Future Music ,2006 *Traktor Bible, Second Edition* Rainer G. Haselier,2009-09-17 The Traktor Bible is the practically oriented compendium covering all aspects of digital DJing with Traktor Pro and Traktor Duo The book provides answers to questions that Traktor newbies are faced with and it also covers features that experienced users may struggle with The selection and the weighting of the topics were strongly influenced by research in the Traktor user forum on the Native Instruments website This was to make sure that the issues that prey large on the minds of Traktor users are covered in detail and that useful solutions can be provided The Traktor Bible uses a more practically oriented approach than the official Traktor documentation In the Traktor Bible all information regarding one topic is brought together in one chapter and things are explained from a practical point of view This includes documenting the MIDI commands that are needed for automating the workflow
