Divine direction Jon Courson, **Cloud by Day, Fire Bynight** Cecil Driscoll,1982 **How To Get Divine Direction** Apostle Joshua Selman,2020-12-07 Transformation is a product of replacing your old ideologies with another that is new sustainable and is able to take you to the place God wants you to go It is not enough that we have a prophetic destiny in Christ and it is not even enough that we know that we have a prophetic destiny in Christ We must know how to get there and what it takes to get there and we must commit ourselves This is one of the major problems in the body of Christ We teach a lot about where we are going and where God is taking us and the fact that there are many prophetic things reserved for us and that is not a lie Except for the fact that if believers are not equipped and shown how to leave where they are to that prophetic destiny they will be frustrated with time The Bible says hope that is deferred can make the heart weary Our job in this place is not only to reveal to you that there is a prophetic destiny an agenda in the spirit that there is an intention in the heart of God for the nations and for us as individuals but to guide us through the spiritual principles that will transit and transform us to that place Read this Book and Be Blessed **Divine Guidance** R. B. Thieme,1966 *Divine Direction the Ultimate Guidance* Natasha L. Brown,2017-09-20 Now is the time to empower our youth to gain their spiritual independence Divine Direction is a starting point to help our youth and new believers connect with the power within their divine power Society s programming will have you think we must search the internet or our favorite app or even social media to find our true self When the answer is within The reader will be given foundational truths to who they are and why they are so important to the world Divine Guidance R. B. Thieme,1966 **Seeing and Hearing the Access to Divine Direction** Mike C. Boniface,2019-02 God s divine vision and information is the foundation to our success **Divine Direction** Alex Osei Nketia Asibey,2020-10-16 In this Christian book verses in the Holy Bible are used to explain each topic The book emphasizes the realities of God the father Jesus Christ the Holy Spirit heaven paradise and the soul and how these contrast with Satan demons devils hell paradise and the lake of fire The message of this book is that the only way to go to heaven is sinlessness the only enemy of mankind is Satan and the only problem of mankind is Sin The Experience of Divine Guidance Mark Allan Kaplan,2007 **Divine Direction** Lazer Brody,2022 Divine Direction Made Easy Derby Nuel,2016-12-31 Hearing and understanding and obeying God are keys to succeeding as a son of God on this earth realm God is a spirit to hear him we must develop and keep in touch with our spiritman We are spirits having a human experience But sin worldly lust and noise has made us deaf to breaking news from heaven Hearing clearly from God has become imperative because the enemy knows his time is running out Understanding How God Leads & Guides: The A-Z Guide to Hearing the Voice of God and Following His Divine Purpose for Your Life Kenneth Wolff,2018-10-31 We are faced with unending series of choice in our lives How do I know if I am taking the right step or making the right decision Man at his best mental state is incapable of making reliable and durable decisions He may lay all his cards on the table or weigh his decisions on the scales

of intellectualism events and facts His colleagues may even approve his ideas which Seemeth right by their assessment but The end thereof is the way of death No human effort can match God s direction you need to be divinely directed because misdirection can lead to many years of set back and can even wipe out a man s destiny Jesus said My sheep knows my voice and the voice of a stranger will they not follow So it is expected of you to discern God s voice among other voices and this is what this book entails You will learn The reality of divine direction Why you must be led How God lead you via his word How God lead through the voice of the spirit How you can be led through the witness of the spirit Guidance through vision and dream Guidance through prophecy with practical examples Ten prerequisite of hearing the voice of God How you can train the human spirit to hear God s voice Benefits you will derive from divine direction How you can differentiate the voice of God in the midst of other voices A bonus chapter of ten prayer empowerment that will cause the full manifestation of the Holy Spirit in you I welcome you on board No more wrong step

The Path of Divine Guidance Abdoul A Aikou,Aikou Adeshakin,2025-09-12 The Path of Divine Guidance A Journey Into the Heart of God s Wisdom There is no greater privilege for a human being than to be led by God From the beginning the Creator has desired not only to be worshiped but also to walk with His creation to guide to speak to lead into His will The Path of Divine Guidance is an invitation to rediscover this intimate walk with the Father through the living presence of the Holy Spirit and the perfect example of Jesus Christ This book explores the mystery and beauty of being divinely led not by human calculation or ambition but by the gentle yet unshakable wisdom of Heaven It reveals that true guidance is not a map it is a relationship God does not merely show the way He is the Way Through every page the reader is invited to listen again to the eternal voice that spoke to Abraham in faith that led Israel by the pillar of cloud and fire that directed Jesus step by step in His earthly ministry and that now dwells within us through the Spirit In a world overwhelmed by confusion competing voices and endless opinions The Path of Divine Guidance brings you back to the still center to that inner sanctuary where God speaks in peace and truth It teaches that divine direction is not found in the noise of the world but in the whisper of His Spirit You will discover How Jesus perfectly modeled a life led by the Father doing nothing except what He saw the Father do How the Holy Spirit continues that same ministry today guiding believers into all truth revealing things to come and aligning us with the will of God How obedience opens doors that human intelligence cannot unlock and how surrender leads to supernatural fruitfulness How divine timing discernment and spiritual sensitivity prepare the believer to walk in step with Heaven s rhythm How every believer not just prophets or leaders can experience the personal practical and daily leadership of the Holy Spirit This path is not always easy but it is glorious It is the narrow way that leads to life where every decision becomes a moment of fellowship and every step echoes eternity It is the same path Jesus walked where trust triumphed over fear and divine wisdom conquered human limitation The Path of Divine Guidance reveals that being led by God is not merely about finding answers it is about finding Him It is about becoming one with His mind His will and His heartbeat The reader will come to understand that God s

guidance is not a distant privilege for the spiritual elite it is the birthright of every believer who has received the Spirit of Christ The Holy Spirit is not only a comforter but a Guide a divine Counselor who walks beside us whispers within us and shapes our choices to reflect God's eternal plan As you read you will be drawn into deeper fellowship with the Trinity The Father who ordains the way The Son who is the Way The Holy Spirit who lights the Way within you You will learn to trust His timing when He seems silent to follow His peace when circumstances shake and to rejoice when His plans exceed your understanding You will see that every delay every redirection every closed door can carry divine wisdom for God's guidance is never late never random never wasted Ultimately this book is a spiritual journey from confusion to communion from uncertainty to intimacy It calls every reader to live as Jesus lived in daily fellowship with the Father fully yielded to the Spirit and fully confident in divine direction
