Everything Margaret A. Brucia, 2025-07-08 An intimate portrait of the twentieth century American poet May Swenson 1913-1989 was one of the most important and original poets of the twentieth century *The Key to Everything* is a biography of this experimental American modernist that draws directly from her unpublished diaries and her letters to friends family and colleagues most notably Elizabeth Bishop In 1952 Swenson wrote in her diary I want to confirm my life in a narrative my Lesbianism the hereditary background of my parents grandparents origins in the old country Taking up Swenson's uncompleted autobiographical plan Margaret Brucia tells Swenson's story as much as possible through her own words While chronicling the whole of Swenson's life this book focuses on the period from 1936 to 1959 when she came of age artistically and personally in New York City Against the backdrop of the Great Depression the Federal Writers Project Greenwich Village and the emergence of gay culture Swenson's diaries lay bare her aspirations fears joys and disappointments Readers see the poet and person emerge inextricably entwined as Swenson describes her struggles with poverty anonymity and predatory men her romantic relationships and the people she met the books she read and the work she produced The most detailed and intimate biography of Swenson to date *The Key to Everything* is a unique portrait of a poet who resisted labels throughout her life

*A Cultural History of Rio de Janeiro after 1889* Tom Winterbottom, 2016-08-30 This book studies architecture and literature of Rio de Janeiro the Marvellous City from the revolution of 1889 to the Olympics of 2016 taking the reader on a journey through the history of the city This study offers a wide ranging and thought provoking insight that moves from ruins to Modernism from the past to the future from futebol to fiction and from beach to favela to uncover the surprising feature decadence at the heart of this unique and seemingly timeless urban world An innovative and in depth study of buildings books and characters in the city's modern history this fundamental new work sets the reader in the glorious world of Rio de Janeiro

**Calder: The Conquest of Space** Jed Perl, 2020-04-14 The concluding volume to the first biography of one of the most important influential and beloved twentieth century sculptors and one of the greatest artists in the cultural history of America is a vividly written illuminating account of his triumphant later years The second and final volume of this magnificent biography begins during World War II when Calder known to all as Sandy and his wife Louisa opened their home to a stream of artists and writers in exile from Europe In the postwar decades they divided their time between the United States and France as Calder made his first monumental public sculptures and received blockbuster commissions that included Expo 67 in Montreal and the 1968 Olympics in Mexico City Jed Perl makes clear how Calder's radical sculptural imagination shaped the minimalist and kinetic art movements that emerged in the 1960s And we see as well that through everything their ever expanding friendships with artists and writers of all stripes working to end the war in Vietnam hosting riotous dance parties at their Connecticut home seeing the mobile Calder's essential artistic invention find its way into Webster's dictionary Calder and Louisa remained the risk taking singularly bohemian couple they had been since first meeting at the end of the Roaring Twenties The biography ends with Calder's death in 1976 at the age of seventy eight only

weeks after an encyclopedic retrospective of his work opened at the Whitney Museum in New York but leaves us with a new clearer understanding of his legacy both as an artist and a man

**Ecopoetics and the Global Landscape** Isabel Sobral Campos, 2018-12-27 Ecopoetics and the Global Landscape Critical Essays surveys ecopoetry from a global perspective across different historical epochs Its comparative approach foregrounds the importance of ecopoetics within the context of distinct national literatures and cultures to reveal the ubiquitous intersection of poetry with ecocriticism The collection analyzes environmental problems resulting from the legacies of colonialism and focuses on issues of environmental justice and indigenous issues as well as on the intersection of genocide studies and environmentalism It also examines ecologically informed modes of relating to the world In particular it engages with interactions between the human and nonhuman as well as mind and matter Finally it broadens the scope of place to include both the absent land of exiled peoples and the urban built environment

**American Poetry** David Caplan, 2022

American poetry's two characteristics American English as a poetic resource Convention and idiosyncrasy Auden and Eliot two complicating examples On the present and future of American poetry Elizabeth Bishop's Prosaic Vidyan Ravinthiran, 2015-07-01 Elizabeth Bishop is now recognized as one of the greatest poets of the twentieth century a uniquely cosmopolitan writer with connections to the US Canada Brazil and also the UK given her neglected borrowings from many English authors and her strong influence on modern British verse Yet the dominant biographical psychoanalytical approach leaves her style relatively untouched and it is vital that an increasing focus on archival material does not replace our attention to the writing itself Bishop's verse is often compared with prose sometimes insultingly writing fiction she worried she was really writing poems But what truly is the difference between poetry and prose structurally conceptually historically speaking Is prose simply formalized speech or does it have rhythms of its own Ravinthiran seeks an answer to this question through close analysis of Bishop's prose like verse her literary prose her prose poems and her letter prose This title is a provocation It demands that we reconsider the pejorative quality of the word prosaic playing on mosaic Ravinthiran uses Bishop's thinking about prose to approach for the first time her work in multiple genres as a stylistic whole Elizabeth Bishop's Prosaic is concerned not only with her inimitable style but also larger questions to do with the Anglo American shift from closed to open forms in the twentieth century This study identifies not just borrowings from but rich intertextual relationships with writers as diverse as among others Gerard Manley Hopkins W H Auden Virginia Woolf Flannery O'Connor and Dorothy Richardson Though Bishop criticized Woolf she in particular is treated as a central and thus far neglected precursor crucial to our understanding of Bishop as a feminist poet Finally the sustained discussion of how the history of prose frames effects of rhythm syntax and acoustic texture in both Bishop's prose proper and her prosaic verse extends a body of research which seeks now to treat literature as a form of cognition Technique and thought are finely wedded in Bishop's work her literary forms evince a historical intelligence attuned to questions of power nationality tradition both literary and otherwise race and gender **Modernist Invention** Edward Allen, 2020-07-23 Modernist Invention attends to the parallel histories of media technology and modernist American poetry
