Undiplomatic Activities Richard Woolcott,2009-04-01 International politics is a serious business But as Richard Woolcott shows in these witty reminiscences the diplomatic world has more than its fair share of absurdity and even high comedy Provided by publisher

The East German State and the Catholic Church, 1945-1989 Bernd Schäfer,2010-10 From 1945 to 1989 relations between the communist East German state and the Catholic Church were contentious and sometimes turbulent Drawing on extensive Stasi materials and other government and party archives this study provides the first systematic overview of this complex relationship and offers many new insights into the continuities changes and entanglements of policies and strategies on both sides Previously undiscovered records in church archives contribute to an analysis of regional and sectoral conflicts within the Church and various shades of cooperation between nominal antagonists The volume also explores relations between the GDR and the Vatican and addresses the oft neglected communist church business controversially made in exchange for hard Western currency

Political Influence Operations Darren E. Tromblay,2018-03-05 Russian interference with the 2016 U S elections brought the problem of foreign influence on American politics into sharp relief However externally sponsored subversion of U S decision making has been a shadowy threat to American policy for the better part of a century Political Influence Operations provides an incisive examination of how external actors have infiltrated American society from lobbyists to academia to the media in order to further their own objectives Tromblay draws upon historical examples to demonstrate how U S adversaries and sometimes its ostensible allies have used the openness of American society against the country s best interests By identifying vulnerabilities and exposing the underlying dynamics of foreign influence the book provides a roadmap for U S governmental and private sector entities to navigate the currents of international engagement

Guy Gaunt Anthony Delano,2016-09-23 GUY GAUNT s infiltration of America s leadership changed the course of history When the Great War began he was the British naval attach in Washington beached for recklessness at sea Taking over a network of disaffected immigrants he thwarted all efforts by the powerful German American establishment in the United States to stop America from supporting the Allies The exposure of a sinister German underground showed President Woodrow Wilson that America could not remain neutral The Foreign Office never forgave him for outclassing its fledgling Secret Service Toughened by early life in the turbulent Australian goldfields Guy built a career by playing outside the rules He dodged his way up the ranks of the Royal Navy married for money snatched up a country estate won a seat in Parliament and faked his disappearance to run off with the wife of the King s doctor He was active again in World War II new life new wife but the Whitehall mandarins took a cruel revenge
