Feminist Ethics Claudia Card, 1991 Fifteen essays address subjects ranging from the history of feminist ethics to the logic of pluralist feminism and present feminist perspectives on such topics as terrorism bitterness women trusting other women and survival and ethics Paper edition unseen 14 95 Annotation copyrighted by Book News Inc Portland OR

On Feminist Ethics and Politics Claudia Card, 1999 For years mainstream feminist ethics focused criticism on male supremacy Feminist philosophers in this volume adopt a less male focused stance to look closely at oppression's impact on women's agency and on women's relations with women Examining legal social and physical relationships these philosophers confront moral ambiguity moral compromise and complicity in perpetuating oppression Combining personal experience with philosophical inquiry they vividly portray their daily engagement with oppression as both victims and perpetrators They explore such issues as how pornography silences women and radical feminist politics complicity in racism Among these insightful essays Sandra Bartky argues that women share guilt for racism when they benefit from it without protest Susan Brison reflects on uses of narrative in trauma recovery from such experiences as being targeted for rape or murder Joan Callahan examines fallout of derogatory speech directed at lesbians Virginia Held proposes carrying care into marketplaces and governments and in her introduction Claudia Card draws on Primo Levi's conception of gray zones in exploring dangers of character damage to victims of misogyny A fitting companion to Card's highly regarded Feminist Ethics this volume interweaves

observations on character political ethics violence and love into an accessible sourcebook for students It tackles some of feminism s most pressing issues and helps readers to identify and then overcome the real damage caused by oppression

Relke,1992 *Iowa Journal of History and Politics* ,1916 *The Iowa Journal of History and Politics* ,1916 *Women, Feminism, and Aging* Colette Browne,1998 In this volume Dr Browne outlines a new vision for understanding older women and their place in society The author draws together the major themes of feminist writers and thinkers and develops alternatives to the present devaluing of older women reconceptualizing what growing older can mean to women She suggests a number of strategies to improve the lives of older women and ultimately looks to a new epistemology of women and age for a more respectful vision of women and men in the later years The volume s style will appeal to professionals and students in social work and sociology *New Books on Women and Feminism* ,1991 **Women & Politics in Uganda** Aili Mari

Tripp,2000 Uganda has attracted much attention and political visibility for its significant economic recovery after a catastrophic decline In her groundbreaking book Aili Mari Tripp provides extensive data and analysis of patterns of political behavior and institutions by focusing on the unique success of indigenous women s organizations Tripp explores why the women s movement grew so dramatically in such a short time after the National Resistant Movement took over in 1986 Unlike many African countries where organizations and institutions are controlled by a ruling party or regime the Ugandan women s movement gained its momentum by remaining autonomous **Violence Against Women** Pauline B.
