Young Ministers Training Manual:

A Young Ministers' Training Manual Dayo Brown, 2023-03-15 By divine design God expects every one of his children to end up working for him and serving him by using their God given potentials The problem with this is that many of the brethren lack the proper training and equipping necessary to render quality or reasonable service to God We must realize that not every service attracts a reward from the Lord Rom 12 1 There is a how to serve God It is not just enough to know what you desire to do or why you desire to do it until you know how to do it then no quality work will be done The burden of many Pastors and ministry leaders would be reduced somewhat if only they had a competent well trained and spiritually furnished work force By the leading of the Holy Spirit I have over a period of more than 30 years developed this quality Leadership Training Manual for Church and Ministry workers I have been blessed and privileged to have conducted several Training Seminars and Workshops for leaders in hundreds of churches across the USA Europe Africa and Asia The subjects covered in this manual are designed to be very practical and to prepare a people who are prepared to serve their generation The aim is to equip men for real impact in ministry and to furnish the spirit soul and body ready for qualitative kingdom service More than a mere head knowledge of theology and a paper certificate in the hand this training manual is a hands on drill for excellence in everyday ministry APOSTLE DR DAYO BROWN *Purpose Driven Youth Ministry Training Kit*

A Training Manual for Young People in Ministry Alica Neal, 2018-02-10 Do you have young people in your ministry who have potential but seem to lack ministry etiquette Are you a young person who seeks to better themselves in ministry so that you can be effective and successful In ministry young people are the most often overlooked degraded misunderstood and underestimated It could be due to the extremity of their past mistakes their unorthodox method of conducting ministry within the church or even the reality that some seasoned leaders have become jealous of the potential

and substance that he or she may possess Regardless of the reason this should not be However the young people aren't to blame It's those who are seasoned who dropped the ball along the way by becoming prideful jealous hearted possessive and some full of sin Therefore someone has to teach them that being musically fluent of the hymns of the church being skillful in exegeting a text being knowledgeable about the history of an organization as well as the doctrine of the denomination doesn't make you qualified in ministry Instead all that means is that they've merely mastered the art of ministry gained charisma and made a few friends So someone has to stand in the gap and let it be known that the heart of ministry is more important than the art of ministry will ever be With that being said in this book we will discuss how youth in ministry should conduct themselves as far as their character outside of the four walls of the church the importance of respecting leadership embracing the proper calling the meaning of servitude and more
