[Shareology](#) Bryan Kramer, 2015-07-07 USA Today Bestseller A top social media strategist explores how human connection drives success Technology continues to evolve and make our lives busier and more complicated but it can never replace true human connection our fundamental need to share information stories and emotions *Shareology* explores the history art and science of sharing and why sharing gives us a unique competitive advantage as individuals and brands For entrepreneurs and marketers who want to make their content more valuable and shareable and for individuals who want to grow their personal brand Fortune 500 consultant and popular TED speaker Bryan Kramer offers wisdom worth sharing plus contributions from experts and business leaders on a variety of topics *Shareology* covers Sharing in the Human Economy The Importance of Context The Human Business Movement Sharing A Sensory Experience Timing Is Everything Redefining Influencers Inside and Out Connections and Conversations Creating Shared Experiences What Makes Stuff Worth Sharing Brands on Sharing The Sharing Future What's Next

No Point B Caleb Gardner, 2022-08-09 Our future depends on changing the way we change But because technology has forever altered our relationship with what's coming next the tomorrow we envisioned is too often totally different by the time it arrives there is no linear path from where we are to where we are going How can leaders manage disruption when disruption never stops coming *No Point B* is a paradigm shifting look at transforming change into something we do not for some vague brighter future but as a practice for making a better world right now Drawing upon his vast experience in business leadership and social activism author Caleb Gardner shows how the simple idea of embracing constant change as a core competency for living in a complex world could revolutionize our relationship with modernity and transform our approach to

effective leadership Through stories from his career advising everyone from Fortune 100 CEOs to politicians and political leaders and advice from experts in sociology psychology and management No Point B proposes nine principles for mobilizing the next generation of effective change leaders including focusing on effective communications to navigate our reality distorting media building adaptive capability and tackling cross disciplinary problems and never resting on our assumptions about how to best navigate the world The only way we ll make significant progress on building a better world is by recognizing better is a process of constant adaptation not an end point No Point B is the ultimate playbook for a new generation of leaders striving to dig in and give their companies and communities a better future today
