Making Sense of Heidegger Thomas Sheehan, 2014-11-06 Making Sense of Heidegger presents a radically new reading of Heidegger s notoriously difficult oeuvre Clearly written and rigorously grounded in the whole of Heidegger s writings Thomas Sheehan s latest book argues for the strict unity of Heidegger s thought on the basis of three theses that his work was phenomenological from beginning to the end that being refers to the meaningful presence of things in the world of human concerns and that what makes such intelligibility possible is the existential structure of human being as the thrown open or appropriated clearing Sheehan offers a compelling alternative to the classical paradigm that has dominated Heidegger research over the last half century as well as a valuable retranslation of the key terms in Heidegger s lexicon This important book opens a new path in Heidegger research that will stimulate dialogue not only within Heidegger studies but also with philosophers outside the phenomenological tradition and scholars in theology literary criticism and existential psychiatry

Making of Inside the Wright Brothers in John Passfield, 2006-11 This journal a companion book to the novel Inside the Wright Brothers Flight is Possible is a record of the thoughts that occur to a writer while in the process of writing a novel In recording these thoughts the journal provides an exploration of a number of topics the working out of a pattern in

novel form to reflect the author's conception of the meaning of the Wright Brothers experience a consideration of the achievement of the Wright Brothers as an example of the creative process at work and a step by step record of the writing process which includes the planning writing editing and polishing of a novel about the Wright Brothers In addition the journal presents the challenge of matching form and meaning in the novel genre as a response to the complexities of life and a discussion of the possibilities of the novel as an art form This journal is the seventh in a series of companion books pairing novel and journal which explore the concept of form and meaning in the novel

Managing and Delivering Performance Bernard Marr, 2009 A definitive focused and practically based strategic treatment of performance management issues for senior public sector management and their advisors

Ayn Rand and the World She Made Anne Conover Heller, 2010-10-19 A New York Times Notable Book A Chicago Tribune Favorite Book of the Year A San Francisco Chronicle Best Book of the Year Ayn Rand's books have attracted three generations of readers shaped the Libertarian movement influenced White House economic policies throughout the Reagan years and beyond and inspired the Tea Party movement Yet twenty eight years after her death readers know very little about her life In this seminal biography Anne C Heller traces the controversial author's life from her childhood in Bolshevik Russia to her years as a Hollywood screenwriter the publication of her blockbuster novels and the rise and fall of the cult that worshipped her in the 1950s and 1960s Based on original research in Russia and scores of interviews with Rand's acquaintances and former acolytes Ayn Rand and the World She Made is a comprehensive and eye opening portrait of one of the most significant and improbable figures of the twentieth century
