Hell Hollow Ronald Kelly,2022-05-12 From out of a shadowy backwoods hollow echoes a dark threat from the past nearly a century lost and forgotten The rural town of Harmony Tennessee possessed a disturbing secret a secret so ancient that most of its residents were completely unaware of it Even the last survivors of a vigilante raid long ago have filed the tragic events of that autumn night away totally unaware of the evil that remains dormant but forever patient among the tall pines and thick leaved kudzu of a place known only as Hell Hollow

There it would have remained unrevealed if not for a handful of unknowing participants Four kids bored for excitement during one of the hottest summers on record A killer on the run dodging his latest atrocity And a rape victim on a deadly mission scarred in both body and mind All have a hand in bringing forth an unspeakable evil from the dark woods of Hell Hollow He is a skeletal figure in top hat and tails brandishing a handful of magical cards and a patented elixir that was brewed in the very depths of Purgatory *Animal* Casey Sherman,2013-04-09 Chronicles the life of the New England assassin a notorious killer whose deal with the FBI resulted in the Witness Protection Program Holding Out For a Hero Mari Manning,2012-06-04 Feisty hot tempered Seneca Simms has a big problem on her hands Two birth certificates and two weeks to figure out which is genuine before her wedding to her admittedly self absorbed fianc Michael She has no time in her tight schedule to deal with the amorous detective she just hired Rudderless and haunted Collin Atlee hides behind a handsome face and a cocky attitude Then he meets a girl who is immune to his charms Solving the mystery behind her birth is the easy part The hard part is stealing her heart without exposing his painful past Sensuality Level Sensual Mari Manning lives in the Chicago area with her husband She is a member of the Romance Writers of America and an active member of its Chicago North Chapter Resistance Jenna Black,2025-10-16 Resistance is the second installment in acclaimed author Jenna Black s YA SF romance series Nate Hayes is a Replica The real Nate was viciously murdered but thanks to Paxco s groundbreaking human replication technology a duplicate was created that holds all of the personality and the memories of the original Or almost all Nate s backup didn t extend to the days preceding his murder leaving him searching for answers about who would kill him and why Now after weeks spent attempting to solve his own murder with the help of his best friend and betrothed Nadia Lake Nate has found the answers he was seeking and he doesn t like what he s discovered The original Nate was killed because he knew a secret that could change everything Thanks to Nadia s quick thinking the two of them hold the cards now or think they do Unfortunately neither of them fully understands just how deep the conspiracy runs At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied One Kill Too Many Jim Miotke,2000-10-13 It was the bodies that were always the problem for Elmer Zakk Long after death his targets could still finger him If he spit on an enemys corpse the DNA would track him down The bullets were just as bad and could point lead fingers right back to his favorite weapons a brace of 9 MM pistols never far from reach He loved those guns and couldnt throw any away The art of forensic science had been sharpened to the point where the long term career potential for a contract killer was becoming bleak Then he had the idea that turned it all around What if the victims simply disappeared in a puff of smoke The germination of his plan came after having a beer with a bio hazardous medical wastes truck driver Zakk was curious about the biohazard emblem on the mans uniform shirt The driver explained that with the AIDS situation any medical process that involved body fluids of any kind required all the collateral material to be incinerated He hauled bags full of materials he didnt ever want to identify and it all ended up as a fine ash byproduct Zakk tracks down the owner of the

waste disposal firm a Mister Eli Aragon He saw that Aragon was not greedy enough to settle for cash so he stalked Aragon's family The two men sit down over drinks after an arranged golf match Zakk starts to describe Aragon's family setting to him just to prove Aragon is vulnerable When the man resists Zakk vows to first kill their dog and then make the young son disappear Aragon capitulates Zakk is given a fake title and now frequently visits Aragon's office He visits to keep tabs on Aragon but also to be near Sally Aragon's attractive assistant Zakk feels that she wants him in spite of her protests At the office Zakk has suspicions about Fred Belmont one of the route drivers Belmont asks too many questions Zakk finds an ideal helper in Thad Stravinski a cashiered medical student working at an animal research lab in an industrial park Thad sports a bright red mop of hair worn in Einstein fashion and stays stoked up on a testosterone overload to the point where he has the morals of a cactus plant He longs to stick anyone anytime Thad has no problem hacking up dead animals or human corpses and putting the chunks in waste disposal bags But Thad also has a secret He cuts the spent rounds from the victims heart and puts them in a test tube with an amputated little finger and a carefully printed label documenting what he knows about the body Zakk's business is in high gear He meets greets and murders a corrupt politician in Tallahassee He is struck by the irony of the man extending his hand for graft payment and receiving a Zakk payment instead His next target is a peacock of a man The kind of man opposite enough from Zakk to make killing him a pleasure Theo Stramboulis is tall dark and polished to a masculine brilliance that has women following his every move But Theo loves cards more than women When he is cheated by Cuban gamblers in Tampa he vows to never pay the debt Zakk gets a contract on the Greek He watches Theos movements to choose the right time and place for the hit He notices the slim young man who is seldom more than a few feet away from his uncle The youth Christo worships the man as he would his dead father The next day Christo can't find his uncle but fears the worst In Orlando a henpecked dentist goes berserk and murders his shrewish wife For the last time the two are nude in the shower while he slices and dices her body to fit into the bio hazardous waste bags The bloody slaughter scene forever scars his psyche as he borders on insanity The killing is unrelated to Zakk except that it signals the start of his downfall

Things are changing in Zakk's life Shadow's Witness Paul S. Kemp, 2011-12-13 Erevis Cale The loyal servant of the Uskevren family has a terrible secret Now when a ruthless evil is unleashed on Selgaunt the butler's ties to the underworld may have put the Uskevren in jeopardy Erevis must finally prove his loyalty to the city and to the Uskevren He won't get a second chance *Saltwater Taffy* Fred Cicetti, 2004 Saltwater Taffy is about first loves It takes place during one summer at the Jersey Shore in the early 1950s when Johnnie Ray cried on jukeboxes you drank Coke from six ounce bottles and lovers used condoms primarily for birth control Saltwater Taffy delineates love affairs that are complicated by cultural and age differences during an ignored time period that short breath between the post war boom and Rock n Roll The setting is once fashionable Essex Beach NJ a community where Victorian mansions built with old money have been converted to summer boarding houses for Italian American families from New York and New Jersey Saltwater Taffy explores how people fall in love
