Koppel, 2023-09-18 Whether singly or jointly authored these essays model dynamic interactive reading of human situations and biblical texts The exchange between texts and human situations reveals the multivalent complexities of both human situations and scriptural texts and cautions against a simplistic use of the Bible and of pastoral theory and practices Drawing upon both texts throughout the Bible and diverse psychological theories the authors bridge the long standing divide between the classical and practical disciplines in biblical studies and pastoral care The aim of this book is to spur readers imaginations toward critical engagement with the Bible and with one another to promote healing connection and justice in a world crying out for wholeness Gems hidden in plain sight within the Bible can become powerful tools for illuminating the pains and promises of the human condition **Innerland** Eberhard Arnold, 1999 A wellspring of remarkable depth Eberhard Arnold s classic work invites readers to respond to the chaos of a society distracted by violence and greed by turning to that inner land of the invisible where our spirit can find the roots of its strength Only there he says will we find the clarity of vision we need to win the daily battle that is life Nature and Time, Volume III Dong In Baek, 2025-04-14 Can theology mend a divided nation In Nature and Time Volume III Baek Dong In invites the reader on a transformative journey that bridges profound theological concepts with the urgent quest for peace on the Korean Peninsula Moving beyond abstract doctrines this book brings the Trinity and the active work of the Holy Spirit into the real world

Moving in the Prophetic Gregory Haslam, 2012-11-20 The gift of prophecy has always invited some degree of opposition and controversy It is one of the most vivid displays of God's presence and power among his people Many people struggle with the very concept of the validity of prophecy today They are troubled by the possibility that God may have direct access to our minds Greg Haslam argues that such concerns are misplaced Following St Paul's injunction that we should be eager to prophesy he considers how God speaks and how we should hear him how we can test and deliver a prophetic word and how we can grow in confidence as we learn to discern what the Spirit is saying to the church

Still Time to Care Greg Johnson, 2021-12-07 Charting the path forward for our churches and ministries in providing care not a cure for our non-straight sisters and brothers who are living lives of costly obedience to Jesus At the start of the gay rights movement in 1969 evangelicalism's leading voices cast a vision for gay people who turn to Jesus It was C. S. Lewis Billy Graham Francis Schaeffer and John Stott who were among the most respected leaders within theologically orthodox Protestantism We see with them a positive pastoral approach toward gay people an approach that viewed homosexuality as a fallen condition experienced by some Christians who needed care more than cure With the birth and rise of the ex-gay movement the focus shifted from care to cure As a result there are an estimated 700,000 people alive today who underwent conversion therapy in the United States alone Many of these patients were treated by faith-based testimony-driven parachurch ministries centered on the ex-gay script Despite the best of intentions the movement ended with very troubling results Yet the ex-gay movement died not because it had the wrong sex ethic It died because it was founded on a practice that diminished the beauty of the gospel Yet even after the closure of the ex-gay umbrella organization Exodus International in 2013 the ex-gay script continues to walk about as the undead among us pressuring people like me to say I used to be gay but I'm not gay anymore Now I'm just same-sex attracted For orthodox Christians the way forward is to take a close look at our history It is time again to focus with our Neo-Evangelical fathers on caring over attempting to cure With warmth and humor as well as original research *Still Time to Care* provides Guidance for the gay person who hears the gospel and finds themselves smitten by the life-giving call of Jesus Guidance for the church to repent of its homophobia and instead offer gospel-motivated love and compassion
