Religion and Spirituality for Diverse Women Thema Bryant-Davis, Asuncion Miteria Austria, Debra M. Kawahara, Diane J. Willis Ph.D., 2014-09-30 This collection of essays considers the role of spirituality and religion in the lives of American women from various ethnic backgrounds showing how faith empowers those in populations often marginalized in the United States Religion and spirituality are sources of strength and resilience for many women particularly ethnically diverse women This thought provoking text examines this psychological trend exploring the specific ways in which women from diverse backgrounds have benefited from their faith traditions the various spiritual pathways they have chosen and the impact of those choices on their lives Essays in this informative compilation show how women from African American Latina American Indian Asian American and Caucasian backgrounds recover from difficulties and traumas with the help of their faith Contributors consider why women are more likely to endorse religious engagement than men why ethnically marginalized women tap into spirituality for comfort more than any other population and why many believers embrace religion as a coping mechanism throughout their lives from adolescence to older adulthood The work suggests ways for counselors leaders and religious figures to utilize this knowledge to bolster the well being of those they serve **Handbook of Community-Based**

Clinical Practice Anita Lightburn, Phebe Sessions, 2005-09-01 This sweeping volume builds the much needed bridge between books on community practice and on clinical practice including 33 chapters written by expert social workers psychologists and psychiatrists specifically for clinicians making the transition to community based work This is the first handbook to specifically address this gap and provide meaningful guidance for today's community practitioners Its overarching goal is to support the ongoing development of community based mental health care drawing on a wealth of practical examples This groundbreaking collection not only outlines the history and philosophy of community practice but richly illustrates the state of the art with examples from early intervention and development programs school based practice and community mental health services for children families and adults Community based clinicians of every stripe will find this handbook indispensable for understanding improving and evaluating their practice while enriching the health and well being of their clients and their communities **Latinos and Criminal Justice** José Luis Morín, 2016-03-28 This unique compilation of essays and entries provides critical insights into the Latino experience with the U S criminal justice system

Concerns about immigration's relationship to crime make accurate information and critical analysis of the utmost importance. *Latinos and Criminal Justice: An Encyclopedia* promotes understanding of Latinas and Latinos and the U.S. criminal justice system at the same time dispelling popular misconceptions about this population and criminal activity in the United States. Unlike a traditional encyclopedia comprised solely of A-Z entries, this work consists of two parts. Part I offers detailed essays on particularly important topics. Part II provides brief A-Z entries. Topics are crossreferenced to enable easy research. Among the wide range of topics covered are policing and police misconduct, incarceration, the war on drugs, gangs, border crime, and racial profiling. Historically important issues and events relative to the Latino experience of criminal justice in the United States are also included, as are key legal cases.
