Straight Outta Darkness: A Story for God's Glory Faith Love, 2023-11-28. Straight Outta Darkness is a story for God's glory. One of the key principles of a successful addiction recovery is to bear witness of your own to give hope, encouragement, and strategies to those in the trenches and battlefields of it. This book tells the story of Faith Love's fall into the clutches of crack cocaine addiction and the miracle of her release from it. Being the product of a broken, dysfunctional family and often times debilitating poverty, Faith sought love and acceptance on the streets of a tough Chicago neighborhood filled with an underbelly of crime and drug infestation. It was here that over the course of her young adulthood, she became a violent gang member, had two babies, and got strung out on crack cocaine. She lost her home, her children to DCFS, and her dignity. This book is her redemption story, and it began when she became accountable to Jesus. His unexpected voice brought her to her knees, and His love led her on the path to victory where she remains today, 18 years and counting, to tell this story for God's glory.
