Youth Policy And Social Inclusion Critical Debates With Young People:

Youth Policy and Social Inclusion Monica Barry, 2005 Youth Policy and Social Inclusion takes a holistic and multidisciplinary approach to identify and analyze the factors which promote or discourage social inclusion of young people in society today

Youth Policy and Social Inclusion Monica Barry, 2005 Turns the problems of youth on its head questions the extent to which the attitudes policies practises of adults ignore exacerbate rather than acknowledge resolve problems related to young people s social inclusion

Social Capital, Children and Young People Julie E. Allan, Ralph Catts, 2012 In this unique collection the social capital relationships and networks of children and young people and in one case parents and teachers is explored in a wide range of formal and informal settings

Japan's Emerging Youth Policy Tuukka Hannu Ilmari Toivonen, 2013 From the 1960s onwards Japan s rapid economic growth coincided with remarkably smooth transitions from school to work and with internationally low levels of youth unemployment However this changed dramatically in the 1990s and by the 2000s youth employment came to be recognized as a serious concern requiring an immediate response What shape did this response take Japan s Emerging Youth Policy is the first book to investigate in detail how the state experts the media as well as youth workers have reacted to the troubling rise of youth joblessness in early 21st century Japan The answer that emerges is as complex as it is fascinating but comprises two essential elements First instead of institutional carrots and sticks as seen in Europe actors belonging to mainstream Japan have deployed controversial labels such as NEET Not in Education Employment or Training to steer inactive youth into low wage jobs A second approach has been crafted by entrepreneurial youth support leaders that builds on what the author refers to as communities of recognition As illustrated in this book using evidence from real sites of youth support one such methodology consists of exploring the user i e the support receiver whereby complex disadvantages family relationships and local employment contexts are skilfully negotiated It is this second dimension in Japan s response to youth exclusion that suggests sustainable internationally attractive solutions to the employment dilemmas that virtually all post industrial nations currently face but which none have yet seriously addressed Based on extensive fieldwork that draws on both sociological and policy science approaches this book will be welcomed by students scholars and practitioners in the fields of Japanese and East Asian studies comparative social policy youth sociology the sociology of social problems and social work

Work with Young People Jason J Wood, Jean Hine, 2009-03-19 The book covers a fascinating range of theory policy and practice research not covered elsewhere in one text The editors are to be congratulated Marian Charlton Leeds Metropolitan University The book offers a broad overview of the issues and literature and will be of immediate use It enables students to bring themselves up to date with contemporary concerns and changes in the field of community and youth work Jean Spence University of Durham This authoritative text is a must read for anyone working or training to work with young people It considers how theory policy and practice intersect and influence one another in today s challenging and rapidly changing social economic and political contexts Offering a timely contribution to

the debate it covers key themes and developments including how we understand the lives of young people the principles that underpin work with young people the policy and practice in a wide range of contexts both national and international the key concepts currently high on the policy and practice agenda An essential companion for the professional training of youth workers this core text will also be of interest and value to students in a wide range of fields such as education criminology and youth justice social work sociology and social policy

Youth Collectivities Bjørn Schiermer, Ben Gook, Valentina Cuzzocrea, 2021-12-09 This volume seeks to address what its contributors take to be an important lacuna in youth cultural research a lack of interest in the phenomenon of collectivity and collective aspects of youth culture It gathers scholars from diverse research backgrounds ranging from contemporary subculture studies fan culture studies musicology youth transitions studies criminology technology and work life studies who all address collective phenomena in young lives Ranging thematically from music experience and festival participation via soccer fan culture leisure street art youth climate activism to the design of EU youth policies and Australian government project work with young migrants the chapters develop a variety of approaches to collective aspects to young cultural practices and material cultures To establish these new approaches the contributors combine new theories and fresh empirical work they critically engage with the tradition and they complement or even reconfigure traditional approaches in and around the field The book will be of interest to researchers in a broad range of areas in and around the field of youth culture studies including post subculture studies cultural studies musicology fan culture and youth transition research but it is also of acute interest for theoretically interested sociologists The volume offers a new afterword by French sociologist Michel Maffesoli

Sociology, Youth and Youth Work Practice Simon Bradford, 2012-09-24 How can sociology inform our understanding of young people's experiences Introducing core theories by drawing on a range of cultural resources from pioneering research to genre defining films this book demonstrates how a sociological imagination can enhance informal educational and social welfare approaches to work with young people

