Costantino,2022-11-25 Who is in is for all spiritual seekers who encounter the basic questions of identity Who am I Who is in or What is the nature of I Using the Zen Buddhist koan a paradox to be meditated upon Who is in as a door to discovering the true self and pure subjectivity this book provides examples and understandings techniques and invitations to experiment with self inquiry **Generation Panic** Agi Heale,2021-05-28 This book is a gem It is accessible practical and embodies the empathy that is truly therapeutic Dr David Pendleton Professor in Leadership Henley Business School Feeling anxious and on the back foot No idea where or how to start getting relief Anxiety making you feel overwhelmed and alone In bite sized chapters Generation Panic is a simple easy to follow guide that teaches you to take back control and combat your anxiety With its dip in and out format Generation Panic is ideal for busy professionals in their twenties and thirties who are not feeling themselves are out of control and are struggling to manage their anxiety From setting boundaries to using the 7 7 breathing method Generation Panic sets out over 100 quick techniques Start learning all the tools and techniques you need to get back on track and start living a fulfilled happy and panic free life again *Questioning Spirituality* Eldon Taylor, Ph.D,2023-03-31 A pragmatic case for the rational viability of a spiritual belief in a higher power Taylor makes a compelling case that the scientific worldview one that sees humans as meat machines is inconsistent with people s experiences of themselves and is not nearly as rationally superior as it is so often presented This alone makes the author s compact consideration a worthwhile read A philosophically astute challenge to the rational supremacy of science over its spiritual rivals Kirkus Reviews *Healthy Models for Relationships* Barbara Berger,2023-05-26 What do healthy relationships look like Most of the difficulties we face on a daily basis have to do with our relationships be it with our partners families children parents or with our friends neighbors or colleagues at work This is why most of us really want to know how we can best get along with other people What do healthy couple relationships look like What do healthy families look like What are the characteristics of respectful constructive conversations How can we best navigate through the challenges we meet in our daily lives and disagree with our friends colleagues and families in a respectful way without running away or going on the attack Is it possible to speak respectfully and reach compromises which function for everyone involved In short what do healthy relationships look like Barbara Berger s answer to these important questions are her Healthy Models which describe what healthy relationships look like in practice The value of these Healthy Models is that when we have clear models of how healthy behavior looks we can then compare our own relationships to these models and identify what is not working in our relationships And this can be a big help because then we can begin to work to improve our relationships The book is packed with practical techniques and exercises We-Topia Michael Paul Stephens,2023-08-25 We Topia is the true and shocking story of how ego conquered the world From happier healthier and more spiritually evolved nomadic ancestors to a selfish globalized world that exploits divides and petrifies today We Topia explores how a powerless society has always been part of

the plan And it s worked Across the millennia society gradually devalued human consciousness while social systems such as slavery money and religion turned people into resources Now like a James Bond villain this purposeful manipulation mesmerizes us to be consumers and tells us that higher spiritual evolution is a delusion How did this happen How do we change What is life s purpose and meaning We Topia answers these questions with some good news there s a way out of this mess and there always has been As our ancestors knew liberty from ego is possible when society values real human needs and We Topia provides the concepts for you to begin It is a spiritual odyssey from me to we the ultimate inside out rebellion against 13 000 years of conditioning

Life Before the Internet Michael Gentle,2023-11-24 There was life before Google and smartphones but few would recognize it today We had more free time as we didn t spend hours on social media Our children roamed free and learned to fend for themselves We enjoyed the freedom and space that came from being unreachable and we couldn t take work home We didn t need to invent slow living it was part of the deal See how the last unconnected generation used to live Catch the tempo of everyday life from home and school to work and leisure and perhaps reflect on what we might learn

The Ripple of Awakening Ann-Marie Marchant,2022-12-09 The book is about a spiritual awakening what that means and looks like from the human perspective It explores the highs the lows the commonalities the phases and the stages and ways in which the reader can support themselves It is real raw authentic at times funny certainly inspiring and full of hope Ann Marie takes the reader s hand and walks them step by step through the stages of their own healing journey and offers ways that can inspire them with practical suggestions and practices such as prayer meditation self enquiry self care self expression forgiveness and inner child healing At the heart of the book is a flushing out of the reader s relationship or lack of relationship with God Ann Marie reveals how she went from a complete non believer and came to eventually work for the big guy upstairs being guided to become a multi faith minister She endeavours to de funk the ego s construct of God and inspire the reader to wake up to the love peace guidance and joy that is waiting for them through their connection with the God of their own understanding

I Ching Oracle: A Guide Through The Human Maze Timothy Dowdle,Johanna Dowdle,2021-09-24 The I Ching Oracle A guide through the human maze is designed to help the reader find a way through the complexities and challenges of everyday life Timothy and Johanna Dowdle show the reader how to consult the I Ching oracle and receive clear answers to important questions They explain the methods used for consulting the oracle and how the

oracle responds to the reader's questions. The authors also provide a series of examples from their own consultations to illustrate how the I Ching has guided them through many difficult situations. All of the descriptions of the I Ching hexagrams are based on the authors' lives. These autobiographical narratives can help and support everyone who is living through similar experiences. For those who are familiar with the I Ching and have been consulting the oracle, this book offers new methods for interpreting hexagrams with multiple moving lines and static hexagrams. These methods have proven to give consistently clear and accurate answers to the authors' questions over many years of consultations. Timothy and Johanna Dowdle are an Anglo-Dutch couple who have lived and worked in many different countries and are currently living in the Netherlands. Over the years, the authors have studied and practised the art of divination using divination as a tool for making important decisions. A red thread running through their lives together has been The I Ching or Book of Changes. Their aim is to share the knowledge and wisdom of the I Ching and make it accessible to everyone. Muslim Mechanics Charles H.

