The Intersectional Approach Michele Tracy Berger, Kathleen Guidroz, 2010-01-01 Intersectionality or the consideration of race class and gender is one of the prominent contemporary theoretical contributions made by scholars in the field of women s studies that now broadly extends across the humanities social sciences and natural sciences Taking stock of this transformative paradigm The Intersectional Approach guides new and established researchers to engage in a critical reflection about the broad adoption of intersectionality that constitutes what the editors call a new social literacy for scholars In eighteen essays contributors examine various topics of interest to students and researchers from a feminist perspective as well as through their respective disciplines looking specifically at gender inequalities related to globalization health motherhood sexuality body image and aging Together these essays provide a critical overview of the paradigm highlight new theoretical and methodological advances and make a strong case for the continued use of the intersectional approach both within the borders of women s and gender studies and beyond Contributors Lidia Anchisi Gettysburg College Naomi Andre University of Michigan Jean Ait Belkhir Southern University at New Orleans Michele Tracy Berger University of North Carolina at Chapel Hill Kia Lilly Caldwell University of North Carolina at Chapel Hill Elizabeth R Cole University of Michigan Kimberle Crenshaw University of California Los Angeles Bonnie Thornton Dill University of Maryland Michelle Fine Graduate Center City University of New York Jennifer Fish Old Dominion University Mako Fitts Seattle University Kathleen Guidroz Mount St Mary s University Ivette Guzman Zavala Lebanon Valley College Kaaren Haldeman Durham North Carolina Catherine E Harnois Wake Forest University AnaLouise Keating Texas Woman s University Rachel E Luft University of New Orleans Gary K Perry Seattle University Jennifer Rothchild University of Minnesota Morris Ann Russo DePaul University Natalie J Sabik University of Michigan Jessica Holden Sherwood University of Rhode Island Yvette Taylor University of Newcastle United Kingdom Nira

Yuval Davis University of East London *Digesting Race, Class, and Gender* I. Ken, 2010-12-20 How are the ways that race organizes our lives related to the ways gender and class organize our lives How might these organizing mechanisms conflict or work together In *Digesting Race Class and Gender* Ivy Ken likens race class and gender to foods foods that are produced in fields mixed together in bowls and digested in our social and institutional bodies In the field one food may contaminate another through cross pollination In the mixing bowl each food s original molecular structure changes in the presence of others And within a meal the presence of one food may impede or facilitate the digestion of another At each of these sites the foods of race class and gender are involved in dynamic relationships with each other that have implications for the shape or the taste of our social order **Intersectionality of Race, Ethnicity, Class, and Gender in Teaching and Teacher Education** Norvella P. Carter, Michael Vavrus, 2018-04-16 In *Intersectionality of Race Ethnicity Class and Gender in Teaching and Teacher Education* the editors bring together scholarship that employs an intersectionality approach to conditions that affect public school children teachers and teacher educators Chapter authors use intersectionality to examine group identities not only for their differences and experiences of oppression but also for differences within groups that contribute to conflicts among groups This collection moves beyond single dimension conceptions that undermines legal thinking disciplinary knowledge and social justice Intersectionality in this collection helps complicate static notions of race ethnicity class and gender in education Hence this book stands as an addition to research on educational equity in relation to institutional systems of power and privilege *The Oxford Handbook of the Sociology of Africa* R. Sooryamoorthy, Nene Ernest Khalema, 2023 *The Oxford Handbook of the Sociology of Africa* presents a comparative analysis of sociological thinking in Africa Focusing on examples from Africa this diverse collection presents to a broad readership an accessible comprehensive up to date and topical analysis of sociological thinking in Africa Sociological discourse about African societies has been challenging and difficult due to a lack of both comprehensive analyses and holistic sociological evidence that covers Africa from past to present This Handbook locates African sociological thinking in historical context and takes a critical look at its current manifestations across the continent International Perspectives on Maladministration in Education Eugenie A. Samier, Peter Milley, 2018-04-19 This volume develops a theoretical and critical foundation for understanding maladministration the phenomena of harmful administrative and organisational behaviours in educational systems Chapter authors provide theoretical and practice based perspectives across international contexts regarding common destructive practices that occur in educational organisations such as negligence and mistreatment of people professional dishonesty fraud and embezzlement abuse of power and corrupt organisational cultures *International Perspectives on Maladministration in Education* shines a light on this complex topic by examining various practices at individual group organisational and system levels the contexts and influences that give rise to them and potential remedies to ensure more accountable just and safe institutions The Cnidaria, Past, Present and Future Stefano Goffredo, Zvy Dubinsky, 2016-09-07 This volume presents

