangerous conspiracy As desire erupts between them Davenport soon learns he's not the only one using a carefully crafted image to hide his true talents And he's more than ready to show Anna that sometimes reality can be even better than her wildest imaginings **Too Dangerous to Desire** Cara Elliott,2012-11-20 Can a Flame

from the Past be Rekindled Long ago Sophie Lawrance chose prudence over passion rejecting a rebellious young rogue for the sake of her family no matter the ache it left in her heart But after a specter from her father's past resurfaces threatening to destroy all she holds dear the desperate beauty knows there is only one man whose shadowy skills can save her Or Is It Too Dangerous to Play with Fire Cameron Daggett is a man of many secrets and many sins He's never forgotten the pain of losing Sophie But now with a chance to win her back Cameron sets aside his anger and agrees to help Sophie save her father's honor Together they embark on a perilous masquerade leading them to a remote country estate near the sea There they must battle a cunning adversary and their own burning desires Will they be consumed by the flames Or can they prove that true love conquers all *Once Upon a Midnight* Nora Roberts,Jill Gregory,Ruth Ryan Langan,Marianne Willman,2003-09-30