Re-engaging Young People in Education Martin Mills, Glenda McGregor, 2013-12-17 Many young people failed by the school system are those who face a range of social and economic challenges due to multiple forms of injustice This book provides an insight into the educational practices that work to re-engage young people who have become disenchanted with traditional schooling It examines the lives of students and workers who participate in education sites on the fringes of mainstream education and includes a rich tapestry of personal experiences from those who have been failed by their schooling experiences The book draws upon research of international relevance conducted in a range of Flexible Learning Centres and democratic schools in Australia and the UK it suggests that improving the retention levels of young people in formal education will require schooling practices to change Students who have become disengaged from mainstream schooling do re-engage in the learning process of many alternative schools indicating that teaching practices and forms of organisation which work in alternative sites can also provide lessons for mainstream schooling thereby encouraging

a more socially just education system Included in the book contexts of contemporary schooling who chooses flexible learning centres and why democratic schools students and teachers working together teaching in the margins case studies oppositional alternatives All young people have the capacity to learn and to enjoy learning they do not fail school rather schools fail them The teachers workers and students who have shared their stories provide significant insights into how we might change this situation and the book will be invaluable reading for postgraduates and researchers in the fields of education the sociology of education school reform and social work

Transforming Exclusion Hannah Bacon, Wayne Morris, 2011-06-23 Transforming Exclusion is concerned with the interface between the study of religion theology and issues surrounding exclusion Religious beliefs can be important in shaping attitudes that can lead to the exploitation or marginalization of both humans and non humans At the same time religious beliefs and practices have much to offer in transforming the world creating a more equitable place for all who occupy it At other times the voices of members of religious communities are suppressed and marginalized by other more dominant religious or secular individuals or communities This book addresses all of these aspects of social exclusion and aims to demonstrate that the study of theology and religion in addressing religious communities and society more widely have important contributions to make in creating a more just world The issue of exclusion is engaged with from a range of different perspectives by scholars involved in fieldwork with religious communities systematic contextual and practical theologians and practitioners involved in the preparation of individuals and groups for a range of ministries and professions

Youth Offending in Transition Monica Barry, 2006-08-21 Taking a new approach to youth crime this book argues that the transition from childhood to adulthood can be an isolating and disempowering experience for young people Children and young people are inherently vulnerable because of their age and status they are a minority group with the potential for being exploited discriminated against dominated and disrespected by adults Youth Offending in Transition explores how their treatment by adult society may lead young people to resort to crime as a means of gaining respect from their peers Using concepts of capital and the narratives of young offenders themselves this book is based on original research into the reasons why young people start and stop offending It discusses the following topics criminal theory and the significance of youth transitions to the age crime curve social identity and reputation amongst young people social inequalities and their influence on youth transitions the criminalization and discrimination of young people by adults the importance of social recognition in reducing offending

Young Adult Offenders Friedrich Lösel, A. E. Bottoms, David P. Farrington, 2012 This book brings together leading authorities in the field to analyse theoretical empirical and policy issues relating to this neglected group of people exploring different approaches to both crime prevention and offender treatment

Community Safety Peter Squires, 2006-07-05 Community safety emerged as an approach to tackling and preventing local crime and disorder in the late 1980s and was adopted into mainstream policy by New Labour in the late 90s This book provides theoretically informed analysis by leading

