Working for Justice Stephen John Hartnett, Eleanor Novek, Jennifer K. Wood, 2013-06-01 This collection documents the efforts of the Prison Communication Activism Research and Education collective PCARE to put democracy into practice by merging prison education and activism Through life changing programs in a dozen states Arizona Colorado Illinois Indiana Massachusetts Michigan New Jersey Ohio Pennsylvania Texas Virginia and Wisconsin PCARE works with prisoners in prisons and in communities to reclaim justice from the prison industrial complex Based on years of pragmatic activism and engaged teaching the materials in this volume present a sweeping inventory of how communities and individuals both within and outside of prisons are marshaling the arts education and activism to reduce crime and enhance citizenship Documenting hands on case studies that emphasize educational initiatives successful prison based programs and activist oriented analysis Working for Justice provides readers with real world answers based on years of pragmatic activism and engaged teaching Contributors are David Coogan Craig Lee Engstrom Jeralyn Faris Stephen John Hartnett Edward A Hinck Shelly Schaefer Hinck Bryan J McCann Nikki H Nichols Eleanor Novek Brittany L Peterson Jonathan Shailor Rachel A Smith Derrick L Williams Lesley A Withers Jennifer K Wood and Bill Yousman **The Discourse of Special Populations** Ahmet Atay, Diana Trebing, 2017-09-22 The term special population occupies a particular purpose and has a particular role in the discourse of higher education This book uses the term as an umbrella term for any student who tends to be underrepresented on college campuses and has a very specific set of unique needs among others individuals with physical and learning disabilities international students ethnic minorities LGBTQ students single parents and first generation and other non traditional student groups Sometimes these special student groups are visible to educators however quite often they are hidden in plain sight which makes it difficult for educators to work effectively and meaningfully with these student groups This book uses the framework of critical intercultural communication pedagogy to generate a discussion about pedagogical issues surrounding students who are categorized as special populations focusing on culturally sensitive pedagogical methods to educate all students **Communication Research on Expressive Arts and Narrative as Forms of Healing** Kamran Afary, Alice Marianne Fritz, 2020-09-30 Communication Research on Expressive Arts and Narrative as Forms of Healing More than Words examines a number of widely used expressive arts therapies from a communication perspective providing case studies and other qualitative investigations focused specifically on communication aspects of expressive therapies including drama music and dance movement therapies This collection edited by Kamran Afary and Alice Marianne Fritz and authored by contributors with experience as educators artists and licensed therapists integrates communication therapy and pedagogy to explore the role and efficacy of expressive arts therapies Scholars of communication performing arts and mental health will find this book particularly useful along with mental health practitioners and scholars conducting fieldwork **Grading Justice** Kristen C. Blinne, 2021-01-11 In Grading Justice Teacher Activist Approaches to Assessment new and seasoned

teachers are invited to engage with socially just approaches of assessment including practices aimed at resisting and undoing grading and assessment altogether to create more democratic grading practices and policies foregrounding the transformative potential of communication within their courses The contributions in this collection encourage readers to consider not only how educators might assess social justice work in and beyond the classroom but also to imagine what a social justice approach to grading and assessment would mean for intervening into unjust modes of teaching and learning Educators wishing to explore critical modes of grading and assessment grounded in social justice will find this book a timely and relevant pedagogical guide for their teaching and scholarship

Collaborative Performance for Social Justice Tessa Carr, Deanna Shoemaker, 2025-06-02 This engaging book offers a broad spectrum of collaborative and accessible performance based practices that promote social justice within college classrooms rehearsal spaces campus stages and local communities Performance is an inherently collective and embodied endeavor As a form of communication activism performance also serves as a powerful mode of teaching and learning that demands equitable relationships and mutually established group norms that offer all a seat at the table Informed by intersectional feminist and antiracist theories the authors present collaborative performance case studies ranging from interventions into local histories of oppression to creative protests of campus and cultural practices to staged interruptions of social discourses and representational systems that perpetuate structural inequities Illustrating the multiple possibilities of performance the book offers adaptable tools evocative stories and vivid examples from diverse bodies of work This engaged scholarship is committed to honoring multiple forms of knowledge acknowledging and building the capacities of individuals and organizations identifying and developing more spaces for critical dialogue and envisioning and performing a more socially just world This book is essential reading for scholars and practitioners of communication theater performance studies arts based education and social justice activism

Erasing Frankenstein Elizabeth Effinger, 2024-07-23 Who gets to write poetry Whose voices are made public Whose voices are heeded Erasing Frankenstein showcases a creative exchange between federally incarcerated women and members of the prison education think tank Walls to Bridges Collective at the Grand Valley Institution for Women in Kitchener Ontario and graduate and undergraduate students from the University of New Brunswick in Fredericton Working collaboratively by long distance mail the artists and contributors made the first ever poetic adaptation of Frankenstein turning it into a book length erasure poem I or Us An example of found art an erasure poem is created by erasing or blacking out words in an existing text what is left is the poem The title reflects the nature of the project participants have worked as I s each creating their own erased pages but together worked as an us to create a collaged monster of a book Erasing Frankenstein presents the original erasure poem I or Us alongside reflections from participants on the experience

The Mark of Criminality Bryan J. McCann, 2017-06-06 Illustrates the ways that the war on crime became conjoined aesthetically politically and rhetorically with the emergence of gangsta rap as a lucrative and deeply controversial subgenre of hip hop In The Mark of

Criminality Rhetoric Race and Gangsta Rap in the War on Crime Era Bryan J McCann argues that gangsta rap should be viewed as more than a damaging reinforcement of an era's worst racial stereotypes. Rather, he positions the works of key gangsta rap artists as well as the controversies their work produced squarely within the law and order politics and popular culture of the 1980s and 1990s to reveal a profoundly complex period in American history when the meanings of crime and criminality were incredibly unstable. At the center of this era when politicians sought to prove their tough on crime credentials was the mark of criminality, a set of discourses that labeled members of predominantly poor urban and minority communities as threats to the social order. Through their use of the mark of criminality, public figures implemented extremely harsh penal policies that have helped make the United States the world's leading jailer of its adult population. At the same time when politicians like Ronald Reagan, George H. W. Bush, and Bill Clinton, and television shows such as *COPS* and *America's Most Wanted* perpetuated images of gang and drug-filled ghettos, gangsta rap burst out of the hip-hop nation, emanating mainly from the predominantly black neighborhoods of South Central Los Angeles. Groups like N.W.A. and solo artists including Dr. Dre, Snoop Dogg, and Tupac Shakur became millionaires by marketing the very discourses political and cultural leaders used to justify their war on crime. For these artists, the mark of criminality was a source of power, credibility, and revenue. By understanding gangsta rap as a potent if deeply imperfect enactment of the mark of criminality, we can better understand how crime is always a site of struggle over meaning. Furthermore, by underscoring the nimble rhetorical character of criminality, we can learn lessons that may inform efforts to challenge our nation's failed policies of mass incarceration.