Brewton, 2023-04-28 Muslim Mechanics is a factual and informative resource guide for Islam written for non-Muslim Western audiences. The word mechanics, as in quantum mechanics or classical mechanics, represents a branch of physical science that studies the working parts of complex systems, machines, or even organizations and institutions. Taking the same tact, Muslim Mechanics is the study of how Islamic policies, activities, and functions affect populations and organizations. Going further, Muslim Mechanics looks at the functional and technical aspects of actions and determines their impact on an organizational and institutional level. As the word mechanics would indicate, there are hundreds of policies, rules, and beliefs that make Islam tick like a Swiss watch. Dr. Brewton presents an objective and secular view of a religion that is anything but secular.

Miracle Relationships John Campbell, 2023-10-27 What course do intimate relationships usually take? And why do they often seem to go wrong? A concise brief guide aimed at finding and maintaining peaceful, harmonious relationships. Miracle Relationships: A Path to Freedom and Joy will help you understand the purpose of these relationships and the gifts they have to offer. Understand the healing opportunities in every relationship and the real reason we choose the partners we choose. Crystal Prescriptions Judy Hall, 2019-08-30 Crystal essences and gem waters have been used for thousands of years to bring the body back into harmony and restore personal and environmental well-being. They are an extremely convenient way of combining crystal properties. In this, the latest volume in the Crystal Prescriptions series, you will learn how to create your own essences from healing crystals. Powerful aids to self-development and soul growth, these potent essences heal and rebalance the chakras, support your abundance and aspirations, assist in overcoming addictions, stress, and PTSD, expand your consciousness, provide protection against detrimental electromagnetic fields, facilitate environmental and earth healing, and accelerate karmic, ancestral, and past-life healing. Sections are included on emotional and mental healing, physiological essences, and those to specifically assist young people. You can also explore innovative astrological and astral magic essences that harness the power of the planets.

and their associated crystals to capitalise on the strengths of and overcome the challenges in your birth chart These along with essences for the day to day movement of the planets enable you to fulfil your true potential Each section is accompanied by a Directory of appropriate crystals and an introductory section assists in the care and selection of exactly the right crystals for your essences **The Living Vote** David Allen,2023-08-15 a most astutely written astutely grounded and impassioned new prose Exclusive Magazine The more power that rests with the people the less there is for powerful minority global actors to wield This remains true whether or not the people are right or wrong because it s still the safest place for real power to reside Unfortunately the direction of travel is the opposite way The Living Vote describes a uniquely new mechanism to significantly extend the engagement of voters and to moderate the unlimited power our governments can wield Unlike the usual outcomes from other more proportional systems coalitions will not be necessary The Living Vote describes what we should be doing and how to achieve it **Woman Through the Ages** Ann Merivale,2022-07-29 Did you know that the first named piece of writing was the work of a Sumerian woman in approximately 2085 BC while the world s first novel was written by a Japanese woman in the eleventh century Or that Hildegard of Bingen the great twelfth century Abbess writer and composer defied the Church s traditions by viewing feminine sexuality as a gift of God Or that one of China s most powerful Emperors was a woman These are but a few examples of the facts in this autobiography with a difference Woman Through the Ages Author Ann Merivale a deep memory process therapist has used previous lifetimes in her own history to illustrate the roles we all play in preparation for returning to the source whence we ve come Skilfully weaving her personal story into each area and time period covered Merivale highlights the injustices wrought on women for centuries as well as their many achievements Woman Through the Ages gives a fascinating and comprehensive picture of womanhood through the ages and concludes that the time for equality and greater respect for feminine energy is finally arriving The Possibility Exists ... Eoin Scolard,2016-12-09 In 2004 Eoin Scolard trusted his intuition and walked away from a six figure salary The Possibility Exists is a practical and sometimes humorous look at how his concept of self was broken open and how he learned profound spiritual and philosophical concepts from unlikely sources Eoin says The Possibility Exists that you ll enjoy the searing honesty of my writing sprinkled with Irish humour deep wisdom fun and foolishness But then again The Possibility Exists that you ll throw your hands up in the air and proclaim that this is the most boring book you ve ever read As you can tell Eoin avoids taking it all too seriously because he says Self help can become obsessive and actually be a hindrance to your enjoyment of life **Secrets of Angels on Earth** Allan J. Sweeney,2021-07-31 Secrets of Angels on Earth is the first book to describe an earth angel s journey from past lives reincarnation and pregnancy through child and adulthood to life after death It answers questions on what is love what is a soul mate d j vu how to meditate how to succeed with true love and how to be happy A new definition of love can inspire belief and faith for seekers mystic teachers and physicians alike Highlights include how love improves anger management and relieves depression anxiety sadness fear and
