in the English Romantic Period, 1788-1818 F. W. Stokoe, 1926 **German Influence in the English Romantic Period 1788-1818** F. W. Stokoe, 2013-10-10 Originally published in 1926 this book examines how interest in German literature in England grew immediately before and during the Romantic period *The German Gothic Novel in Anglo-German Perspective* Patrick Bridgwater, 2013-10-10 The first full length study of the main German contributors to the Gothic canon to each of whom a chapter is devoted *The German Gothic Novel in Anglo German Perspective* is an original historical and comparative study that goes well beyond the necessary review of the evidence to include much new material many new insights and pieces of analysis and some fundamental changes of perspective The book aims to put the record straight in bibliographical and literary historical terms and to act as a reference guide to facilitate future research so that anyone working on the German Gothic novel or on Anglo German interactions in the field of Gothic will find there references to all the relevant secondary literature *The German Gothic Novel in Anglo German Perspective* is addressed to Germanists but also to teachers and students of English American and comparative literature for there is at present hardly a hotter subject than Gothic The book's emphasis on the Gothic work of canonical writers should prompt even conservative German Departments to reconsider their attitude to Gothic Being addressed to scholars and students of German German quotations are given in German but English translations are added for the convenience of English and American scholars and students of Gothic who represent another important section of the book's target audience *Shelley's Mirrors of Love* Teddi Lynn Chichester, Teddi Chichester Bonca, 1999-01-01 An analysis of Shelley's fiction poetry and letters covers the topics of narcissism gender identity and self idolotry *Shelley Unbound* Scott D. de Hart, 2013-07-22 *Frankenstein* was first released in 1818 anonymously The credit for Mary Wollstonecraft Shelley's authorship first occurred in 1823 when a French edition was published A year earlier Mary's revolutionary husband the influential poet dramatist novelist and essayist Percy Bysshe Shelley died The same year *Frankenstein or The Modern Prometheus* its full title was first published so was another work by Mary's husband that shares use of the word *Prometheus* The drama *Prometheus Unbound* was indeed credited to Percy

Shelley The secret admission of many experts in English literature is that Mary Wollstonecraft Shelley did not write a good portion of Frankenstein In Shelley Unbound Oxford scholar Scott D de Hart examines the critical information about Percy Shelley s scientific avocations his disputes against church and state and his connection to the illegal and infamous anti Catholic organization the Illuminati Scott D de Hart s fascinating investigation into Frankenstein and the lives of Mary Wollstonecraft and Percy Shelley results in an inconvenient truth regarding what we have long believed to be a great early example of the feminist canon Scott D de Hart was born and raised in Southern California He graduated from Oxford University with a PhD specializing in nineteenth century English literature and legal controversies **The Modern**

Language Review ,1912 **The Neglected Shelley** Alan M. Weinberg,Timothy Webb,2016-03-16 New editions and facsimiles of Percy Bysshe Shelley s works are changing the landscape of Shelley studies by making complete compositions and fragments that have received only limited critical attention readily available to scholars Building on the work begun in Weinberg and Webb s 2009 volume The Unfamiliar Shelley The Neglected Shelley sheds light on the breadth and depth of Shelley s oeuvre including the poet s earliest work written when he was not yet twenty and was experimenting with gothic romances and other striking forms of literary expression such as two collections of provocative verse There are discussions of Shelley s collaboration with Mary Shelley in the composition of Frankenstein and his skill as a translator of Greek poetry and drama reflecting his urgent concern with Greek culture His contributions to prose are the focus of essays on his letters the subversive notes to Queen Mab and his complex engagement with Jewish culture Shelley s considerable corpus of fragments is well represented in contributions on the later narrative fiction Athanase Prince Athanase and the significant group of unfinished poems including Mazenghi Fiordispina Ginevra and The Boat on the Serchio that treat Italian topics Finally there are explorations of subtle though neglected or underestimated works such as Rosalind and Helen The Sensitive Plant and the verse drama Hellas The Neglected Shelley shows that even the poet s apparently slighter works are important in their own right and are richly instructive as expressions of Shelley s developing art of composition and the diverse interests he pursued throughout his career *Letters* Percy Bysshe Shelley,1909 The Letters of Percy Bysshe Shelley Percy Bysshe Shelley,1914

Romanticism Aidan Day,1995-11-16 Day examines the history and usage of the term Romanticism and the changing views and debates which surround it A range of writers canonical and non canonical are included as are today s debates such as feminism and new historicism **The Letters of Percy Bysshe Shelley** Percy Bysshe Shelley,1909 The Real Shelley John Cordy Jeaffreson,2018-09-20 Reproduction of the original The Real Shelley by John Cordy Jeaffreson