a broad panorama of the current status of research of invertebrate animals considered belonging to the phylum Cnidaria such as hydra jellyfish sea anemone and coral In this book the Cnidarians are traced from the Earth s primordial oceans to their response to the warming and acidifying oceans Due to the role of corals in the carbon and calcium cycles various aspects of cnidarian calcification are discussed The relation of the Cnidaria with Mankind is approached in accordance with the Editors philosophy of bridging the artificial schism between science arts and Humanities Cnidarians encounters with humans result in a broad spectrum of medical emergencies that are reviewed The final section of the volume is devoted to the role of Hydra and Medusa in mythology and art Alternative Globalizations S. A. Hamed Hosseini,2009-12-04 This

book explores the formation and transformation of ideas identities and solidarities in the global opposition to the corporate led globalization and its ideological basis neo liberalism **Foundations of Critical Race Theory in Education** Edward Taylor,David Gillborn,Gloria Ladson-Billings,2023-01-30 Critical Race Theory CRT is at the forefront of contemporary discussions about racism and race inequity in education and politics internationally The emergence of CRT marked a pivotal moment in the history of racial politics within the academy and powerfully influenced the broader conversation about race and racism in the United States and beyond Comprised of articles by some of the most prominent scholars in the field this groundbreaking anthology is the first to pull together both the foundational writings and more recent scholarship on the cultural and racial politics of schooling The collection offers a variety of critical perspectives on race analysing the causes consequences and manifestations of race racism and inequity in schooling Unique to this updated edition is a variety of contributions by key CRT scholars published within the last five years including an all new section addressing the war on CRT that followed the murder of George Floyd and international protests in support of BlackLivesMatter Each section concludes with a set of questions and discussion points to further engage with the issues discussed in the readings This revised edition of a landmark publication documents the progress of the CRT movement and acts to further spur developments in education policy critical pedagogy and social justice making it a crucial resource for students and educators alike Confronting the Human Rights Act 1998 Nicolas Kang-Riou,2012-03-15 This book critically examines the Human

Rights Act 1998 HRA and evaluates its impact from a multi disciplinary perspective The book includes both a domestic and international analysis of the effectiveness of the HRA and also considers possible future developments in policy and practise as well as contemplating the potential for a British Bill of Rights The editors have collected pieces from contributors drawn from diverse spheres all of whom are internationally recognised for their impact in the field of human rights law Contributors include members of the bench in the United Kingdom and Australia academics researchers members of NGOs and campaigners as well as people s testimony of lived experiences in relation to the Human Rights Act Valuable contributions from the likes of Costas Douzinas Keith Ewing Helen Fenwick Lady Hale Irene Khan Michael Kirby Francesca Klug Peter Tatchell and others have resulted in a book which draws out the connections between legal framework theory and the actual

Jeanne H. Ballantine,Joan Z. Spade,2011-04-04 Offering a wide array of theoretical perspectives and methods a broad range of resources and both classic and contemporary studies this fully updated Fourth Edition uses the open systems approach to provide readers with a framework for understanding and analyzing the book s disparate topics Edited by Jeanne H Ballantine and Joan Z Spade both of whom actively teach Sociology of Education courses this text includes dozens of readable articles that illustrate major concepts and theoretical perspectives in the field Mapping "Race"

Laura E. Gómez,Nancy López,2013-08-12 Researchers commonly ask subjects to self identify their race from a menu of preestablished options Yet if race is a multidimensional multilevel social construction this has profound methodological implications for the sciences and social sciences Race must inform how we design large scale data collection and how scientists utilize race in the context of specific research questions This landmark collection argues for the recognition of those implications for research and suggests ways in which they may be integrated into future scientific endeavors It concludes on a prescriptive note providing an arsenal of multidisciplinary conceptual and methodological tools for studying race specifically within the context of health inequalities Contributors John A Garcia Arline T Geronimus Laura E G mez Joseph L Graves Jr Janet E Helms Derek Kenji Iwamoto Jonathan Kahn Jay S Kaufman Mai M Kindaichi Simon J Craddock Lee Nancy L pez Ethan H Mereish Matthew Miller Gabriel R Sanchez Aliya Saperstein R Burciaga Valdez Vicki D Ybarra Funny Dostoevsky