authorities in the field *Youth and Peaceful Elections in Kenya* Kimani Njogu, 2013-08-15 Elections provide a tremendous opportunity for national transformation and the pursuit of democratic practice They can be a moment of national renewal However in most of Africa elections are often characterized by violent conflict as politicians seek to capture or maintain power through ethnic mobilization propaganda and misrepresentation Considering opportunities offered by information technology especially mobile phones and the discovery of extensive natural resources Africa has an opportunity to significantly change the lives of ordinary citizens But this transformation requires that youth are fully present in the political economic social and cultural arenas They will need to marshal their energies and stay focused on the things that are important for the continent of Africa In the case of Kenya youth should not wait to be invited to take up political leadership Instead they will need to invite themselves to the table and take advantage of the opportunity provided in Constitution and demand accountability and transparency in the conduct of national affairs This book is part of ongoing work at Twaweza Communications in the pursuit of democracy peace and justice Themes covered include youth and leadership elections and peace youth as peace makers family and global values among other topics See more at <http://www.africanbookscollective.com> books youth and peaceful elections in kenya sthash viKqWxE2 dpuf *Youth Migration and the Politics of Wellbeing* Elaine Chase, Jennifer Allsopp, 2020-11-18 This book examines the factors affecting the health and wellbeing of young people as they transition to adulthood under the shadow of migration control Drawing on unique longitudinal data it illuminates how they conceptualize wellbeing for themselves and others in contexts of prolonged and politically induced uncertainty The authors offer an in depth analysis of the experiences of over one hundred unaccompanied young migrants primarily from Afghanistan Albania and Eritrea They show the lengths these young people will go to in pursuit of safety security and the futures they aspire to Interdisciplinary in nature the book champions a new political economy analysis of wellbeing in the context of migration and demonstrates the urgent need for policy reform *Research With Children* Pia Christensen, Allison James, 2008-03-28 Research with Children is a unique resource book on the methodology of childhood research Leading and new researchers within the social studies of childhood discuss central questions of epistemology and methodology demonstrating the links between theory and practice The theoretical and practical questions are set out in a clear and well argued fashion and will therefore appeal both to the newcomer to childhood studies and to experienced researchers in the field **Making Schools Different** Kitty te Riele, 2009-09-18 With a foreword by Professor Stephen Ball What can we do with students who don't succeed in the typical classroom and what are the alternatives to full time schooling With contributions from leading academics from Canada America the UK The Netherlands and Australia this internationally minded book helps the reader to reflect on the ways young people are taught and presents possible alternative approaches Global social and economic changes and technological developments are driving the need for change within education so that we can better cater for a diversity of young people This book offers a forward looking overview of where we are now and

where we might want to go in the future It includes chapters on educational innovations learning identities learning spaces e learning and remote students alternatives in education This book will open your mind to the changing experience of schooling and highlights new and different ways to help those whose needs simply don t fit into the usual mould Suitable for all those on all undergraduate and postgraduate Education courses and for those on Education Studies and Childhood and Youth courses this book is an engaging thought provoking read Kitty te Riele is a Senior Lecturer in Education in the Faculty of Arts and Social Sciences University of Technology Sydney

Youth Leadership in Sport and Physical Education D. Hellison,T. Martinek,2009-10-26 This book responds to the needs of urban youth by describing youth development principles in physical activity programs These programs are built on urban kids assets and promise rather than their deficits Included are ways of transferring skills from specific programs to everyday settings

Research Handbook on Transitions into

Adulthood Jenny Chesters,2024-03-14 This prescient Research Handbook provides a comprehensive overview of the challenges that young people from across the globe face as they navigate the transition from adolescence to adulthood

Childhood, Philosophy and Open Society Chi-Ming Lam,2013-02-26 The purpose of this book is to develop a theory and practice of education from Karl Popper s non justificationist philosophy for promoting an open society Specifically the book is designed to develop an educational programme for fostering critical thinking in children particularly when they are involved in group discussion The study conducted an experiment to assess the effectiveness of Matthew Lipman s Philosophy for Children P4C programme in promoting Hong Long Chinese children s critical thinking Forty two Secondary 1 students volunteered for the experiment from whom 28 students were randomly selected and randomly assigned to two groups of 14 each one receiving P4C lessons and the other receiving English lessons The students who were taught P4C were found to perform better in the reasoning test than those who were not to be capable of discussing philosophical problems in a competent way and to have a very positive attitude towards doing philosophy in the classroom It was also found that P4C played a major role in developing the students critical thinking Considering that the construction of children by adults as incompetent in the sense of lacking reason maturity or independence reinforces the traditional structure of adult authority over children in society it runs counter to the goal of fostering critical thinking in children As a way to return justice to childhood and to effectively promote critical thinking in children the present study suggested reconstructing the concept of childhood highlighting the importance of establishing a coherent public policy on promotion of agency in children and also the importance of empowering them to participate actively in research legal and educational institutions

Social Work and Neoliberalism Edgar Marthinsen,Nina Skjefstad,Anne Juberg,Paul Michael Garrett,2021-09-26 Social work educators and practitioners are grappling with many difficulties confronting the profession in the context of an increasingly neoliberal world The contributors of this book examine how neoliberalism and the modes with which it structures the world has an impact on and shapes social work as a disciplinary field Drawing on new empirical work the chapters in this book highlight

how neoliberalism is affecting social work practices on the ground The book seeks to stimulate international debate on the totalizing effects of neoliberalism and in so doing also identify various ways through which it can be resisted both locally and globally The chapters in this book were originally published as a special issue of the European Journal of Social Work