Lynn Ellen Patyk,Irina Erman,2024-06-13 Tapping into the emergence of scholarly comedy studies since the 2000s this collection brings new perspectives to bear on the Dostoevskian light side Funny Dostoevksy demonstrates how and why Dostoevsky is one of the most humorous 19th century authors even as he plumbs the depths of the human psyche and the darkest facets of European modernity The authors go beyond the more traditional categories of humor such as satire parody and the carnivalesque to apply unique lenses to their readings of Dostoevsky These include cinematic slapstick and the body in Crime and Punishment the affective turn and hilarious and deadly impatience in Demons and ontological jokes in Notes from Underground and The Idiot The authors coincidentally all women including some of the most established scholars in the field alongside up and comers address gender and the marginalization of comedy culminating in a chapter on Dostoevsky s funny and furious women and explore the intersections of gender and humor in literary and culture studies Funny Dostoevksy applies some of the latest findings on humor and laughter to his writing while comparative chapters bring Dostoevsky s humor into conjunction with other popular works such as Chaplin s Modern Times

and Lin Manuel Miranda's Hamilton Written with a verve and wit that Dostoevsky would appreciate this boldly original volume illuminates how humor and comedy in his works operate as vehicles of deconstruction pleasure play and transcendence *Bernstein Meets Broadway* Carol J. Oja, 2014 With an innovative historical framework Carol J Oja explores the emergence during World War II of Leonard Bernstein Jerome Robbins Betty Comden and Adolph Green At center stage are the mixed race cast of *On the Town* which was their first Broadway show the web of gay relationships surrounding the ballet *Fancy Free* and a nightclub act called *The Revuers* Our Social World Dr Jeanne H Ballantine, Keith A. Roberts, 2011-04-25 The Third Edition of *Our Social World* Introduction to Sociology is truly a coherent textbook that inspires students to develop their sociological imaginations to see the world and personal events from a new perspective and to confront sociological issues on a day to day basis Key Features Offers a strong global focus A global perspective is integrated into each chapter to encourage students to think of global society as a logical extension of their own micro world Illustrates the practical side of sociology Boxes highlight careers and volunteer opportunities for those with a background in sociology as well as policy issues that sociologists influence Encourages critical thinking Provides various research strategies and illustrates concrete examples of the method being used to help students develop a more sophisticated epistemology Presents The Social World Model in each chapter This visually compelling organizing framework opens each chapter and helps students understand the interrelatedness of core concepts New to the Third Edition Thirty new boxed features including the innovative Engaging Sociology and Applied Sociologists at Work features Three substantially reorganised chapters 2 Examining the Social World 3 Society and Culture and 13 Politics and Economics 315 entirely new references and 120 new photos Child Poverty in America Today Barbara A. Arrighi, David J. Maume, 2007-05-30 In a 2004 study by the Annie E Casey Ford and Rockefeller Foundations it was reported that a large number of American families are currently faring poorly in their struggle to provide for themselves Low income and poor families were found to contain one third of all of the children in American working families Low wage jobs without benefits mean that families at or below the poverty line live a precarious existence This four volume set is designed to reveal explicate analyze and assess the effects of an inadequate income on children Each volume contains original essays written by an interdisciplinary roster of contributors The first volume *Children and the State* addresses policy and legislation that affect low income families One issue that is considered in this volume is the lack of a national housing policy in the United States The second volume *Health and Medical Issues* includes discussions on the status of Medicaid the lack of mental health services available for low income families and the difficult to access healthcare for the rural poor Volume three *Families and Children* explores the effects of welfare reform especially the issue of childcare and the increased work expectations of parents Other compelling topics in this volume include low income families and the Family and Medical Leave Act poor children and the internet and the increase in economic insecurity among low income families who increasingly live on credit In the final volume *The Promise of Education*

universal pre kindergarten Head Start and the education of immigrant children are all explored *Spanish Laughter* Antonio Calvo Maturana, 2022-06-10 Presenting a cultural and interdisciplinary study of humor in Spain from the eighteenth century to the present day this book examines how humour entered public life how it attained a legitimacy to communicate serious ideas in the Enlightenment and how this set the seed for the key position that humor occupies in society today Through a range of case studies that run from Goya's paintings humor and gender representations in radio programmes during the first Franco regime developmentalist cinema of the sixties and seventies to the transformation of female humor in social media the book traces the core role that the comical has played in the public sphere The contributors to this volume represent a wide range of disciplines including gender studies humour studies and Hispanic studies and offer international perspectives on Spanish laughter *The Father and the Feminine* Spencer Miles Boersma, 2024-09-12 How should Christians speak of the transcendent yet personal God when our language for persons is almost always gendered Is male imagery such as Father Son or King the only appropriate way Are there ways to talk of God using female gendered metaphors and pronouns And how does the use of such language impact humans as gendered people Moving beyond the extremes in this debate *The Father and the Feminine* seeks to clarify the ways Christians speak about God whether this is by recognizing revelation and Christian tradition upholding God's ineffability using analogies metaphors and narratives referring to God as Father Son and Spirit or by seeking a liberating way of life in community Spencer Miles Boersma argues that male language for God need not be problematic if used and understood correctly but at the same time that it cannot be the exclusive way Christians speak of the Divine The grammar of Christian Scripture and tradition both authorize the use of female language which Christians ought to use in pursuing a deeper relationship with God and others as well as a more authentic view of self
